

ONONDAGA COUNTY BOARD OF ELECTIONS

AGREEMENT OF VOTE BY MAIL BALLOT DISTRIBUTION

COMMISSIONERS DUSTIN M. CZARNY and KEVIN P. RYAN

Tuesday, September 22, 2026

It is the policy of the Onondaga County Board of Elections that:

- All Vote by Mail ballots are mailed if time is allowed.
- Any person or agent designated on a Vote by Mail application to pick up Vote by Mail ballots for another individual will be granted ten (10) Vote by Mail ballots per Election. If a person or agent wishes to drop off more than five (5) such applications at a time, there will be a two (2) business day hold on the issuing of the ballots to allow for the BOE to process the applications as well as notify the recipient by mail and phone that a ballot is being issued in their name. Exceptions can be made for facilities, approved on a case-by-case basis by bipartisan commissioners.
- Vote by Mail applications/ballots will not be given out together more than one (1) week before a Primary or General Election.
- Ballots will be delivered to the post office by commissioners, deputy commissioners or designees of the commissioners.
- Ballots Requested on Election Day can only be issued by court order.
- Any voter who has requested an agent to pick up their ballot can only do so for the current election. If an application is received with an agent designated for a future election, their ballot will be mailed to them unless a new application is filled out.
- Any agent designated by a voter to obtain a ballot on behalf of a voter, shall be required to provide photo ID in order to receive a ballot from the Board of Elections.
