Executive Summary

AP-05 Executive Summary - 91.200(c), 91.220(b)

1. Introduction

The 2026 Action Plan for Onondaga County is an analysis of the housing and community development needs of Onondaga County and an outline of the subsequent goals and objectives of Onondaga County Community Development (OCCD) for the next program year. (Unless otherwise noted, data is from the 2020 United States Census.) It is the result of the collaboration with many partners, both in its formation and implementation. It outlines the role of OCCD and its partners in a County-based housing delivery system and it assigns priorities to the many documented housing and community development needs. The mission of OCCD is to improve the quality of life for Onondaga County's low- and moderate-income people by preserving and rebuilding neighborhoods, revitalizing and increase in the County's housing stock, upgrading the infrastructure, and provide needed community facilities.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

The mission of the OCCD is to improve the quality of life for Onondaga County's low- and moderate-income people by preserving and rebuilding neighborhoods, revitalizing, and increasing the County's housing stock, upgrading the infrastructure, and providing needed community facilities.

The objectives of the Onondaga County Five Year Strategic Plan and 2026 Action Plan are as follows:

• provide safe and sanitary infrastructure, such as sanitary sewers, storm sewers, water lines, sidewalks, etc., that serve low income residents;

• provide recreational facilities for low and moderate income and disabled residents;

• eliminate detrimental blighting conditions in residential neighborhoods;

• provide improved neighborhood facilities, such as senior citizen centers and community centers for low and moderate income persons;

• provide improved housing conditions and housing opportunities for low and moderate income elderly and handicapped persons and low and moderate income families through housing rehabilitation

assistance;

• provide home ownership opportunities for the County's low and moderate income residents;

• stimulate economic conditions in business districts located in low and moderate income neighborhoods through commercial rehabilitation;

• provide fair housing for all the citizens of the County; and

• provide contracting and employment opportunities to local businesses.

• participate in the communities fight to end homelessness by providing support and funding for organizations and agencies involved in this endeavor.

To achieve these goals Onondaga County Community Development identified six priority goals and programs to solve the challenges facing our community:

• Housing Rehabilitation: the Lead Hazard Reduction Program (LHR); the Safe Housing Assistance Program for the Elderly (SHAPE-UP); NYSHCR Emergency Repair Program/RESTORE Program (as funding availability allows).

• Housing Rehabilitation-Accessibility: the RAMP Program; NYSHCR Access to HOME Program (ATH) (as funding availability allows).

• Capital Projects: provides infrastructure/public facility/recreation facility improvements to eligible areas within the 34 municipalities of Onondaga County.

• Homelessness: provide funding to local organizations dealing with various aspects of the issue; staff participates with local Housing and Homeless Coalition

• Commercial Improvements: Commercial Rehabilitation Program; Main Street Rehabilitation Program

• Homeownership: the Onondaga County First-time Homeownership Program.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

Onondaga County Community Development's (OCCD) goal is to serve the citizens of Onondaga County in a productive and efficient manner. Overall feedback received from grant recipients, community leaders and funding providers is positive. The department continues to meet goals, deadlines, expectations established by its fund sources. The department is also aware of and operates within the realm of the department's mission.

OCCD continues to seek additional sources of funding to support its programs in hopes of being able to meet the ever-increasing demand for services to the community. The additional sources of funds include: the HUD Office of Lead Hazard Control and Healthy Homes (OLHCHH); the New York State

Department of Homes and Community Renewal (NYS HCR); and the New York State Affordable Housing Corporation (NYS AHC).

Since its inception, OCCD has received over $265,000,000 in funding, completed over 870 capital projects, sold over 480 homes to first-time homebuyers, improved the facades of over 350 local commercial building, provided accessibility improvements to 895 low-moderate income disabled households and completed more than 6300 housing rehabilitation projects.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

The County encourages citizen participation through several avenues. One avenue is through the County website. The website provides descriptions of the different housing and rehabilitation programs, capital projects and contractor information. It also includes notices of public hearings, which are also advertised in the Syracuse Post Standard newspaper. Citizens are also able to submit comments and questions to the OCCD mailbox through the website.

OCCD has a 10-member Steering Committee which oversees the entire program. Appointed by the County Executive, the committee includes 6 elected officials (2 Town Supervisors, 2 Village Mayors and 2 County Legislators) and additional at-large members representing a cross-section of the County. The Steering Committee reviews and approves OCCD's budget, programs, ESG projects, and reviews and selects the capital projects submitted by local municipalities.

All 34 towns and villages in Onondaga County are invited to submit a Five-Year Community Development Plan and applications for capital projects for possible inclusion in the County's Annual Action Plan. The municipalities are required to hold a public hearing to allow citizen input into both the Five-Year CD Plan for that municipality and the capital project applications to be submitted to the County. A town or village board resolution authorizing their project application(s) is also requested.

OCCD holds two Public Hearings each year - one in late summer to review and solicit comments on the proposed Annual Action Plan and a second in late fall to review the CAPER. These are advertised on the County website as well as in the main local newspaper.

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

The Public Comment period was June 17, 2026 – July 17, 2026. A Public Hearing was held July 10, 2026. No comments were received.

6. Summary of comments or views not accepted and the reasons for not accepting them

No comments were received.

7. Summary

Onondaga County Community Development appreciates the support received from all funding sources and looks forward to continuing to offer its services to the citizens of Onondaga County.

AP-10 Consultation - 91.100, 91.200(b), 91.215(l)

1. Introduction

Onondaga County Community Development contacted and consulted with other public and private agencies when developing the plan. Key partners include the Homeless and Housing Coalition of CNY (CoC NY-505) and local Towns & Villages. Onondaga County recognizes that partnerships with and participation from local agencies is essential to developing a comprehensive plan to address needs and define priorities within our community.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l)).

The County consulted with municipal officials, non-profit agencies, private developers, economic development officials, governmental agencies and the Continuum of Care in preparing this Plan. The County held a public hearing to review the draft findings and priorities. This meeting is summarized in the Citizen Participation Section. The County also reviewed numerous community and regional plans, as well as annual reports issued by various agencies. The findings of the Analysis of Impediments to Fair Housing were also used to determine needs and priorities. OCCD recognizes that developing partnerships with local public and private organizations is vital to its success.

The Community Development Division will invest Emergency Solutions Grant funds to support emergency shelters, street outreach, HMIS, and homeless prevention. These activities will be provided to women, men, youth, families, persons living with HIV/AIDS and the chronically homeless. Additional HUD Continuum of Care funds will support the local Homeless Management Information System, transitional and permanent housing, and supportive services.

OCCD continues to partner with the Homeless and Housing Coalition of CNY on their mission to assess community needs and to develop a comprehensive community strategy to combat homelessness and housing vulnerability in our community. The major responsibilities of the CoC lead are to operate the CoC, to develop a strategic planning process that works toward the goal of ending homelessness in Central New York and to coordinate the application process for the HUD Continuum of Care Program Competition.

Emergency Shelter Grant Request for Proposals stress prevention as well as moving those already in the homeless system to permanent housing as soon as possible. These activities are consistent with reducing chronic homelessness.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The Homeless & Housing Coalition (HHC) (CoC NY-505) has several subcommittees and work groups, including the 10-Year Planning Committee, whose primary charge was to develop a Plan to End Homelessness. This Committee identified five overarching goals to guide local planning efforts toward ending homelessness in our community. The Committee selected these goals based on the Federal Interagency Council on Homelessness Opening Doors Plan, the national federal plan outlining successful strategies to prevent and end homelessness. The 2017 update can be found here. https://www.hhccny.org/wp-content/uploads/2016/07/Updated-Open-Doors-Plan-NY505-2017-Update.docx

The local Continuum of Care implemented a Coordinated Entry process and has established a Coordinated Entry Plan that details the process for ensuring that the most vulnerable individuals will be given priority to housing programs. The VI-SPDAT and other assessment tools, located on ServicePoint, is used to assess shelter residents and determine vulnerability and need for housing.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

OCCD consults with the HHC (CoC NY-505) when developing funding plans and in review of RFPs. Priorities are determined by review of the Continuum of Care Homeless application process and other homeless planning activities including but not limited to review of Point in Time data and surveys conducted among consumers of homeless services. The Continuum of Care planning process consistently reveals one overriding priority need among the homeless and those at risk of homelessness: affordable permanent housing with a range of readily available support services commensurate with the varying needs of each household. In addition to affordable housing, resources are needed to develop and maintain an appropriate range of services, including preventative and rehabilitative services to assist persons before they become homeless, as they seek to leave shelters, and as they attempt to resume life in the community after a period of homelessness.

Homeless prevention priorities emerging as a result of planning associated with Homeless Prevention and Rapid Re-Housing funding include direct financial assistance to households combined with additional supports such as case management, legal advocacy, and housing relocation services.

Priority needs and decisions around financial allocations designed to address many of these needs are established during a formal review process carried out annually by the Continuum of Care planning group. The process includes a thorough examination of all projects in receipt of HUD Homeless

Assistance funding including an assessment of select portions of the Annual Progress Report (HUD-40118). The Continuum of Care is also relying increasingly upon Homeless Management Information System data to make informed decisions relative to funding priorities. The HMIS software product used locally is the nation's leading management information system and is regularly updated to meet HUD's evolving standards. Homeless assistance providers, homeless or formerly homeless individuals, and other concerned citizens are invited to play a role in the needs and funding priority determination process.

Ending chronic homelessness is a high community priority. Over the last few years the Continuum of Care has used a portion of the HUD Homeless Assistance Supportive Housing Program Permanent Housing bonus funding to create beds that are currently being used exclusively for chronically homeless individuals. It is important to note that with the exception of permanent supportive housing designed exclusively for families, chronically homeless individuals are welcome at all permanent supportive housing projects.

AP-12 Participation - 91.401, 91.105, 91.200(c)

1. Summary of citizen participation process/Efforts made to broaden citizen participation Summarize citizen participation process and how it impacted goal-setting

The County encourages citizen participation in its programs through the County website (https://onondaga.gov/cd/), the OCCD Steering Committee, the towns and villages and public hearings. The comment period for the Plan was June 17, 2026 – July 17, 2026. The Public Hearing was July 10, 2026.

The website provides descriptions of the different housing and rehabilitation programs, capital projects and contractor information. It includes notices of public hearings. Citizens can submit comments and questions to the OCCD mailbox through the website.

OCCD has a 10-member Steering Committee which oversees the entire program. Appointed by the County Executive, the committee includes 6 elected officials (2 Town Supervisors, 2 Village Mayors and 2 County Legislators) and additional at-large members representing a cross-section of the County. The Steering Committee reviews and approves OCCD's budget, programs, ESG projects and reviews and selects the capital projects funded by the CDBG to be included in the Action Plan each year.

Onondaga County is made up of 34 towns and villages. All 34 towns and villages are invited to submit a Five-Year Community Development Plan and applications for capital projects for possible inclusion in the County's Annual Action Plan. The municipalities are required to hold a public hearing to allow citizen input into both the Five-Year CD Plan for that municipality and the capital project applications to be submitted to the County. A town or village board resolution authorizing their project application(s) is also requested.

Projects are selected primarily based on need and the number of low-income people served. Each year, there are many more applications received as there are CDBG funds available, so it is a competitive process. In addition, the Steering Committee reviews and approves programs to be funded by the Emergency Solutions Grant.

OCCD holds a Public Hearing after Steering Committee approval, when the Plan is prepared and before it is submitted to HUD. This is advertised in the Post Standard and on the OCCD website. The Public Hearing date, funding level, activities that are eligible, and proposed budget are included in the announcement.

Table 2 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

OCCD is required to provide a match for federal funds received under the HOME Program. The County uses funds from non-federal grants it applies for and receives from various sources including (but not limited to): the NYS Affordable Housing Corporation, the NYS Housing Trust Fund, and various grants through the NYS Homes and Community Renewal.

Agencies receiving ESG funds under the County ESG Program will provide a portion of the required ESG match. Match sources must be listed on the agency budget.

Since 2001, OCCD has received eleven Lead Hazard Reduction/Lead Hazard Demonstration grants totaling almost $40 million from the HUD Office of Lead Hazard Control and Healthy Homes (OLHCHH). The County uses a portion of its CDBG funds as match for these grants and plans to continue to apply for funding from OLHCHH.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

Although the Onondaga County housing market has remained fairly stable, foreclosures and tax delinquent properties do exist throughout our area. The County will continue to seek opportunites to acquire these vacant properties for its First-time Homeownership Program. These homes will be rehabilitated and sold to low-moderate income first-time home buyers at a subsidized cost. The department's Homeownership Program is funded by a variety of sources including: local funding, program income, state grants and federal programs.

AP-35 Projects - 91.420, 91.220(d)

Introduction

Over the next year, OCCD plans to assist local municipalities with funding for 17 Capital projects. OCCD will also provide housing rehabilitation grants to approximately 50 low-mod income households throughout Onondaga County. Accessibility will be improved in the homes of 15 low-mod income residents with disabilities. The County will rehab and sell 3 homes to low-mod income first-time homebuyers.

OCCD leverages its CDBG and HOME allocations to obtain supplemental funding from a variety of sources. During the upcoming year this additional funding continues to include $7,750,000 in funds from the Lead Hazard Reduction Demonstration grant awarded by the HUD Office of Lead Hazard Control and Healthy Homes.

The County received several grant awards from the New York State Housing and Community Renewal Office (NYS HCR): A NYS RESTORE grant to fund emergency housing repairs for very low-income seniors ($150,000). The County will use the RESTORE money to supplement its existing Shape-Up program.

OCCD continues with its $800,000 grant from the NYS Affordable Housing Corp to continue its First-time Homebuyer Program.

OCCD's Commercial Rehabilitation Program continues work on the NYS HCR Main Street program to revitalize the commercial center of one of the County's older villages via building upgrades, restoration, and façade renovation.

The County provides funding to the CNY Fair Housing. OCCD works with CNY Fair Housing to identify and address issues related to fair housing concerns and issues.
ARISE, Inc. also uses CDBG funds to advocate for and locate accessible housing for individuals with disabilities and families. Approximately 15 persons per year benefit from this activity.

2-3 units developed by a CHDO, in receipt of the 15% HOME set aside funding, will be acquired by or rented to low-income special needs clients.

AP-50 Geographic Distribution - 91.420, 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

The geographic area covered consists of 1 City, 19 towns and 15 villages. The area has a total population of 471,129 persons, residing in 197,760 households (2024, ACS 5-year Est). This area has a land area of 778.4 square miles and is approximately 35 miles in length and 30 miles in width. All 34 towns and villages participate in the CDBG Urban County Consortium. The town and villages are the priority areas as the City of Syracuse receives its own Entitlement funding.

Geographic Distribution

Target Area	Percentage of Funds
Onondaga County	100

Table 5 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

The geographic allocation of OCCD programming is largely determined by the location of HUD defined and designated Low-Moderate Income block groups and in Low-Moderate income households. All non-housing community development investments occur within these designated block groups. Low-Moderate areas are generally located where older, affordable housing is concentrated. All housing related investments occur in Low-Moderate income households. The town and villages are the priority areas as the City of Syracuse receives its own entitlement funding.

The Community Development Steering Committee determines budget categories and selects projects to be funded. Although projects are selected primarily on need and the number of low-income people served, the Committee strives to maintain a geographic balance when making selections.

The County consulted with key members of the local Continuum of Care to determine a rationale for allocating Emergency Solutions Grant Program funding priorities. A cross-jurisdictional (City of Syracuse and County of Onondaga, CoC) collaborative examination of homeless resources took place as both jurisdictions worked together to maximize the impact of HUD ESG funds.

Affordable Housing

AP-55 Affordable Housing - 91.420, 91.220(g)

Introduction

Over the next year the County plans to provide housing rehabilitation grants to approximately 50 low-moderate income households throughout Onondaga County. Accessibility will be improved in the homes of 15 low-moderate income residents with disabilities. The County will complete and sell 5 homes to low-mod income first-time homebuyers. As the current inflationary trends continue to impact labor and material costs & availability, we have maintained our goals for Housing Rehabilitation to reflect the current situation more accurately.

OCCD leverages its CDBG and HOME allocations to obtain supplemental funding from a variety of sources. During the upcoming year OCCD will continue with its 11th Lead Hazard Reduction Demonstration grant award ($7,750,000) by the HUD Office of Lead Hazard Control and Healthy Homes (OLHCHH). OCCD has successfully completed 10 such grant awards.

The County will be applying for a grant awards from the New York State Housing and Community Renewal Office (NYS HCR) for RESTORE and Access to Home grants totaling $250,000. The County will use the funds to supplement its existing Housing Rehabilitation Programs for eligible recipients.

OCCD is applying for another $800,000 grant from the NYS Affordable Housing Corp to continue its First-time Homebuyer Program.

OCCD's Commercial Rehabilitation Program continues working with NYS HCR Main Street funds to continue revitalization of the commercial center of one of the County's older villages via building upgrades and restoration, façade renovation and streetscape improvements.

The County provides funding to the CNY Fair Housing. OCCD works closely with CNY Fair Housing to identify and address issues related to fair housing, which includes the update of the Analysis of Impediments report that will be produced to provide updated information on the impact these issues have in Syracuse and Onondaga County.

ARISE, Inc. also uses CDBG funds to advocate for and locate accessible housing for individuals with disabilities and families. Approximately 15 persons per year benefit from this activity.

2-3 housing units, developed by a CHDO in receipt of 15% set aside funding, will be acquired by low-income special needs clients.

AP-65 Homeless and Other Special Needs Activities - 91.420, 91.220(i)

Introduction

Over the past several years, the Homeless & Housing Coalition (CoC) developed several subcommittees and work groups, including the 10-Year Planning Committee, whose primary charge was to develop a Plan to End Homelessness. This Committee identified five overarching goals to guide local planning efforts toward ending homelessness in our community. The Committee selected these goals based on the Federal Interagency Council on Homelessness Opening Doors Plan, the national federal plan outlining successful strategies to prevent and end homelessness by 2020. With 2024 behind us, more work is needed. The foundation provided by the CoC and its subcommittees will provide the direction needed to continue this work and to further the goals.

Community Development will continue provide housing rehabilitation services to special needs populations, focusing primarily on the frail elderly and the physically disabled.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

Onondaga County Community Development will invest Emergency Solutions Grant funds to support street outreach. For many years the County has funded and with plans to continue funding the Rescue Mission's Homeless Intervention Services (HIS) Team. The HIS Team operates a mobile unit which provides transportation to medical, psychiatric, substance abuse, employment and other essential service appointments. The HIS Team also connects individuals and families living in places unfit for human habitation with services in the community. The team also provides essential care to people living on the street by distributing coats, hats, gloves, blankets, food and water.

Addressing the emergency shelter and transitional housing needs of homeless persons

OCCD will use ESG dollars to fund several shelters providing emergency shelter and transitional housing for a variety of the homeless population. Recent ESG allocations were awarded to:

- Chadwick Residence: Transitional housing for women and children; case work and life skill training available.
- Liberty Resources - DePalmer House: Transitional housing for chronically homeless living with HIV/AIDS.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to

permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

Emergency Solutions Grant Request for Proposals for PY 2025 stressed prevention as well as moving those already in the homeless system to permanent housing as soon as possible. To help local associations facilitate the transition to permanent housing and prevent homelessness from occurring, Onondaga County is awarding ESG funds to:

- **Chadwick Residence** - Chadwick Residence offers homeless women and children transitional housing and professional services to assist in achieving increased self-sufficiency and the ability to obtain and maintain appropriate permanent housing. Program participants develop skills and supports to prevent them from future homelessness

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

- **Visions For Change dba: CONNECT** - ESG funds will be used to provide direct financial assistance to eligible households. Direct financial assistance includes rental assistance, security deposits, utility payments, and relocation costs necessary to prevent eviction or facilitate safe housing transitions.

Onondaga County also plans to meet the objectives identified in the Special Needs portion of the Strategic Plan by continuing programs, identifying resources, applying for funds, and implementing programs to support the objectives. Both the public and private sector will be utilized to address the unmet housing needs of the underserved low-income households and special needs populations.

The County's strategy aimed at the special needs population addresses primarily the elderly, frail elderly and physically disabled populations. Those with mental health, substance use disorders, and persons with HIV/AIDS and their families are primarily addressed through the Continuum of Care with partial support from the Emergency Solutions Grant which continues to provide support for a transitional shelter for persons with HIV/AIDS. The County Office of Mental Health is best positioned to address the needs of those with severe mental illness and/or developmental disabilities.

Through the SHAPE-UP (Safe Housing Assistance Program for the Elderly) program, homes owned and occupied by low-income elderly or handicapped are rehabilitated. Grants of up to $15,000 can be

matched with funds from the NYS RESTORE grant award & Lead-Based Paint Hazard Control Grant awarded to OCCD. Some of these repairs are emergency in nature such as leaking roofs or non-functioning furnaces and are critical to keeping many elderly in their homes.

The Ramp program provides accessibility modifications for low-income households with a handicapped family member. Repairs may include exterior ramps, stair chairs, widening of doorways, walk-in showers, & bathroom grab bars. Using both CDBG funds and NYS Access to Home funds, the Ramp Program will provide grants up to $15,000 for accessibility modifications for low-income families with a handicapped family member.

AP-75 Barriers to affordable housing -91.420, 91.220(j)

Introduction

Public policies that serve as barriers to affordable housing are complex and varied. OCCD plans to counter some negative effects with several projects.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

Several OCCD activities will address the removal of barriers to affordable housing. The County will expand housing opportunities for persons with disabilities. Using both CDBG funds and NYS Access to Home funds, the Ramp Program will provide grants up to $15,000 for accessibility modifications for low-income families with a handicapped family member. Outreach will be on-going.

The County has allocated annual funding to CNY Fair Housing this program year to continue the Education and Enforcement Project which includes education, housing counseling and advocacy, enforcement of fair housing laws, and assistance to victims of predatory lending and lending fraud. ARISE, Inc. is allocated annual funding to provide one-on-one assistance to income eligible individuals with disabilities and their families to stabilize housing situations and maximize independence with the community. ARISE additionally advocates for increased accessible housing and educates housing providers and the public about Fair Housing, the Americans with Disabilities Act, and the need for accessible housing.

OCCD will provide financial assistance to first-time low-moderate income homebuyers so that they can purchase a suitable, affordable home. Often, these buyers are limited in the private market to sub-standard homes. With the County's assistance, buyers are getting a home with the needed review and improvements. Homeownership is often cited as a key driver in the building of wealth. For many Americans, owning a home is an essential part of the American dream that conveys several economic benefits, such as the ability to accumulate wealth and access credit by building home equity, and gain long-term savings over the cost of renting.

Discussion

AP-85 Other Actions - 91.420, 91.220(k)

Introduction

Actions planned to address obstacles to meeting underserved needs

Typical obstacles to meeting underserved needs include:

1. Economic factors
2. Federal housing policy
3. Fair Housing impediments
4. Insufficient affordable housing
5. Exclusionary zoning
6. Varying zoning and subdivision regulations
7. Permit fees
8. Insufficient availability of accessible housing

The County seeks to address factors #1, #4, and #8 by allocating HOME CHDO set-aside funds for special needs housing. Also, through the RAMP Program and NYS Access to Home funding, accessibility modifications such as ramps, kitchen modifications, and bathroom grab bars and fixtures will be completed in households with a physically handicapped occupant.

Actions planned to foster and maintain affordable housing

The County will expand housing opportunities for persons with disabilities. Using CDBG, HOME and NYS Access to Home funds, the Ramp Program will provide grants up to $15,000 for accessibility modifications for low-income households with a handicapped family member. Outreach will be ongoing. By providing rehabilitation grants to low-mod income residents, the County decreases the housing cost burden for these residents.

The County will continue to offer the Homeownership Program selling homes at a subsidized cost to first-time home buyers.

HUD funding is distributed annually through the County to area Community Housing Development Organizations (CHDOs) for developing senior and special needs housing within the County. This funding generally meets current CHDO's ability and demand. Additional CHDO's within the County would be welcomed and are encouraged.

The County has allocated annual funding to CNY Fair Housing each program year to implement the Education and Enforcement Project which includes education, housing counseling and advocacy, enforcement of fair housing laws, and assistance to victims of predatory lending and lending fraud. ARISE, Inc. is allocated annual funding to provide one-on-one assistance to income eligible individuals with disabilities and their families, to stabilize housing situations and maximize independence with the community. ARISE additionally advocates for increased accessible housing and educates housing

providers and the public about Fair Housing, the Americans with Disabilities Act, and the need for accessible housing.

Actions planned to reduce lead-based paint hazards

Lead based paint hazard reduction continues to be one of the main focuses of OCCD. The following actions will be taken during the next program year as part of the County's Lead Hazard Reduction Program:

1. Nine staff members' certifications as EPA-Licensed Risk Assessors will be maintained with required training as necessary. OCCD's EPA Firm License required to do lead hazard control assessment and rehab will also be maintained.

2. Risk Assessments will be completed in all pre-1978 homes.

3. The Onondaga County Health Dept.’s Lead Poisoning Control Program will conduct educational/outreach events and provide educational materials to program clients completed in conjunction with our HUD Lead Hazard Reduction Grant.

Actions planned to reduce the number of poverty-level families

Strategies to reduce the poverty level among households in Onondaga County mirror those recommended in the City of Syracuse Consolidated Plan: creating new economic opportunities and developing a variety of ways to accumulate wealth.

Several economic revitalization projects that are ongoing or expected to begin in the coming years and may include County residents as part of the labor force. While elected officials and community leaders are working to ensure that County residents will make up a substantial part of the labor force working on these projects, both during and after their completion, residents in the County living outside of the city are sure to benefit from these revitalization projects alongside and along with their City neighbors. Additionally, some municipal and residential construction projects funded with CDBG and HOME through the Con Plan and with State and local aid seek to contract 15% of overall contracted project costs to Minority and Women-Owned Businesses. Also, employment opportunities for low-income workers are created through grants awarded to Onondaga County by the NYS Affordable Housing Corporation's, Affordable Home Ownership Development Program. By subsidizing repairs to extend the useful life of low-income owner-occupied homes, this program also reduces the financial burden on homeowners thus increasing expendable income required for other household essentials.

Actions planned to develop institutional structure

Onondaga County Community Development (OCCD) is the lead agency and hub of the institutional structure responsible for developing and administering the programs covered by the Consolidated Plan.

It works closely with various government agencies and departments, town and village governments, and numerous non-profit and for-profit entities. This protocol of cooperation and communication between the many entities has served the Consortium well.

Actions planned to enhance coordination between public and private housing and social service agencies

To ensure enhanced cooperation, Onondaga County maintains cooperation agreements with each local municipality as a prerequisite to its status as an urban county and administers the Town of Clay's CDBG funds under a joint agreement. The Town of Clay and the County are a consortium for HOME grant purposes.

The County will continue to participate in the Continuum of Care. At the regular meetings, members update the community on their activities. These meetings enhance coordination of the delivery of services among health and social service agencies.

Emergency Solutions Grant (ESG)

1. Include written standards for providing ESG assistance (may include as attachment)

   Written standards for providing ESG assistance is included aa part of the ESG RFP process. OCCD's most recent RFP is found here: https://onondaga.gov/cd/wp-content/uploads/sites/246/2025/08/ESGRFPFY2025.pdf Highlights from the RFP in regard to written standards include:

   SELECTION OF PROPOSALS

   Only proposals submitted electronically by the due date...will be considered.

   Priority will be given to:

- Homeless & Housing Coalition of CNY agency members in “good standing” as defined in HHC Operational Guidelines, Article III;
- Providers located in Onondaga County;
- Projects that prevent homelessness or seek to promptly return those who are literally homeless to stable housing;
- Organizations having a history of active participation in the local HMIS;
- Projects will be required to participate in the CoC's Coordinated Entry process as defined by HUD CPD Notice 17-01 issued January 2017.

   Match funds requirements and eligible sources are discussed in detail in the RFP.

2. If the Continuum of Care has established centralized or coordinated assessment system that meets HUD requirements, describe that centralized or coordinated assessment system.

   The Housing & Homeless Coalition of CNY (CoC NY-505) has an established centralized and coordinated assessment system. HHC staff oversees and manages the Coordinated Entry system, including housing the Coordinated Entry list in HMIS.

   All projects participating in Coordinated Entry will follow the assessment and triage protocols of the CE System. The CoC has adopted the following phased approach to engage and appropriately serve persons seeking assistance through the Coordinated Entry system;

Initial Triage- This phase will focus on identifying the immediate housing crisis and clarifying that the CoC crisis response system is the appropriate system to address needs. L-DSS's in each county is responsible for this phase.

Diversion- This phase of assessment will determine if CoC resources and options could be used to avoid the participant entering the homeless system. L-DSS's in each county is responsible for this phase.

Emergency Service Intake- For those who are identified as needing emergency shelter, appropriate shelter placement is made. L-DSS's in each county are responsible for this phase.

Shelter Assessment- Emergency Service providers should attempt to determine whether a person needs housing intervention through Coordinated Entry. Development of a housing plan is made in conjunction with the person experiencing homelessness.

Comprehensive Assessment- Emergency service providers should assess using the VI-SPDAT and the Coordinated Entry Specific Data Elements in Attachment II and working with the individual or family to determine the number of months homeless. Case managers should use HMIS records, third party documentation, and up to 3 months of self-reported homeless time to document a client's time homeless. This should be completed, at most, two weeks after shelter entry, if it is the first time the individual or family has experienced homelessness. Assessments and referrals can happen immediately for anyone that is unsheltered or has been in emergency shelter within the last year. Emergency service providers should also be determining chronic homeless status and obtaining necessary paperwork.

The full plan can be found here: http://www.hhccny.org/wp-content/uploads/2021/10/Coordinated-Entry-Plan-2020-Final.pdf

3. Identify the process for making sub-awards and describe how the ESG allocation available to private nonprofit organizations (including community and faith-based organizations).

The following is from OCCD's ESG Policies & Procedures:

1) Release of Request for Proposals – Annually, OCCD shall issue a Request for Proposals for ESG funds in the first quarter of each year. The RFP shall be published online on the CD website at www.ongov.net/cd, shall be distributed via the Homeless and Housing Vulnerable Task Force list serv, and shall be announced at a regular meeting of that Task Force. Additionally, OCCD shall send the RFP via mail to all current ESG recipients. Proposals shall be due back to OCCD within an approximate one-month period. Changes to the RFP will be made as needed to incorporated changes in HUD and/or local policy.

2) Proposal Review – OCCD's Deputy Director shall review all proposals submitted for

completeness, that funds requested would be used for eligible activities, and that match requirements would be met. OCCD will prepare a summary report of proposals received to present to the Steering Committee for project selection. OCCD will prepare recommendations for the steering committee based on funding availability, proposals received, agency performance, and community needs.

3) Steering Committee Selection – The Community Development Division Steering Committee shall select projects and funding levels. OCCD will work with the steering committee to ensure that HUD funding caps on essential services and homeless prevention activities are met.

4) Notification of Selection – OCCD shall notify all agencies in writing of the outcome of project selection.

5) Proposal Modification – OCCD will ask agencies as needed to increase or decrease funding requests, and submit amended budgets, based on actual HUD ESG allocations (which may or may not be known during the RFP process), and on committee awards.

4. If the jurisdiction is unable to meet the homeless participation requirement in 24 CFR 576.405(a), the jurisdiction must specify its plan for reaching out to and consulting with homeless or formerly homeless individuals in considering policies and funding decisions regarding facilities and services funded under ESG.

All sub recipients are required to have a homeless or formerly homeless individual(s) on their advisory board and/or request and receive feedback on the program. This feedback is part of the annual monitoring tool to ensure compliance.

5. Describe performance standards for evaluating ESG.

The following is from OCCD's ESG Management & Monitoring Procedures:

Monitoring Process:

The ESG Program Administrators monitoring tool consists of specific standards for operating and managing ESG projects. The tool includes review of policies and procedures, fiscal management, and program participant records. The ESG Program Administrator will bring forth the monitoring tool to the ESG funded agencies for review. Monitoring visits will consist of onsite review and off-site review of policies, fiscal management, and program participant records. ESG funded projects should submit policies and procedures documents to the ESG Program Administrator via email. The ESG Program Administrator will schedule on site monitoring visits with each program. Programs should prepare for the ESG Program Administrator to review the annual performance report (APR), fiscal management, and program participant files during onsite monitoring visits. The ESG Program Administrator will review 5 or 10% whichever is greater, of each project's participant files.

The ESG Program Administrator will provide pre monitoring visits upon agencies request or need. During these visits, the ESG Program Administrator will discuss any significant findings with projects from the previous monitoring year. The ESG Program Administrator will notify the projects of noncompliance with program regulations. During these visits the ESG Program Administrator will determine what projects may need additional oversight. The ESG Program Administrator will work with each project on the root causes of poor performance and target actions that will improve project outcomes to prepare for the annual monitoring visit.
