

# **PRESS RELEASE**

## **ONONDAGA COUNTY DEPARTMENT OF TRANSPORTATION TO BEGIN**

### **BISHOP HILL ROAD BRIDGE PROJECT**

The Onondaga County Department of Transportation will conduct a complete replacement of the bridge on Bishop Hill Road over Tributary to Nine Mile Creek in the Town of Marcellus. The bridge is located on Bishop Hill Road between Lee Mulroy Road and Lawrence Road.

Contract forces will be setting up a work zone beginning Monday, August 3, 2020. An offsite detour route will be utilized. Motorists are asked to follow the marked detour during the closure.

As with any highway project, the Onondaga County Department of Transportation encourages motorists to plan ahead for potential delays and to consider alternate routes, if possible. We respectfully ask the traveling public to please reduce speeds in work zones, use caution, and be mindful of construction workers and equipment.

This project is expected to be completed by the end of the 2020 construction season.
