**ONONDAGA COUNTY DEPARTMENT OF TRANSPORTATION TO BEGIN
NORTH KIRKVILLE ROAD CULVERT PROJECT**

The Onondaga County Department of Transportation will conduct a rehabilitation of the culvert on North Kirkville Road over the Chittenango Creek overflow in the Town of Manlius. The culvert is located on North Kirkville Road between Kirkville Road and Fyler Road.

County forces will be setting up a work zone beginning Monday, September 26, 2022. An offsite detour route will be utilized. Motorists are asked to follow the marked detour during the closure.

As with any highway project, the Onondaga County Department of Transportation encourages motorists to plan ahead for potential delays and to consider alternate routes, if possible. We respectfully remind the public to obey the reduced speed limit through the work zone, use caution, and be mindful of construction workers and equipment.

This project is expected to be completed by the end of the 2022 construction season.

Questions regarding this project may be forwarded to Patty Jeschke, Project Coordinator, by call (315)435-3205.
