MEMORIALIZING RESOLUTION CELEBRATING BLACK HISTORY AND CONDEMNING RACISM IN OUR HISTORY

WHEREAS, this 1st day of February 2022 marks the beginning of Black History Month, a month long observance to celebrate and acknowledge Black history and achievement, and provide a fresh reminder to take stock of where racism persists and give visibility to the people and the organizations making great efforts to create racial equality; and

WHEREAS, Onondaga County was established in 1794 and was governed by the Onondaga County Board of Supervisors, predecessor's to the Onondaga County Legislature; and

WHEREAS, in December of 1795, during the time of slavery, the Board of Supervisors met in Scipio, New York, which at the time was part of Onondaga County, for the purpose of recommending tax assessments and placing recommended values on "property" which included chattel slavery. The Board set a value for "Negro men ... £50 per head" and "Negro wench ... £30 per head." This shameful era of our history both justified and legalized this race based dehumanizing act, until slavery was abolished by the 13<sup>th</sup> Amendment to the U.S. Constitution on December 18, 1865;

WHEREAS, despite abolishing slavery, our country continues to struggle with the traumatic effects of racism in our society. Racism is the institutionalization of discriminatory acts that seek to marginalize and oppress individuals based on their race. Systemic racism is pervasive and embedded racism, within the core of our major institutions that exemplify racial disparities in our community; and

WHEREAS, by acknowledging our history of slavery and its racist ideology, this Legislature can continue to take action in oppressed communities and be the force that creates new positive ways towards the direction of racial justice; now, therefore be it

RESOLVED, that the Onondaga County Legislature condemns and repudiates the actions of the Board of Supervisors in 1795; and, be it further

Re: Proposed Legislation

Dear Chair Rowley:

As you are aware, Onondaga County has been on the frontline in responding to the needs of this community during the COVID-19 public health crisis.

In support of the pandemic response, Resolution No. 157-2020 adopted by the County Legislature on December 3, 2020, contained language in its 11th Resolved clause read as providing the County Executive with authority to appropriate certain funds without obtaining additional specific authorization from the County Legislature, subject to the approval process set forth in the Resolution.

The purpose of this provision was to facilitate the County's response to the public health crisis posed by the COVID pandemic and provide the Administration with the flexibility to meet the uncertainties and needs confronting the County in responding to and recovering from the pandemic.

As you are aware, the County has used these funds to establish the Veteran's Initiative program, offer needed Mental Health services to all schools in the county, supply Broadband services to areas desperately in need, provide for a new Catholic Charities Shelter for men, expand County Neighborhood Initiatives, make needed improvements to our Roads and Bridges, update critical Infrastructure and Maintenance equipment for highways and parks, and fund important Workforce Development initiatives. These projects play a significant role in the County's pandemic response and recovery.

On August 3, 2021, the County Legislature by Resolution No. 81-2021, amended Resolution No. 157-2020 to "strike the 11th Resolved Clause effective immediately". The County Attorney interpreted Resolution No. 81-2021 to not be retroactive.

You and other members of the County Legislature have questioned whether Resolution No. 157-2020 is consistent with County Charter provisions regarding "the separation of County Legislative and Executive functions."

While Resolution No. 157-2020 was part of a joint effort by which the County Administration and the County Legislature have been meeting the public health crisis in all its dimensions, I recognize your concern that our cooperative actions should comport with County Charter principles of separation of powers, and at all times legal precedent is important in maintaining the balance of powers established within the County Charter and Code.

In the spirit of that cooperation and to expressly address your concerns regarding the significance and potential implications for section 607 of the County Charter, I am forwarding for the County Legislature's consideration a proposed resolution regarding the appropriation of revenues made pursuant to Resolution No. 157-2020.

Sincerely,  
J. RYAN McMAHON, II  
Onondaga County Executive

BE IT RESOLVED, by the affirmative vote of not less than two-thirds of the total voting strength of the County Legislature of the County of Onondaga, New York, as follows:

Section 1. Improvements to the Army Reserve Center required for its use as an Emergency Operations Center, including incidental costs in connection therewith, are hereby authorized at an estimated maximum cost of \$1,100,000.

Section 2. The plan for the financing thereof is by the issuance of \$1,100,000 bonds of said County, hereby authorized to be issued therefor pursuant to the provisions of the Local Finance Law.

Section 3. It is hereby determined that the period of probable usefulness of the aforesaid specific object or purpose is twenty-five years pursuant to subdivision 12(a)(1) of paragraph a of Section 11.00 of the Local Finance Law.

To the extent not available from other sources, there shall annually be levied on all the taxable real property

of said County a tax sufficient to pay the principal of and interest on such bonds as the same become due and payable.

Section 5. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell bond anticipation notes in anticipation of the issuance and sale of the bonds herein authorized, including renewals of such notes, is hereby delegated to the Chief Fiscal Officer of such County. For the object or purpose of refunding the outstanding callable principal balance of the Refunded Bonds as more fully set forth in the Refunding Financial Plan (hereinafter defined), including providing moneys which, together with the interest earned from the investment of certain of the proceeds of the refunding bonds herein authorized, shall be sufficient to pay (i) the principal amount of such Refunded Bonds, (ii) the aggregate amount of unmatured interest payable on such Refunded Bonds to and including the date on which the Refunded Bonds which are callable are to be called prior to their respective maturities in accordance with the refunding financial plan, as hereinafter defined, (iii) the costs and expenses incidental to the issuance of the refunding bonds herein authorized, including the development of the refunding financial plan, as hereinafter defined, costs and expenses of executing and performing the terms and conditions of the escrow contract or contracts, as hereinafter defined, and fees and charges of the escrow holder or holders, as hereinafter mentioned, (iv) the premium or premiums for a policy or policies of municipal bond insurance or cost or costs of other credit enhancement facility or facilities, for the refunding bonds herein authorized, or any portion thereof, there are hereby authorized to be issued not exceeding \$19,000,000 refunding serial bonds of the County pursuant to the provisions of Section 90.10 of the Local Finance Law (the "Refunding Bonds"), it being anticipated that the amount of Refunding Bonds actually to be issued will be approximately \$15,985,000, as provided in Section 4 hereof. The Refunding Bonds shall each be designated substantially "PUBLIC IMPROVEMENT REFUNDING (SERIAL) BOND" together with such series designation and year as is appropriate on the date of sale thereof, shall be of the denomination of \$5,000 or any integral multiple thereof (except for any odd denominations, if necessary) not exceeding the principal amount of each respective maturity, shall be numbered with the prefix "R" followed by a dash and then from 1 upward, shall be dated on such dates, and shall mature annually on such dates in such years, bearing interest semi-annually on such dates, at the rate or rates of interest per annum, as may be necessary to sell the same, all as shall be determined by the Chief Fiscal Officer pursuant to Section 4 hereof. It is hereby further determined that (a) such Refunding Bonds may be issued in series, (b) such Refunding Bonds may be sold at a discount in the manner authorized by paragraph a of Section 57.00 of the Local Finance Law pursuant to subdivision 2 of paragraph f of Section 90.10 of the Local Finance Law, and (c) such Refunding Bonds may be issued as a single consolidated issue. It is hereby further determined that such Refunding Bonds may be issued to refund all, or any portion of, the Refunded Bonds, subject to approval by the State Comptroller.

Section 2. The Refunding Bonds may be subject to redemption prior to maturity upon such terms as the Chief Fiscal Officer shall prescribe, which terms shall be in compliance with the requirements of Section 53.00 (b) of the Local Finance Law. If less than all of the Refunding Bonds of any maturity are to be redeemed, the particular refunding bonds of such maturity to be redeemed shall be selected by the County by lot in any customary manner of selection as determined by the Chief Fiscal Officer. In the event that either DTC shall discontinue the Book-Entry-Only system or the County shall terminate its participation in such Book-Entry-Only system, such bonds shall thereafter be issued in certificated form of the denomination of \$5,000 each or any integral multiple thereof (except for any odd denominations, if necessary) not exceeding the principal amount

Principal shall only be payable upon surrender of bonds at the principal corporate trust office of a bank or trust company or banks or trust companies located or authorized to do business in the State of New York, as shall hereafter be designated by the Chief Fiscal Officer as fiscal agent of the County for the Refunding Bonds (collectively the "Fiscal Agent").

Principal and interest on the Refunding Bonds will be payable in lawful money of the United States of America.

The Chief Fiscal Officer is hereby authorized to enter into an agreement or agreements containing such terms and conditions as he shall deem proper with the Fiscal Agent, for the purpose of having such bank or trust company or banks or trust companies act, in connection with the Refunding Bonds, as the Fiscal Agent for said County, to perform the services described in Section 70.00 of the Local Finance Law, and to execute such agreement or agreements on behalf of the County, regardless of whether the Refunding Bonds are initially issued in certificated or non-certificated form.

The Chief Fiscal Officer is hereby further delegated all powers of this County Legislature with respect to agreements for credit enhancement, derived from and pursuant to Section 168.00 of the Local Finance Law, for said Refunding Bonds, including, but not limited to the determination of the provider of such credit enhancement facility or facilities and the terms and contents of any agreement or agreements related thereto.

The Refunding Bonds shall be executed in the name of the County by the manual signature of the Chief Fiscal Officer, and its corporate seal shall be imprinted thereon. The Refunding Bonds shall contain the recital required by subdivision 4 of paragraph j of Section 90.10 of the Local Finance Law and the recital of validity clause provided for in Section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals, in addition to those required by Section 51.00 of the Local Finance Law, as the Chief Fiscal Officer shall determine. It is hereby determined that it is to the financial advantage of the County not to impose and collect from registered owners of the Refunding Bonds any charges for mailing, shipping and insuring bonds transferred or exchanged by the Fiscal Agent, and, accordingly, pursuant to paragraph c of Section 70.00 of the Local Finance Law, no such charges shall be so collected by the Fiscal Agent.

Section 3. It is hereby determined that:

- (a) the maximum amount of the Refunding Bonds authorized to be issued pursuant to this resolution does not exceed the limitation imposed by subdivision 1 of paragraph b of Section 90.10 of the Local Finance Law;
- (b) the maximum period of probable usefulness permitted by law at the time of the issuance of the Refunded Bonds for each object or purpose for which such Refunded Bonds were issued is as specified in the 2012 Bond Certificate and the 2014 Bond Certificate which are incorporated herein by reference;

- (c) the last installment of the Refunding Bonds will mature not later than the expiration of the respective period of probable usefulness of the objects or purposes for which said Refunded Bonds were issued in accordance with the provisions of subdivision 1 of paragraph c of Section 90.10 of the Local Finance Law.
- (d) the estimated present value of the total debt service savings anticipated as a result of the issuance of the Refunding Bonds, computed in accordance with the provisions of subdivision 2 of paragraph b of Section 90.10 of the Local Finance Law, with regard to the Refunded Bonds is as shown in the Refunding Financial Plan described in Section 4 hereof.

Section 4. The financial plan for the refunding authorized by this resolution (the "Refunding Financial Plan"), showing the sources and amounts of all moneys required to accomplish such refunding, the estimated present value of the total debt service savings and the basis for the computation of the aforesaid estimated present value of total debt service savings, are set forth in Exhibit A attached hereto and made a part of this resolution. The Refunding Financial Plan has been prepared based upon the assumption that the Refunding Bonds will be issued in one series, and that the Refunding Bonds will mature, be of such terms, and bear interest as set forth on Exhibit A attached hereto and made a part of this resolution. This County Legislature recognizes that the Refunding Bonds, maturities, terms, and interest rate or rates borne by the Refunding Bonds to be issued by the County will most probably be different from such assumptions and that the Refunding Financial Plan will also most probably be different from that attached hereto as Exhibit A. The Chief Fiscal Officer is hereby authorized and directed to determine the amount of the Refunding Bonds to be issued, the date or dates of such bonds and the date or dates of issue, maturities and terms thereof, the provisions relating to the redemption of Refunding Bonds prior to maturity, whether the Refunding Bonds will be insured by a policy or policies of municipal bond insurance or otherwise enhanced by a credit enhancement facility or facilities, whether the Refunding Bonds shall be sold at a discount in the manner authorized by paragraph e of Section 57.00 of the Local Finance Law, and the rate or rates of interest to be borne thereby, whether the Refunding Bonds shall be issued having substantially level or declining annual debt service and all matters related thereto, and to prepare, or cause to be provided, a final Refunding Financial Plan for the Refunding Bonds and all powers in connection therewith are hereby delegated to the Chief Fiscal Officer; provided, that the terms of the Refunding Bonds to be issued, including the rate or rates of interest borne thereby, shall comply with the requirements of Section 90.10 of the Local Finance Law. The Chief Fiscal Officer shall file a copy of his certificate determining the details of the Refunding Bonds and the final Refunding Financial Plan with the Clerk of the County Legislature not later than ten (10) days after the delivery of the Refunding Bonds, as herein provided.

Section 5. The Chief Fiscal Officer is hereby authorized to enter into an escrow contract or contracts (collectively the "Escrow Contract") with a bank or trust company, or with banks or trust companies, located and authorized to do business in this State as said Chief Fiscal Officer shall designate (collectively the "Escrow Holder") for the purpose of having the Escrow Holder act, in connection with the Refunding Bonds, as the escrow holder to perform the services described in Section 90.10 of the Local Finance Law.

Section 6. The faith and credit of said County of Onondaga, New York, are hereby irrevocably pledged to the payment of the principal of and interest on the Refunding Bonds as the same become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such bonds becoming due and payable in such year. There shall be annually levied on all the taxable real property in said County a tax sufficient to pay the principal of and interest on such Refunding Bonds as the same become due and payable.

Section 7. All of the proceeds from the sale of the Refunding Bonds, including the premium, if any, but excluding accrued interest thereon, shall immediately upon receipt thereof be placed in escrow with the Escrow Holder for the Refunded Bonds. Accrued interest on the Refunding Bonds shall be paid to the County to be expended to pay interest on the Refunding Bonds. Such proceeds as are deposited in the escrow deposit fund to be created and established pursuant to the Escrow Contract, whether in the form of cash or investments, or both, inclusive of any interest earned from the investment thereof, shall be irrevocably committed and pledged to the payment of the principal of and interest on the Refunded Bonds in accordance with Section 90.10 of the Local Finance Law, and the holders, from time to time, of the Refunded Bonds shall have a lien upon such moneys held by the Escrow Holder. Such pledge and lien shall become valid and binding upon the issuance of the Refunding Bonds and the moneys and investments held by the Escrow Holder for the Refunded Bonds in the escrow deposit fund shall immediately be subject thereto without any further act. Such pledge and lien shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the County irrespective of whether such parties have notice thereof.

Section 8. Notwithstanding any other provision of this resolution, so long as any of the Refunding Bonds shall be outstanding, the County shall not use, or permit the use of, any proceeds from the sale of the Refunding Bonds in any manner which would cause the Refunding Bonds to be an "arbitrage bond" as defined in Section 148 of the Internal Revenue Code of 1986, as amended, and, to the extent applicable, the Regulations promulgated by the United States Treasury Department thereunder.

Section 9. In accordance with the provisions of Section 53.00 and of paragraph h of Section 90.10 of the Local Finance Law, in the event such bonds are refunded, the County hereby elects to call in and redeem each Refunded Bond which the Chief Fiscal Officer shall determine to be refunded at the earliest call date available. The sum to be paid therefor on such redemption date shall be the par value thereof plus the redemption premium, if any, as provided in the Refunded Bond Certificate, and the accrued interest to such redemption date. The Escrow Agent for the Refunding Bonds is hereby authorized and directed to cause notice of such call for redemption to be given in the name of the County in the manner and within the times provided in the Refunded Bond Certificate. Such notice of redemption shall be in substantially the form attached to the Escrow Contract. Upon the issuance of the Refunding Bonds, the election to call in and redeem the callable Refunded Bonds and the direction to the Escrow Agent to cause notice thereof to be given as provided in this paragraph shall become irrevocable, provided that this paragraph may be amended from time to time as may be necessary in order to comply with the publication requirements of paragraph a of Section 53.00 of the Local Finance Law, or any successor law thereto.

Section 10. The Chief Fiscal Officer and all other officers, employees and agents of the County are hereby authorized and directed for and on behalf of the County to execute and deliver all certificates and other documents, perform all acts and do all things required or contemplated to be executed, performed or done by this resolution or any document or agreement approved hereby.

Section 11. All other matters pertaining to the terms and issuance of the Refunding Bonds shall be determined by the Chief Fiscal Officer and all powers in connection thereof are hereby delegated to the Chief Fiscal Officer.

Section 12. The validity of the Refunding Bonds may be contested only if:

1. Such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or
2. The provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with and an action, suit or proceeding

contesting such validity is commenced within twenty days after the date of such publication, or

3. Such obligations are authorized in violation of the provisions of the Constitution.

Section 13. A summary of this resolution, which takes effect immediately, shall be published in the official newspaper of said County, together with a notice of the Clerk of the Legislature in substantially the form provided in Section 81.00 of the Local Finance Law.

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF ONONDAGA, AS FOLLOWS:

Section 1. Findings.

The ballot box is the ultimate expression of the will of the people concerning elected officials. By extending the term of office for county legislators from two to four years, elected representatives may focus attention on the needs of their constituents and county governance, consistent with the terms of office of other elected officials of Onondaga County. Term limits, in turn, foster balanced interests and encourage new individuals with new ideas to seek elective office.

Section 2. Amendments.

(a) Term Lengths:

Section 202 of the Onondaga County Charter, entitled COUNTY LEGISLATORS; QUALIFICATIONS; TERM, is hereby amended such that the following language shall be added at the end of the third paragraph thereof:

Section 2.01 of the Onondaga County Administrative Code is hereby amended to delete from the fourth paragraph thereof the following language: "for a term of two years commencing the first day of January next following election," and to substitute therefor the following language:", subject to the conditions and for the term prescribed in Section 202 of the Charter."

Section 203 of the Onondaga County Charter, entitled ORGANIZATION; OFFICERS; COMMITTEES, is hereby amended to add the following seventh and final paragraph:

Provided, however, that commencing January 1, 2026, said organizational meeting shall be held every fourth year.

Section 2.07 of the Onondaga County Administrative Code is hereby amended to add the following second and final paragraph:

Provided, however, that commencing January 1, 2026, said organizational meeting shall be held every fourth year.

Section 2.09 of the Onondaga County Administrative Code is hereby amended to add the following second and final paragraph:

Provided, however, commencing January 1, 2026, the Chairperson of the County Legislature shall serve for a term of four years, or until a successor shall be elected.

(b) Term Limits:

Section 202 of the Onondaga County Charter is hereby further amended to add a new fourth paragraph thereto, as follows:

Notwithstanding any provision to the contrary in this Charter or Administrative Code, no person shall be eligible to be elected to or serve as a member of the County Legislature for more than three (3) consecutive four-year terms. Years served prior to January 1, 2026 shall not be counted in calculating the number of consecutive terms a county legislator has served. Service for a partial term as a county legislator shall not be counted in calculating the three consecutive four-year terms.

Section 301 of the Onondaga County Charter, entitled THE COUNTY EXECUTIVE; ELECTION; TERM; QUALIFICATIONS, is hereby amended to add a new third paragraph thereto, as follows:

Notwithstanding any provision to the contrary in this Charter or Administrative Code, no person shall serve as County Executive for more than three (3) consecutive four-year terms. Years served prior to January 1, 2024 shall not be counted in calculating the number of consecutive terms a county executive has served. Service for a partial term as a county executive shall not be counted in calculating the three consecutive four-year terms.

Section 501 of the Onondaga County Charter, entitled DEPARTMENT OF AUDIT AND CONTROL; COMPTROLLER; ELECTION; AUDITOR'S ACT REPEALED, is hereby amended to add a new second paragraph thereto, as follow:

Notwithstanding any provision to the contrary in this Charter or Administrative Code, no person shall serve as county comptroller for more than three (3) consecutive four-year terms. Section 5.01 of the Onondaga County Administrative Code is hereby amended to add to the end of the first sentence thereof: “, subject to the conditions and for the term prescribed in Section 501 of the Charter”.

Section 3. Severability.

If any clause, sentence, paragraph, section or part of this local law shall be adjudged by a court of competent jurisdiction to be invalid, the judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, section or part thereof directly involved in the controversy in which the judgment shall have been rendered.

Section 4. Effective Date.

This Local Law shall be submitted to the electors of Onondaga County at the next general election occurring in November 2022, and shall take effect immediately upon approval of the electors of Onondaga County pursuant to the provisions of the Municipal Home Rule Law.

Section 1. Various bridge improvement projects, including retaining walls and approaches thereto, as well as incidental costs, are hereby authorized in and for the County of Onondaga, New York, at a maximum estimated cost of \$1,300,000.

Section 2. The plan for the financing thereof is by the issuance of \$1,300,000 bonds of said County, hereby authorized to be issued therefor pursuant to the provisions of the Local Finance Law.

Section 3. It is hereby determined that the period of probable usefulness of the aforesaid class of objects or purposes is twenty years pursuant to subdivision 10 of paragraph a of Section 11.00 of the Local Finance Law.

Dear Ms. Rooney,

I am writing to commend one of your Onondaga County employees, Ms. Anne-Marie Mancilla, Veteran Services Director. Ms. Mancilla has been unrelenting in her efforts to help me with my application for VA Disability Benefits. This has been time consuming; but, she was always ready with a different appeal and her amazing energy at every VA administrative roadblock. Since my experience with her talents, I have referred several Veterans, known from various Veteran Groups, to her services. I have also found out that other counties are not so blessed as we are in our County.

I wanted to thank you for Managing such a useful group and Ms. Mancilla in particular.

Many thanks.

Subject: Syracuse Common Council Ordinance No. 287-2022

Dear Ms. McNamara:

Enclosed please find a certified copy of Special Ordinance No. 287-2022, adopted by a unanimous vote of the Syracuse Common Council on Monday, May 23, 2022 and signed by the Mayor on May 26, 2022.

This legislation authorized the Mayor, on behalf of the City of Syracuse, to opt out of the recently imposed Onondaga County gas tax cap, to allow the City to be compensated for any negative financial impact that the County's gas tax cap may have on the City sales tax revenue. Under the opt-out provisions, City residents will still benefit from the County's cap but the City itself may be made whole on revenue loss.

If you have any questions please do not hesitate to contact me.

Sincerely,  
PATRICIA K. McBRIDE  
City Clerk

A LOCAL LAW REGARDING VIDEOCONFERENCING BY ONONDAGA COUNTY PUBLIC BODIES PURSUANT TO NEW YORK STATE OPEN MEETINGS LAW

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF ONONDAGA, AS FOLLOWS:

Section 1. Findings and Authorization. The New York State Open Meetings Law has been amended to authorize the expanded use of videoconferencing by public bodies to conduct meetings, under extraordinary circumstances, using remote access technology consistent with state law. A public hearing having been held, this Onondaga Legislature hereby authorizes all public bodies of the County of Onondaga, including the Onondaga County Legislature, its standing committee, special committee, sub-committee, organizational, regular session, and special session meetings, and County offices, agencies, departments and other units of County government, (“Onondaga County public body(ies)”) the use of videoconferencing to conduct their meetings pursuant to the requirements of New York State Public Officers Law Section 103-a, also referred to herein as New York State Open Meetings Law.

Section 2. Quorum Requirements. The use of videoconferencing to conduct meetings of Onondaga County public bodies is authorized only where a minimum number of members are present to fulfill any applicable quorum requirement in the same physical location or locations where the public can attend.

Section 3. Procedures. The procedures governing member and public attendance shall be as provided for within this local law and New York State Public Officers Law Section 103-a. This local

law, including such procedures, shall be conspicuously posted on the official website of this Onondaga County Legislature.

Members shall be physically present at any such meeting unless such member is unable to be physically present at any such meeting location due to extraordinary circumstances, as set forth in this local law. "Extraordinary Circumstances" shall include disability, illness, caregiving responsibilities, or any other significant or unexpected factor or event which precludes the member's physical attendance at such meeting. "Extraordinary Circumstances" shall not include travel, for business or otherwise, unless such travel is due to disability, illness, caregiving responsibilities or similar significant or unexpected factor or event which precludes the member's physical attendance at such meeting. The chairperson or leadership of any Onondaga County public body shall retain discretion over permitted extraordinary circumstances for such public body. Members shall provide notice of their inability to be physically present at a meeting to the chairperson or leadership of the Onondaga County public body at least twenty-four (24) hours prior to the meeting or as soon as reasonably able.

Except in the case of executive sessions conducted pursuant to New York State Public Officers Law Section 105, all Onondaga County public bodies shall ensure that their members can be heard, seen and identified, while a meeting is being conducted, including but not limited to any motions, proposals, resolutions, and any other matter formally discussed or voted upon. The minutes of meetings involving videoconferencing shall include which, if any, members participated remotely and shall be available to the public pursuant to New York State Public Officers Law Section 106.

Where videoconferencing is used to conduct a meeting, the public notice for the meeting shall inform the public that videoconferencing will be used, where the public can view and/or participate in such meeting, where required documents and records will be posted or available, and identify the physical location for the meeting where the public can attend. Each meeting conducted using videoconferencing shall be recorded and such recordings posted or linked on the official public website of the Onondaga County public body within five (5) business days following the meeting, and shall remain so available for a minimum of five (5) years thereafter. Such recordings shall be transcribed upon request. Where videoconferencing is used to conduct a meeting, members of the public shall have the opportunity to view such meeting via video, and to participate in proceedings via videoconference in real time where public comment or participation is authorized, and videoconferencing shall ensure the same public participation or testimony as in-person participation or testimony.

As provided for within Open Meetings Law Section 103-a, the in-person participation requirements for members set forth in this local law shall not apply during a state disaster emergency declared by the governor or a local state of emergency proclaimed by the Onondaga County Executive where circumstances necessitating the emergency declaration would affect or impair the ability of an Onondaga County public body to hold an in-person meeting.

Open meetings that are broadcast or that use videoconferencing shall utilize technology to permit access by members of the public with disabilities consistent with the 1990 Americans with Disabilities Act (ADA), as amended, and corresponding guidelines. For the purposes of this section, "disability" shall have the meaning defined in New York State Executive Law Section 292.

Section 4. Effective Date and Expiration Date. As provided for within state law, this local law shall expire July 1, 2024. #### Section 13. Condition Assessments of Parking Garages.

(A) Definitions. For the purposes of this section:

(1) The term “condition assessment” means an on-site inspection and evaluation of a parking garage for evidence of deterioration of any structural element or building component of such parking garage, evidence of the existence of any unsafe condition in such parking garage, and evidence indicating that such parking garage is an unsafe structure;

(2) The term “deterioration” means the weakening, disintegration, corrosion, rust, or decay of any structural element or building component, or any other loss of effectiveness of a structural element or building component;

(3) The term “parking garage” means any building or structure, or part thereof, in which all or any part of any structural level or levels is used for parking or storage of motor vehicles, excluding:

(I) Buildings in which the only level used for parking or storage of motor vehicles is on grade;

(II) An attached or accessory structure providing parking exclusively for a detached one- or two-family dwelling; and

(III) A townhouse unit with attached parking exclusively for such unit;

(4) The term “professional engineer” means an individual who is licensed or otherwise authorized under Article 145 of the Education Law to practice the profession of engineering in the State of New York and who has at least three years of experience performing structural evaluations;

(5) The term “responsible professional engineer” means the professional engineer who performs a condition assessment, or under whose supervision a condition assessment is performed, and who seals and signs the condition assessment report. The use of the term “responsible professional engineer” shall not be construed as limiting the professional responsibility or liability of any professional engineer, or of any other licensed professional, who participates in the preparation of a condition assessment without being the responsible professional engineer for such condition assessment;

(6) The term “unsafe condition” includes the conditions identified as “unsafe” in sections 304.1.1, 305.1.1, and 306.1.1 of the PMCNYS; and

(7) The term “unsafe structure” means a structure that is so damaged, decayed, dilapidated, or structurally unsafe, or is of such faulty construction or unstable foundation, that partial or complete collapse is possible.

(B) Condition Assessments – general requirements. The owner or operator of each parking garage shall cause such parking garage to undergo an initial condition assessment as described in subdivision (C) of this section, periodic condition assessments as described in subdivision (D) of this section, and such additional condition assessments as may be required under subdivision (E) of this section. Each condition assessment shall be conducted by or under the direct supervision of a professional engineer. A written report of each condition assessment shall be prepared, and provided to the County of Onondaga, in accordance with the requirements of subdivision (F) of this section. Before performing a condition assessment (other than the initial condition assessment) of a parking garage, the responsible professional engineer for such condition assessment shall review all available previous condition assessment reports for such parking garage.

(C) Initial Condition Assessment. Each parking garage shall undergo an initial condition assessment as follows:

(1) Parking garages constructed on or after August 29, 2018, shall undergo an initial condition assessment following construction and prior to a Certificate of Occupancy and/or Certificate of Compliance being issued for the structure.

(2) Parking garages constructed prior to August 29, 2018, shall undergo an initial condition assessment as follows:

(I) if originally constructed prior to January 1, 1984, then prior to October 1, 2019;

(III) If originally constructed between January 1, 2003 and August 28, 2018, then prior to October 1, 2021.

(3) Any parking garage constructed prior to the effective date of the local law enacting this provision that has not undergone an initial condition assessment prior to that effective date shall undergo an initial condition assessment prior to six (6) months after the effective date of this local law.

(D) Periodic Condition Assessments. Following the initial condition assessment of a parking garage, such parking garage shall undergo periodic condition assessments at intervals not to exceed three (3) years.

(E) Additional Condition Assessments.

(1) If the latest condition assessment report for a parking garage includes a recommendation by the responsible professional engineer that an additional condition assessment of such parking garage, or any portion of such parking garage, be performed before the date by which the next periodic condition assessment would be required under subdivision (C) of this section, the owner or operator of such parking garage shall cause such parking garage (or, if applicable, the portion of such parking garage identified by the responsible professional engineer) to undergo an additional condition assessment no later than the date recommended in such condition assessment report.

(2) If the County of Onondaga becomes aware of any new or increased deterioration which, in the judgment of the County of Onondaga, indicates that an additional condition assessment of the entire parking garage, or of the portion of the parking garage affected by such new or increased deterioration, should be performed before the date by which the next periodic condition assessment would be required under subdivision (C) of this section, the owner or operator of such parking garage shall cause such parking garage (or, if applicable, the portion of the parking garage affected by such new or increased deterioration) to undergo an additional condition assessment no later than the date determined by the County of Onondaga to be appropriate.

(F) Condition Assessment Reports. The responsible professional engineer shall prepare, or directly supervise the preparation of, a written report of each condition assessment, and shall submit such condition assessment report to the County of Onondaga within 60 days. Such condition assessment report shall be sealed and signed by the responsible professional engineer, and shall include:

(1) An evaluation and description of the extent of deterioration and conditions that cause deterioration that could result in an unsafe condition or unsafe structure;

(2) An evaluation and description of the extent of deterioration and conditions that cause deterioration that, in the opinion of the responsible professional engineer, should be remedied immediately to prevent an unsafe condition or unsafe structure;

(3) An evaluation and description of the unsafe conditions;

(4) An evaluation and description of the problems associated with the deterioration, conditions that cause deterioration, and unsafe conditions;

(5) An evaluation and description of the corrective options available, including the recommended timeframe for remedying the deterioration, conditions that cause deterioration, and unsafe conditions;

(6) An evaluation and description of the risks associated with not addressing the deterioration, conditions that cause deterioration, and unsafe conditions;

(7) The responsible professional engineer's recommendation regarding preventative maintenance;

(8) Except in the case of the report of the initial condition assessment, the responsible professional engineer's attestation that he or she reviewed all previously prepared condition assessment reports available for such parking garage, and considered the information in the previously prepared reports while performing the current condition assessment and while preparing the current report; and

(9) The responsible professional engineer's recommendation regarding the time within which the next condition assessment of the parking garage or portion thereof should be performed. In making the recommendation regarding the time within which the next condition assessment of the parking garage or portion thereof should be performed, the responsible professional engineer shall consider the parking garage's age, maintenance history, structural condition, construction materials, frequency and intensity of use, location, exposure to the elements, and any other factors deemed relevant by the responsible professional engineer in their professional judgment.

(G) Review Condition Assessment Reports. The County of Onondaga shall take such enforcement action or actions in response to the information in such condition assessment report as may be necessary or appropriate to protect the public from the hazards that may result from the conditions described in such report. In particular, but not by way of limitation, the County of Onondaga shall, by Order to Remedy or such other means of enforcement as the County of Onondaga may deem appropriate, require the owner or operator of the parking garage to repair or otherwise remedy all deterioration, all conditions that cause deterioration, and all unsafe conditions identified in such condition assessment report pursuant to paragraphs (2) and (3) of subdivision (F). All repairs and remedies shall comply with the applicable provisions of the Uniform Code. This section shall not limit or impair the right of the County of Onondaga to take any other enforcement action, including but not limited to suspension or revocation of a parking garage's operating permit, as may be necessary or appropriate in response to the information in a condition assessment report.

(H) Report Retention. The County of Onondaga shall retain all condition assessment reports for the life of the parking garage. Upon request by a professional engineer who has been engaged to perform a condition assessment of a parking garage, and who provides the County of Onondaga with a written statement attesting to the fact that he or she has been so engaged, the County of Onondaga shall make the previously prepared condition assessment reports for such parking garage (or copies of such reports) available to such professional engineer. The County of Onondaga shall be permitted to require the owner or operator of the subject parking garage to pay all costs and expenses associated with making such previously prepared condition assessment reports (or copies thereof) available to the professional engineer.

(I) This section shall not limit or impair the right or the obligation of the County of Onondaga:

(1) To perform such construction inspections as are required by section 5 (Construction Inspections) of this local law;

(2) To perform such periodic fire safety and property maintenance inspections as are required by section 11 (Fire Safety and Property Maintenance Inspections) of this local law; and/or

(3) To take such enforcement action or actions as may be necessary or appropriate to respond to any condition that comes to the attention of the County of Onondaga by means of its own inspections or

observations, by means of a complaint, or by any other means other than a condition assessment or a report of a condition assessment.

The Honorable Brian F. May  
1395 River Bend Drive  
Baldwinsville, New York 13027

Dear County Executive McMahon and Legislator May:

As I am sure you are well aware, invasive water chestnuts are negatively affecting property values and quality of life across 31 miles of shoreline along the Seneca River, Oswego River and Cross Lake in the Town of Lysander. In addition to affecting property owners, anyone using the rivers for recreation are finding it more and more difficult to utilize these wonderful natural assets of our town and county.

As Town Supervisor, I appreciate the communication and effort from Onondaga County Soil and Water regarding the removal of nearly one million pounds of water chestnuts this year. I especially appreciate that none of this would have been possible without the County's support after New York State washed its hands of this responsibility two years ago.

Although the harvesting has made a significant impact, there are still an enormous amount of water chestnuts remaining in the rivers and Cross Lake. We need to do more.

I wanted you to know that Senator Mannion advised me there is State funding available to help with the removal of water chestnuts next year. Senator Mannion also said he will support Onondaga County pursuing grants to address this serious issue in our rivers and lakes.

With your budget process right around the corner, I am appealing to you for consideration and assistance. I am sure our neighboring towns share similar concerns and interest in gaining additional support from Onondaga County.

Respectfully,  
ROBERT A. WICKS, Supervisor

Re: Final Report of Angela Peng

Dear Commissioner Loughren:

Pursuant to your request contained in the final report of Angela Peng, dated September 27, 2022, I have made inquiry regarding the current designated medical provider of healthcare services at the Onondaga County Justice Center. The provider at the time of this incident and currently is Naphcare. The inquiry included review of the Commission's final report and interviews with Custody Chief, Esteban Gonzalez and Contract Compliance Administrator, Karen Buck.

The conclusions of the Commission's report were concurred with by both parties.

Please be advised that as of January 1, 2023, Naphcare will no longer be providing healthcare services for the County facilities. On that date, Wellpath healthcare providers will be assuming duties of these services.

Wellpath is a previous provider of these services for the County and has a prior track record in many facilities in the State, as well as having previous experience with Onondaga County.

Wellpath has been on site and started transitioning as of early December.

If you have any questions or need any additional information, please do not hesitate to contact me.

Very truly yours,  
JAMES ROWLEY, Chairman

RESOLUTION NO. 203

EXPRESSING SUPPORT FOR ONONDAGA COUNTY’S APPLICATION FOR RESTORE NY FUNDING FOR THE MILTON CORNER, LLC RESTORATION PROJECT

WHEREAS, the Restore New York Communities Initiative (“Restore NY”), administered through Empire State Development, provides financial assistance to municipalities for the revitalization of commercial and residential properties—promoting neighborhood growth and community development through the elimination and redevelopment of blighted structures; and

WHEREAS, Restore NY funding is available for projects including the rehabilitation and restoration of vacant, abandoned, condemned and surplus properties, with a strong emphasis placed on projects from economically distressed communities; and

WHEREAS, Onondaga County (the “County”) secured eligibility approval from the State through its Empire State Development Office to apply for Restore NY funding for restoration of a highly visible corner site located at 2243-2281 Milton Avenue in Solvay, New York—a Level 1, Severe Distress community. The Milton Corner, LLC restoration project (the “Project”) includes demolition of remaining building walls and foundations of buildings that covered five contiguous parcels that were ravaged by a fire—and have languished vacant since at least 2004—while becoming increasingly blighted by graffiti and severe overgrowth; and

WHEREAS, new owners and investors involved in the Project developed a plan for construction of a three-story mixed-use building to include 12,000 square feet of retail space and 32 apartments—with 25% committed as affordable housing units. Accordingly, by creating taxable retail space and much needed affordable fully accessible residential units, the Project will benefit the village’s tax base and meet community need; and

WHEREAS, the Onondaga County Executive is in support of the Project; now, therefore be it

RESOLVED, that the Onondaga County Legislature expresses its support for the County’s application for Restore NY funding for the Project; and, be it further

BE IT RESOLVED, by the affirmative vote of not less than two-thirds of the total voting strength of the County Legislature of the County of Onondaga, New York, as follows:

Section 1. The reconstruction and expansion of the Whitney Applied Technology Center at OCC to create a Micron Cleanroom, including furnishings, equipment and incidental costs and expenses, is hereby authorized in and for the County of Onondaga, New York, at a maximum estimated cost of \$10,000,000.

Section 2. The plan for the financing thereof is by the issuance of \$5,000,000 bonds of said County, hereby authorized to be issued therefor pursuant to the provisions of the Local Finance Law, and by the application of \$5,000,000 State grants to be received in connection therewith.

Section 3. It is hereby determined that the period of probable usefulness of the aforesaid specific object or purpose is twenty-five years pursuant to subdivision 12(a)(1) of paragraph a of Section 11.00 of the Local Finance Law.

Section 4. The faith and credit of said County of Onondaga, New York, are hereby irrevocably pledged for the payment of the principal of and interest on such bonds as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such bonds becoming due and payable in such year. To the extent not available from other sources, there shall annually be levied on all the taxable real property of said County a tax sufficient to pay the principal of and interest on such bonds as the same become due and payable.

Section 5. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell bond anticipation notes in anticipation of the issuance and sale of the bonds herein authorized, including renewals of such notes, is hereby delegated to the Chief Fiscal Officer of such County. Such notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Chief Fiscal Officer, consistent with the provisions of the Local Finance Law.

Section 6. All other matters except as provided herein relating to the bonds herein authorized including the date, denominations, maturities and interest payment dates, within the limitations prescribed herein and the manner of execution of the same, including the consolidation with other issues, and also the ability to issue bonds with substantially level or declining annual debt service, shall be determined by the Chief Fiscal Officer, the chief fiscal officer of such County. Such bonds shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law, and shall otherwise be in such form and contain such recitals, in addition to those required by Section 51.00 of the Local Finance Law, as the Chief Fiscal Officer shall determine consistent with the provisions of the Local Finance Law.

Section 7. The County Executive is authorized to enter into contracts to implement the intent of this resolution. In the event that General Fund Operating Surplus Funds are available at the end of the fiscal year, and if the Chief Fiscal Officer of Onondaga County deems it fiscally advantageous to use surplus funds rather than borrowing, all or a portion of the cost of the improvements authorized herein shall be paid using such surplus funds. Further, in the event that General Fund Operating Surplus Funds are so utilized, then the authorization to issue bonds provided within this resolution is hereby rescinded accordingly, reduced by the amount of funds utilized.

Section 8. The validity of such bonds and bond anticipation notes may be contested only if:

- 1) Such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or
- 2) The provisions of law which should be complied with the date of publication of this resolution are not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication, or
- 3) Such obligations are authorized in violation of the provisions of the Constitution.

Section 9. This resolution shall constitute a statement of official intent for purposes of Treasury Regulations Section 1.150-2. Other than as specified in this resolution, no monies are, or are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside with respect to the permanent funding of the object or purpose described herein.
