

**ONONDAGA COUNTY  
OFFICE OF DIVERSITY  
AND INCLUSION**

## **ONONDAGA COUNTY ONE STOP PROGRAM**

**Our program is designed to identify, create, and implement business solutions for Minority Business Enterprises (MBEs) and Women's Business Enterprises (WBEs) in the construction and professional services industries.**

**Our goals include assessing a firm's capacity, financial experience, and overall internal business functions. We provide guidance for businesses from startup stages to bidding processes and project completion.**

**Additionally, the One Stop offers workshops on blueprint reading, scheduling, estimating, safety, and industry standards. We also provide business and professional development services, including accounting, marketing, and business formation.**

**We assist firms in obtaining MWBE, DBE, SBA, and 8(a) certifications and offer wrap-around services to help businesses acquire insurance, bonding, and access to capital. Furthermore, we provide NYS Notary services.**

**We Can Assist You. Contact Us Today.**
