

Greetings!

Welcome to the Syracuse/Onondaga County Youth Services Directory. The Syracuse/Onondaga County Youth Bureau, a division of the Onondaga County Department of Children and Family Services, created the directory over 30 years ago to provide information about the services available in Onondaga County communities to families and our partners.

This directory contains an inventory of programs currently available for children, youth, and families in Onondaga County. The services in this directory are provided in the community and are open to people who meet the program criteria. Some of the services provided in this directory may require referral. We recommend that you contact the agency for more information. Services for children/youth with emotional and/or behavioral struggles may need a referral from [ACCESS](#).

The information provided in this document is frequently updated as they arrive at the Syracuse/Onondaga County Youth Bureau. We encourage community stakeholders to provide us with information about changes in existing programs and/or new programs in Onondaga County. You may navigate this directory by either the service category table of contents or the program/agency table of contents.

The Syracuse/Onondaga County Youth Bureau reserves the right to include or remove any program, agency, and/or organization from the Youth Services Directory. The Youth Bureau does not approve or disapprove of any of the programs, agencies, and/or organizations listed in this directory. The Syracuse/Onondaga County does not guarantee accurate information or quality services from the providers in this directory.

For more information about the Department of Children and Family Services and/or the Youth Bureau: please contact us by calling 315-435-2884, emailing the youthbureau@ongov.net, and/or visiting our website at <http://www.ongov.net/cfs/>. For Runaway and Homeless Youth services, please reach out to the Onondaga County RHY Coordinator - Joe King at joeking@ongov.net and/or 315-435-2884 ext. 4293

Services to Youth: Children will learn horse care and maintenance, safety around horses, grooming, groundwork (activities that build a solid relationship between horse and human) and riding skills (if desired). In the process of learning these skills and activities, children will work with an NSCA Certified Personal Trainer, a Licensed MSW, an Equine Assisted Growth and Learning Specialist, and a PATH Intl. Certified Therapeutic Riding Instructor. In addition, children will benefit from the skills mentioned above in the relationship description.

Program Description: Horses 4 Health is a multi-faceted program that supports children physically, emotionally, behaviorally, and relationally. We operate after school and summer camp programs. The 4 components of the programs include the following. Rebounding/aerobic exercise on a mini-trampoline. Research shows this is the best exercise as it works every cell in the body against gravity with no impact. Resistance (developing strength through calisthenics, no added weight). Relationship between human and horse, students will learn and experience empathy, communication, both verbal and nonverbal, safety, boundaries, trust, patience, teamwork, resilience, confidence, and self-esteem. Lastly, riding, which is not mandatory and must have medical permission to participate.

Ages Served: 8-10 years

Hours: After school Wednesday-Friday 2:30-5:30pm, Summer camp 10:00am-3:00pm.

Fee: We will offer scholarships on a need-based, first come, first served basis. Income statement will be required. Our regular fees are \$150/week for after school and \$110/week for summer camp.

ACCESS/ACCESS Crisis Team

[Back to Table of Contents](#)

Website: <http://www.ongov.net/mentalhealth/Access.html>

315-463-1100 Phone

Hours: phone line is staffed 24 hours a day

Program Description: ACCESS is the engagement, assessment, planning and referral process for children/youth with emotional and behavioral challenges and their families. The process is family-driven, youth-guided and grounded in the belief that families are experts regarding their children. ACCESS is a cross-systems team with staff from Child Welfare, Juvenile Justice, Mental Health and Family Care Planners. A dedicated 24/7 phone line (see above) allows family members to call and be connected with appropriate services from the start. The process is family-initiated and creates one point of entry/access with the team responding to meet the youth/family's need(s).

The ACCESS Crisis Team will respond to calls from families with safety/urgency concerns that warrant an "eyes-on" response within 48 hours. The Crisis Team will also respond to calls from concerned 3rd parties who are requesting on-site assistance (e.g., home, school, etc.). However, please note that the Crisis Team is not structured or staffed to be able to respond to emergency situations. These are best handled by calling "911" and having trained "first responders" manage the emergency. The ACCESS Crisis Team is usually able to respond within a 24-48-hour timeframe.

Ages Served: Children / Youth ages 5 - 21.

11:00am; 12:45pm-3:30pm, Fridays 8:30am-11:00am

Program Description: The Sexual Wellness Center provides FREE and confidential STI testing and treatment. Get peace of mind. Get checked. Even if you don't have symptoms, you could have a sexually transmitted infection (STI). So get an STI check-up. There are many options for STI testing. Some people choose to go to their doctor while others prefer to go to community clinics. Our staff are available to help you locate and privately contact your partners who may have recently been exposed to an STI.
