**ONONDAGA COUNTY DEPARTMENT OF TRANSPORTATION TO BEGIN
SOUTH STREET (APULIA RD) CULVERT PROJECT**

The Onondaga County Department of Transportation will conduct a complete replacement of the culvert on South Street (Apulia Road), over Rush Creek in the Town of DeWitt. The culvert is located on South Street between NYS Route 173 and Bamerick Road.

Contract forces will be setting up a work zone beginning July 9, 2020. An offsite detour route will be utilized. Motorists are asked to follow the marked detour during the closure.

As with any highway project, the Onondaga County Department of Transportation encourages motorists to plan ahead for potential delays and to consider alternate routes, if possible. We respectfully ask the traveling public to please reduce speeds in work zones, use caution, and be mindful of construction workers and equipment.

This project is expected to be completed by the end of the 2020 construction season.

Questions regarding this project may be forwarded to Patty Jeschke, Project Coordinator, by call (315)435-3205.
