PROFESSIONAL SUMMARY

As a Parks Professional, I have over twenty years of progressive experience in parks and recreation management. I have extensive experience in park operations, large scale events and overseeing annual budgets. Currently, as Acting Parks Commissioner, I manage fifteen parks and supervise staff of all skill levels. As an organized and detailed professional, my knowledge, skills and dedication will continue to be an asset to Onondaga County Government.

EXPERIENCE

Deputy Commissioner/Acting Commissioner - Onondaga County Parks January 2020-Present

- Appointed Deputy Parks Commissioner in January 2020. Promoted to Acting Parks Commissioner within eight months.
- Responsible for direct oversight and management of all Onondaga County Parks, which includes programs, events, personnel and public relations.
- Accountable for the Department's annual budget totaling approximately sixteen million dollars.
- Liaison with the County Executive's office in developing policies and procedures for the Parks Department.
- Interact with other departments to coordinate capital and construction projects to enhance the infrastructure of the Parks Department.
- Responsible for working with the Onondaga County Legislature.
- Managed the Parks Department during the COVID-19 pandemic, and successfully kept the parks open for passive use while still following all CDC guidelines.
- Manage a staff of over one hundred fifty employees including both full and part-time.

Park Superintendent III – Onondaga County Parks 2017 – January 2020

- In 2013, the Southern District of Onondaga County Parks, which included Highland Forest, Jamesville Beach and Pratts Falls were created. In 2017, The Veteran's Cemetery, Carpenter's Brook Fish Hatchery, Otisco Lake Park and the Jordan Level were added. The addition of these properties to the Southern District of parks allowed for more consolidation of staff, vehicles and equipment resources. Additionally, this consolidation allowed the District to continue to manage projects, events and building maintenance within one fluid operation.
- Parks in the District hosted various large scale events, such as BalloonFest, Ironman, and the Canine Carnival. Our responsibilities incorporated all operational aspects of these events.
- Managed a staff of forty full-time and part-time employees.
- Responsible for handling all personnel issues.
- Administered and prepared six operating budgets totaling approximately one million dollars.
- Directed and supervised building and grounds maintenance for nine parks.
- Developed long range planning for capital improvements.
- Responded to and resolved customer inquiries, problems and complaints in a timely and professional manner.

Park Superintendent II – Onondaga County Parks**2013 - 2017**

- Created the Southern District by consolidating Highland Forest, Jamesville Beach and Pratts Falls. Staff, vehicles and equipment were resource shared amongst each park and prioritized based on the greatest need. This ensured all parks operated at the highest standards set by Onondaga County Parks.
- Established a mowing crew based at Highland Forest in which dedicated staff mowed all parks in the District on a weekly basis. This allowed us to be more efficient by reducing our mowing fleet and using less staff to perform the mowing duties.
- Managed a staff of thirty employees, both full-time and seasonal.
- Oversaw and prepared three operating budgets totaling approximately six hundred thousand dollars.
- Hosted various large scale events within the three parks.
- Directed and supervised building and grounds maintenance for three parks.

PROGRAM & TRAINING ADMINISTRATOR with over 40 years of diversified experience in developing, motivating and leading community leaders and department personnel to achieve program and organizational objectives.

SELECTED ACHIEVEMENTS

Organized and implemented a summer senior nutrition dining site at CNY Regional Farmers Market—the site was not only a conduit for older persons to programs and services that helped them reduce food insecurity but increased awareness of what services the Office for Aging has to offer to improve their quality of life.

Testified to the New York Food Policy Council on the behalf of the New York State Academy of Nutrition and Dietetics (NYSAND) to introduce opportunities for NYSAND and the Council of Food Policy to collaborate on how NYSAND can be a resource in assisting New York State in developing food policy that will ensure safe, fresh, nutritious and affordable food for all New Yorkers, especially to low income residents, senior citizens and children; and how to modify state agriculture policy that will promote increase sales of New York agricultural products to New York customers.

Organized community leaders in Onondaga County to create the *Farm Fresh Mobile Market* to deliver locally grown fruits and vegetables (from area farmers) to low income, minority neighborhoods located in food deserts.

Collaborated with The Maxwell School of Citizenship and Public Affairs of Syracuse University by working with Maxwell geographers to bring a geographic understanding to questions of poverty and malnutrition in the city of Syracuse, NY. The information was used to conduct a food-stamps enrollment drive in neighborhoods where the maps showed such needs to be especially high and to raise awareness to hunger in the local community.

Restructured the delivery of nutrition/wellness services for hospital-discharged seniors through the Administration on Aging demonstration grant *Community Connections: Moving Seniors toward Wellness Grant*.

Mentored Cornell and Syracuse University dietetic interns at the Department of Adult & Long Term Care Center, students are taught how to develop community nutrition education programs for older adults; and actively participate in advocacy events and community partnerships that raised awareness regarding hunger and food insecurity among older adults.

Partnered with the Caregivers Resource Program and Caregivers Institute to provide an innovated series of cooking classes, titled *Men Can Cook!* The classes were designed for widowers and men providing home care for their spouses and/or significant others. The program was featured in the New York State Office for the Aging, 2008 Best Practices directory. Also taught classes titled *Cooking with Diabetics, Men Can Grill, and Healthy Eating for Successful Living for Older Adults*.

Partnered with Vietnamese Community Elders – successfully created the Vietnamese Community Center for elders. The center provides senior services funded by the Older Americans Act. The center originally served 25; the center now serves 50 seniors.

RESOLUTION NO. _____

**AUTHORIZING ONONDAGA COUNTY TO PAY THE DIFFERENCE IN PAY BETWEEN
MILITARY BASE PAY AND BASE COUNTY SALARY TO COUNTY OFFICERS AND
EMPLOYEES WHILE PERFORMING ORDERED MILITARY DUTY**

WHEREAS, the New York State Military Law provides certain rights to public officers and employees absent on military duty as members of Reserve Forces or Reserve components of the Armed Forces of the United States; and

WHEREAS, pursuant to the Onondaga County Personnel Rules, county officers and employees on authorized military leave are entitled to all the rights and privileges set forth in said Military Law; and

WHEREAS, notwithstanding those rights and benefits, calls to active duty often impose financial hardship on those summoned and their dependents; and

WHEREAS, through a series of resolutions, most recently by Resolution No. 145-2019, this Onondaga County Legislature has previously authorized the County to pay the difference between military pay and base county salary to county officers and employees performing ordered military duty through December 31, 2020; and

WHEREAS, it is necessary to extend that pay differential benefit through December 31, 2021, and pay to county officers and employees on authorized military leave the difference between such officer or employee's military pay received from the United States Government and/or the State of New York and the base county salary such employee would have received for his/her regularly scheduled work week if such employee had not been called to active duty; now, therefore be it

RESOLVED, that through December 31, 2021, Onondaga County shall continue to pay such county officers and employees who are on ordered active duty with the Reserves or National Guard, the difference of said base county salary minus military base pay; and, be it further

RESOLVED, that in the event the military base pay equals or exceeds the base county salary of said officer or employee, no supplemental pay shall be authorized.

PUBLIC HEARING
ONONDAGA COUNTY DEPARTMENT OF WATER ENVIRONMENT
PROTECTION
TUESDAY, October 13, 2020

The following occurred at 4:05 p.m.:

Commissioner Mento: This is a Commissioner's Hearing to hear public comment on adopting an amended schedule of sewer rents for the Onondaga County Sanitary District; therefore,

It is 4:05 p.m., and I declare the hearing open. Are there any comments to be presented?

(No response).

Commissioner Mento: Since there is no one in attendance for this hearing, I present the following statement for the record:

The sewer rent schedule was originally established in 1978 when the Consolidated Sanitary District (CSD) was formed as a means of recovering operation and maintenance costs from users of the system. The unit charge is billed to all connected properties in the CSD on the property tax bill. Users of the system are billed on the basis of "units" where one unit is defined as up to or equaling 125,000 gallons of water consumption per year. Single family residential properties are billed at the minimum rate regardless of usage. Large volume commercial users are billed according to usage.

Over time, typical residential use has been decreasing, creating a disparity between low and high volume users, as typical residential use is now below 125,000 gallons/year. To more equitably distribute the costs of the system, WEP is proposing lowering the minimum units to 120,000 gallons/year beginning in 2021. A Legislative public hearing on the proposed amended schedule is tentatively scheduled for December 1, 2020. The proposed modified schedule of sewer rents will be attached to this Report.

That concludes my statement, and, as no one is in attendance, and no written comments were received, I declare this hearing to be closed.

(End of hearing at 4:09 p.m.)

WHEREAS, by Resolution No. 563-1978 and pursuant to the Onondaga County Administrative Code Section 11.79, this County Legislature established and imposed a schedule of sewer rents for the Onondaga County Sanitary District ("District"), and such schedule imposed sewer rents upon property owners within the District on the basis of a "unit", using an estimate of 146,000 gallons per year for each such unit; and

WHEREAS, by Resolution No. 160-2019, this County Legislature provided for a new schedule of sewer rents, redefining a unit using an estimate of 125,000 gallons per year for each such unit; and

WHEREAS, by adopting this resolution, such unit will be redefined using an estimate of 120,000 gallons per year for each such unit, and the schedule of proposed sewer rents provided herein will become effective on and after January 1, 2021; and

WHEREAS, a public hearing was held by this Onondaga County Legislature on December 1, 2020; now, therefore be it

RESOLVED, that this Onondaga County Legislature hereby modifies sewer rents for the District to be allocated on the basis of "units" as defined in the following schedule, where one unit is based on the estimate of 120,000 gallons to be used per year for each such unit:

- b. All other multi-family residential structures – three-fourths unit per family.
- c. - d. Commercial, industrial and institutional properties – units to be assigned based on water bills, or, where property is metered, or sufficient verification exists of wastewater discharged, as follows:
1. Up to 120,000 gallons per year – one unit;
 2. One unit and fraction thereof for each 120,000 gallons per year.

and, be it further

RESOLVED, that this Legislature does hereby establish and impose the above schedule of sewer rents to be effective January 1, 2021, and said sewer rents shall be levied, collected and enforced from the several lots and parcels of land within the District served by the sewer system for use of the same, in the same manner and at the same time as other County charges, and shall constitute a lien pursuant to law upon the real properties served by the sewer system; and, be it further

RESOLVED, that the Clerk of the Onondaga County Legislature hereby is directed to record a certified copy of this Resolution in the Office of the County Clerk of Onondaga County and thereafter to publish this Resolution in the official newspaper of the County at least once, where publication shall be at least thirty (30) days before the effective date hereof.

RESOLVED, that an Environmental Assessment Form (EAF) for the proposed road discontinuance has been prepared and reviewed and is on file with the Clerk of the Legislature; and, be it further

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

The proposed action involves the discontinuance/closure of the portion of Churchill Rd. (C.R. 246) in the Town of Spafford from a location just north of Stanton Rd. to the intersection with West Valley Rd. pursuant to Highway Law 131-b. The proposed action also includes the installation of metal barriers on either end of the closed section of Churchill Rd. Churchill Rd. is a seasonal road in a rural and largely uninhabited/undeveloped area which is only intermittently used and is unsafe for large vehicle traffic, including heavy trucks and trailers. There exist adequate and safer alternative thoroughfares in the vicinity of Churchill Rd. such that there will not be any adverse traffic or property access impacts associated with this project.

Therefore, and considering the current usage and surroundings of Churchill Rd., public safety concerns, reduced erosion and other impacts associated with vehicular traffic, and the ability of fauna to traverse the closed roads between sections of forested lands, in accordance with Article 8 of the Environmental Conservation Law, the County hereby determines that this action will not have any significant impacts on the environment and issues a negative declaration.

- ☐ Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.
- ☒ Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.

TOWER LEASE AGREEMENT

This Agreement ("Agreement"), made and effective as of the latter date this Agreement is signed by Lessor and Lessee ("Effective Date") is, between THE COUNTY OF ONONDAGA, a municipal Corporation with an office located at 3911 Central Avenue, Syracuse, New York 13215, hereinafter designated LESSOR and BELL ATLANTIC MOBILE SYSTEMS OF ALLENTOWN, INC., a Corporation formed under the laws of the State of _____, d/b/a Verizon Wireless, with its principal offices at One Verizon Way, Mail Stop 4AW100, Basking Ridge, New Jersey 07920 (telephone number 866-862-4404), hereinafter designated LESSEE. LESSOR and LESSEE are at times collectively referred to hereinafter as the "Parties" or individually as the "Party".

WITNESSETH

WHEREAS, Lessor leases certain land (defined below as the Property) from Hanson Aggregates New York, LLC pursuant to a lease agreement dated as of June 8, 2017 as amended by a First Amendment to Lease effective as of July 7, 2020 (collectively, the "Lease");

WHEREAS, Lessor intends to sublease certain real estate interests at the Property and on the Tower (defined below) pursuant to this Agreement;

NOW, THEREFORE, in consideration of the mutual covenants contained herein and intending to be legally bound hereby, the Parties hereto agree as follows:

1. **PREMISES.** LESSOR hereby leases to the LESSEE certain space ("the Tower Space") on the LESSOR's tower, hereinafter referred to as the "Tower", located at No Number Limeledge Road, Town of Marcellus, County of Onondaga, State of New York, as shown on the Tax Map of the Town of Marcellus as a 77.47 acres parcel with Tax Map Number 010.-01-6.4, and being further described in Liber 3816 of Deeds, at Page 167 as recorded in the Office of the Clerk of Onondaga County (the entirety of LESSOR's property is referred to hereinafter as the "Property"), together with approximately 360 square feet of ground space for the placement of an equipment shelter and related improvements (the "Land Space"), non-exclusive ground ring and ice bridge easements, and the non-exclusive right ("the Right of Way") for ingress and egress, seven (7) days a week, twenty-four (24) hours a day, on foot or motor vehicle, including trucks, under, or along an existing right-of-way from Limeledge Road to the Property, together with a non-exclusive right-of-way for ingress and egress over the Property, and for the installation and maintenance of utility wires, poles, cables, conduits, and pipes over, under, or along the Property, to the Land Space and Tower Space; and together with any further rights of way (the "Further Rights of Way") over and through the Property between the Land Space and the Tower Space for the installation and maintenance of utility wires, poles, cables, conduits, and pipes. The LESSEE use and enjoyment of the Right of Way and further Rights of Way shall be subject to the prior approval of LESSOR. The Tower Space, Land Space, Right of Way and Further Rights of Way, if any, are substantially depicted on Exhibit "A", attached hereto and made a part hereof and are collectively referred to hereinafter as the "Premises". In the event any public utility is unable to use the Right of Way or Further Rights of Way, the LESSOR hereby agrees to cooperate with LESSEE to obtain an additional right-of-way(s) for the LESSEE to the public utility at no cost to the LESSOR. LESSOR agrees to grant LESSEE, Verizon New York, Inc., or any other local utility or fiber provider the right to install such utilities

or fiber in, on, over and/or under the Premises necessary for LESSEE to operate its communications facility (as defined herein); subject to a written agreement satisfactory to the LESSOR..

LESSOR hereby grants permission to LESSEE to install, maintain and operate the radio communications equipment, antennas and appurtenances described in Exhibit "B" attached hereto.

LESSEE reserves the right to replace the aforementioned equipment with similar and comparable equipment provided said replacement does not increase tower loading of said Tower and does not cause interference with or to other equipment then on the Tower.

2. SURVEY. LESSOR also hereby grants to LESSEE the right to survey the Property and Premises, and said survey shall then become Exhibit "C" which shall be attached hereto and made a part hereof, and shall control in the event of boundary and access discrepancies between it and Exhibit "A". Cost for such work shall be borne by the LESSEE.

The drawing at Exhibit "A" may be replaced by a site plan showing the Premises and the location of LESSEE's improvements thereon, which site plan LESSEE shall submit to LESSOR for LESSOR's written approval prior to LESSEE's commencement of construction, which approval shall not be unreasonably withheld, conditioned or delayed. In the event that LESSOR does not furnish LESSEE with such written approval or its specific reasons for disapproval within sixty (60) days after the date of submission of the site plan to LESSOR, LESSOR will be deemed to have approved it.

3. TERM; RENTAL; ELECTRICAL.

a. This Agreement shall be effective as of the date of the Effective Date. The initial term shall be for five (5) years and shall commence on the Commencement Date (as hereinafter defined) at which time rental payments shall commence and be due at a total annual rental for each year of the initial term of \$23,300.00 to be paid annually, in advance, on the Commencement Date, and each year thereafter on the anniversary of the Commencement Date to the LESSOR, Attn: Accounts Receivable, or to such other person, firm or place as LESSOR may, from time to time, designate in writing at least thirty (30) days in advance of any rental payment date by notice given in accordance with Paragraph 25 below. The Agreement shall commence based upon the earlier of: (i) the date LESSEE is granted a building permit by the governmental agency charged with issuing such permits; or (ii) three (3) years from the Effective Date. If such date falls between the 1st and 15th of the month, the Agreement shall commence on the 1st of that month and if such date falls between the 16th and 31st of the month, then the Agreement shall commence on the 1st day of the following month (the "Commencement Date"). However, LESSOR and LESSEE acknowledge and agree that initial rental payment(s) shall not actually be sent by LESSEE until ninety (90) days after the Commencement Date.

Upon agreement of the Parties, LESSEE may pay rent by electronic funds transfer and in such event, LESSOR agrees to provide to LESSEE bank routing information for such purpose upon request of LESSEE.

After the first lease year, annual rent for each year of the initial term and each subsequent lease year pursuant to any extension of the initial term shall be equal to 102% of the annual rent payable with respect to the immediately preceding lease year.

b. LESSOR hereby agrees to provide to LESSEE certain documentation (the "Rental Documentation") evidencing LESSOR's interest in, and right to receive payments under this Agreement, including without limitation: (i) documentation, acceptable to LESSEE in LESSEE's reasonable discretion, evidencing LESSOR's good and sufficient title to and/or interest in the Property and right to receive rental payments and other benefits hereunder; (ii) a complete and fully executed Internal Revenue Service Form W-9, or equivalent, in a form acceptable to LESSEE, for any party to whom rental payments are to be made pursuant to this Agreement; and (iii) other reasonable documentation requested by LESSEE in LESSEE's reasonable discretion necessary to administer payments. From time to time during the Term of this Agreement and within thirty (30) days of a written request from LESSEE, LESSOR agrees to provide updated Rental Documentation in a form reasonably acceptable to LESSEE. The Rental Documentation shall be provided to LESSEE in accordance with the provisions of and at the address given in Paragraph 25. Delivery of Rental Documentation to LESSEE shall be a prerequisite for the payment of any rent by LESSEE and notwithstanding anything to the contrary herein, LESSEE shall have no obligation to make any rental payments, although such rent shall continue to accrue, until Rental Documentation has been supplied to LESSEE as provided herein.

Within fifteen (15) days of obtaining an interest in the Property or this Agreement, any assignee(s), transferee(s) or other successor(s) in interest of LESSOR shall provide to LESSEE Rental Documentation in the manner set forth in the preceding Paragraph. From time to time during the term of this Agreement and within thirty (30) days of a written request from LESSEE, any assignee(s) or transferee(s) of LESSOR agrees to provide updated Rental Documentation in a form reasonably acceptable to LESSEE. Delivery of Rental Documentation to LESSEE by any assignee(s), transferee(s) or other successor(s) in interest of LESSOR shall be a prerequisite for the payment of any rent by LESSEE to such party and notwithstanding anything to the contrary herein, LESSEE shall have no obligation to make any rental payments to any assignee(s), transferee(s) or other successor(s) in interest of LESSOR until Rental Documentation has been supplied to LESSEE as provided herein.

c. LESSOR shall, at all times during the Term, provide electrical service and telephone service access within the Premises. If permitted by the local utility company servicing the Premises, LESSEE shall furnish and install an electrical meter at the Premises for the measurement of electrical power used by LESSEE's installation. In the alternative, if permitted by the local utility company servicing the Premises, LESSEE shall furnish and install an electrical sub-meter at the Premises for the measurement of electrical power used by LESSEE's installation. In the event such sub-meter is installed, the LESSEE shall pay the utility directly for its power consumption, if billed by the utility, and if not billed by the utility, then the LESSEE shall pay the LESSOR thirty (30) days after receipt of an invoice from LESSOR indicating the usage amount based upon LESSOR's reading of the sub-meter. All invoices for power consumption shall be sent by LESSOR to LESSEE at Verizon Wireless- Accounts Payable - Cellsites, M/S 3846, P.O. Box 2375, Spokane, WA 99210-2375 or email to: livebills@ecova.com. LESSEE agrees to promptly reimburse LESSOR for such electrical costs and in all cases within sixty (60) days of LESSOR invoice, which costs shall not be construed to be rent. The parties agree that LESSEE shall be relieved of its obligations to reimburse

LESSOR for electrical usage which has not been properly invoiced and sent to LESSEE at the above address within one (1) year of the initial invoicing from the utility company to the LESSOR. LESSEE shall be permitted at any time during the Term, to install, maintain and/or provide access to and use of, as necessary (during any power interruption at the Premises), a temporary power source, and all related equipment and appurtenances within the Premises, or elsewhere on the Property in such locations as reasonably approved in writing by LESSOR, such approval not to be unreasonably conditioned, withheld or delayed. LESSEE shall have the right to install conduits connecting the temporary power source and related appurtenances to the Premises.

4. EXTENSIONS. This Agreement shall automatically be extended for four (4) additional five (5) year extension terms unless LESSEE terminates it at the end of the then current term by giving LESSOR written notice of the intent to terminate at least six (6) months prior to the end of the then current term. The initial term and all extensions shall be collectively referred to herein as the "Term" unless otherwise specified.

5. EXTENSION RENTALS. The annual rental for each lease year during each such five (5) year extension term shall be equal to 102% of the annual rental payable with respect to the immediately preceding lease year.

6. ADDITIONAL EXTENSIONS. Intentionally deleted.

7. TAXES. LESSEE shall pay as additional rent any documented real estate taxes or increases in real estate taxes levied against the Property which are directly attributable to the improvements constructed by LESSEE. LESSOR shall provide to LESSEE a copy of any notice, assessment of billing relating to the real estate taxes for which LESSEE is responsible under this Agreement promptly after receipt of the same by LESSOR. LESSEE shall have no obligation to make payment of any real estate taxes until LESSEE has received the notice, assessment or billing relating to such payment as set forth in the preceding sentence. LESSEE shall have the right, at its sole option, cost and expense, to appeal, challenge or seek modification of any real estate tax assessment or billing for which LESSEE is wholly or partly responsible for payment under this Agreement. LESSOR shall reasonably cooperate with LESSEE in filing, prosecuting and perfecting any appeal or challenge to taxes as set forth in the preceding sentence, including but not limited to, executing any consent, appeal or other similar document.

8. USE; GOVERNMENTAL APPROVALS. LESSEE shall use the Premises for the purpose of constructing, maintaining, repairing and operating a communications facility and uses incidental thereto on its Premises. All improvements, equipment, antennas and conduits shall be at LESSEE's expense and their installation shall be at the discretion and option of LESSEE subject to LESSOR approval of the Tower structural integrity and interference issues. LESSEE shall have the right to replace, repair, add or otherwise modify its utilities, equipment, antennas and/or conduits or any portion thereof and the frequencies over which the equipment operates, whether the equipment, antennas, conduits or frequencies are specified or not on any exhibit attached hereto, during the Term subject to LESSOR approval of the Tower structural integrity and interference issues.. It is understood and agreed that LESSEE's ability to use the Premises is contingent upon its obtaining after the execution date of this Agreement all of the certificates, permits and other approvals (collectively the "Governmental Approvals") that may be required by any Federal, State or Local authorities as well as satisfactory soil boring tests and structural analysis which will permit LESSEE

use of the Premises as set forth above. LESSOR agrees to cooperate, at no cost or liability to LESSOR, with LESSEE in its effort to obtain such approvals. LESSOR acknowledges, consents to and joins in any application for Governmental Approvals and authorizes LESSEE to execute any documents required in furtherance of any such applications. LESSOR shall take no action which would adversely affect the status of the Property with respect to the proposed use thereof by LESSEE. In the event that (i) any of such applications for such Governmental Approvals should be finally rejected; (ii) any Governmental Approval issued to LESSEE is canceled, expires, lapses, or is otherwise withdrawn or terminated by governmental authority; (iii) LESSEE determines that such Governmental Approvals may not be obtained in a timely manner; (iv) LESSEE determines that any soil boring tests or structural analysis is unsatisfactory; (v) LESSEE determines that the Premises is no longer technically or structurally compatible for its use, or (vi) LESSEE, in its sole discretion, determines that the use of the Premises is obsolete or unnecessary, LESSEE shall have the right to terminate this Agreement. Notice of LESSEE's exercise of its right to terminate shall be given to LESSOR in writing by certified mail, return receipt requested, and shall be effective upon the LESSEE'S removal of all equipment from the Premises. All rentals paid to said termination date shall be retained by LESSOR. Upon such termination, this Agreement shall be of no further force or effect except to the extent of the representations, warranties and indemnities made by each Party to the other hereunder. Otherwise, the LESSEE shall have no further obligations for the payment of rent to LESSOR.

9. INDEMNIFICATION. Subject to Paragraph 10 below, each Party shall indemnify and hold the other harmless against any claim of liability or loss from personal injury or property damage resulting from or arising out of the negligence or willful misconduct of the indemnifying Party, its employees, contractors or agents, except to the extent such claims or damages may be due to or caused by the negligence or willful misconduct of the other Party, or its employees, contractors or agents.

10. INSURANCE.

a. Notwithstanding the indemnity in section 10, the Parties hereby waive and release any and all rights of action for negligence against the other which may hereafter arise on account of damage to the Premises or to the Property, resulting from any fire, or other casualty of the kind which is covered by the insurance policies required and detailed below, regardless of whether or not, or in what amounts, such insurance is now or hereafter carried by the Parties, or either of them. These waivers and releases shall apply between the Parties and they shall also apply to any claims under or through either Party as a result of any asserted right of subrogation. All such policies of insurance obtained by either Party concerning the Premises or the Property shall waive the insurer's right of subrogation against the other Party.

b. During the term of this Agreement, LESSEE will maintain, at its own cost, the following policies of insurance:

- i. Commercial General Liability insurance with limits not less than \$2,000,000 for injury to or death of one or more persons in any one occurrence and \$500,000 for damage or destruction to property in any one occurrence

- ii. Commercial Auto Liability insurance on all owned, non-owned and hired automobiles with a minimum combined limit of not less than one million (\$1,000,000) per occurrence
- iii. Workers Compensation insurance providing the statutory benefits and not less than one million (\$1,000,000) of Employers Liability coverage.

LESSEE will include the LESSOR as an additional insured and endorsed party on the Commercial General Liability and Auto Liability policies.

c. Intentionally deleted.

11. LIMITATION OF LIABILITY. Except for indemnification pursuant to Paragraphs 9 and 31, neither Party shall be liable to the other, or any of their respective agents, representatives, employees for any lost revenue, lost profits, loss of technology, rights or services, incidental, punitive, indirect, special or consequential damages, loss of data, or interruption or loss of use of service, even if advised of the possibility of such damages, whether under theory of contract, tort (including negligence), strict liability or otherwise.

12. ANNUAL TERMINATION. Notwithstanding anything to the contrary contained herein, provided LESSEE is not in default hereunder beyond applicable notice and cure periods, LESSEE shall have the right to terminate this Agreement upon the annual anniversary of the Commencement Date provided that three (3) months prior written notice is given to LESSOR.

13. ACCESS TO TOWER. LESSOR agrees the LESSEE shall have free access to the Tower subject to LESSOR's reasonable rules and regulations at all times for the purpose of installing and maintaining the said equipment. LESSOR shall furnish LESSEE with necessary means of access for the purpose of ingress and egress to this site and Tower location. It is agreed, however, that only authorized engineers, employees or properly authorized contractors of LESSEE or persons under their direct supervision will be permitted to enter said premises.

14. TOWER COMPLIANCE. LESSOR covenants that it will keep the Tower in good repair as required by all Laws (as defined in Paragraph 35 below). The LESSOR shall also comply with all rules and regulations enforced by the Federal Communications Commission with regard to the lighting, marking and painting of towers.

No materials may be used in the installation of the antennas or transmission lines that will cause corrosion or rust or deterioration of the Tower structure or its appurtenances.

All antenna(s) on the Tower must be identified by a marking fastened securely to its bracket on the Tower and all transmission lines are to be tagged at the conduit opening where it enters any user's equipment space.

Not later than thirty (30) days following the Effective Date, LESSOR shall supply to LESSEE copies of all structural analysis reports that have done with respect to the Tower and in LESSOR'S possession and LESSOR shall supply to LESSEE copies of all structural analysis reports that are done with respect to the Tower promptly after the completion of the same.

Upon request of the LESSOR, LESSEE agrees to relocate its equipment on a temporary basis to another location on the Property, hereinafter referred to as the "Temporary Relocation," for the purpose of LESSOR performing maintenance, repair or similar work at the Property or on the Tower provided:

- a. The Temporary Relocation is similar to LESSEE's existing location in size and is fully compatible for LESSEE's use, in LESSEE's reasonable determination;
- b. LESSOR pays all costs incurred by LESSEE for relocating LESSEE's equipment to the Temporary Relocation and improving the Temporary Relocation so that it is fully compatible for the LESSEE's use, in LESSEE's reasonable determination;
- c. LESSOR gives LESSEE at least ninety (90) days written notice prior to requiring LESSEE to relocate;
- d. LESSEE's use at the Premises is not unreasonably interrupted or diminished during the relocation and LESSEE is allowed, if necessary, in LESSEE's reasonable determination, to place a temporary installation on the Property during any such relocation; and
- e. Upon the completion of any maintenance, repair or similar work by LESSOR, LESSEE is permitted to return to its original location from the temporary location with all costs for the same being paid by LESSOR.

15. INTERFERENCE. LESSEE agrees to install equipment of the type and frequency which will not cause interference which is measurable in accordance with then existing industry standards to any equipment of LESSOR or other lessees of the Property which existed on the Property prior to the Effective Date of this Agreement.. In the event any after-installed LESSEE's equipment causes such interference, and after LESSOR has notified LESSEE in writing of such interference, LESSEE will take all steps necessary to correct and eliminate the interference, including but not limited to, at LESSEE's option, powering down such equipment and later powering up such equipment for intermittent testing. In no event will LESSOR be entitled to terminate this Agreement or relocate the equipment as long as LESSEE is making a good faith effort with commercially reasonable due diligence to remedy the interference issue. LESSOR agrees that LESSOR and/or any other tenants of the Property who currently have or in the future take possession of the Property will be permitted to install only such equipment that is of the type and frequency which will not cause interference which is measurable in accordance with then existing industry standards to the then existing equipment of LESSEE. The Parties acknowledge that there will not be an adequate remedy at law for noncompliance with the provisions of this Paragraph and therefore, either Party shall have the right to equitable remedies, such as, without limitation, injunctive relief and specific performance.

16. REMOVAL AT END OF TERM. LESSEE shall, upon expiration of the Term, or within ninety (90) days after any earlier termination of the Agreement, remove its building(s), antenna(s), equipment, conduits, fixtures and all personal property and restore the Premises to its original condition, reasonable wear and tear and casualty damage excepted. LESSOR agrees and acknowledges that all of the equipment, conduits, fixtures and personal property of LESSEE shall

remain the personal property of LESSEE and LESSEE shall have the right to remove the same at any time during the Term, whether or not said items are considered fixtures and attachments to real property under applicable Laws. If such time for removal causes LESSEE to remain on the Premises after termination of this Agreement, LESSEE shall pay rent at the then existing monthly rate or on the existing monthly pro-rata basis if based upon a longer payment term, until such time as the removal of the building, antenna structure, fixtures and all personal property are completed.

17. HOLDOVER. LESSEE has no right to retain possession of the Premises or any part thereof beyond the expiration of that removal period set forth in Paragraph 16 herein, unless the Parties are negotiating a new lease or lease extension in good faith. In the event that the Parties are not in the process of negotiating a new lease or lease extension in good faith, LESSEE holds over in violation of Paragraph 16 and this Paragraph 17, then the rent then in effect payable from and after the time of the expiration or earlier removal period set forth in Paragraph 16 shall be equal to one and one half the rent applicable during the month immediately preceding such expiration or earlier termination.

18. RIGHT OF FIRST REFUSAL. Intentionally deleted.

19. RIGHTS UPON SALE. Should LESSOR, at any time during the Term decide (i) to sell or transfer all or any part of the Property or the Tower thereon to a purchaser other than LESSEE, or (ii) to grant to a third party by easement or other legal instrument an interest in and to that portion of the Tower and or Property occupied by LESSEE, or a larger portion thereof, for the purpose of operating and maintaining communications facilities or the management thereof, such sale or grant of an easement or interest therein shall be under and subject to this Agreement and any such purchaser or transferee shall recognize LESSEE's rights hereunder under the terms of this Agreement.

20. QUIET ENJOYMENT. LESSOR covenants that LESSEE, on paying the rent and performing the covenants herein, shall peaceably and quietly have, hold and enjoy the Premises.

21. TITLE. LESSOR represents that, to LESSOR's knowledge, LESSOR is seized of good and sufficient title and interest to the Property pursuant to its Lease and has full authority to enter into and execute this Agreement.

22. INTEGRATION. In the event any provision of the Agreement is found to be invalid or unenforceable, such finding shall not affect the validity and enforceability of the remaining provisions of this Agreement. The failure of either Party to insist upon strict performance of any of the terms or conditions of this Agreement or to exercise any of its rights under the Agreement shall not waive such rights and such Party shall have the right to enforce such rights at any time and take such action as may be lawful and authorized under this Agreement, in law or in equity.

LESSOR shall obtain not later than thirty (30) days following the Effective Date, a Non-Disturbance Agreement, as defined below, and, if required by the Mortgage, as defined below, a written consent, from its existing mortgagee(s), ground lessors and master lessors, if any, of the Property. . The Non-Disturbance Agreement shall include the encumbering party's ("Lender's") agreement that, if Lender or its successor-in-interest or any purchaser of Lender's or its successor's interest (a "Purchaser") acquires an ownership interest in the Tower or Property, Lender or such successor-in-interest or Purchaser will honor all of the terms of the Agreement. Such Non-Disturbance Agreement must be binding on all of Lender's participants in the subject loan (if any) and on all successors and assigns of Lender and/or its participants and on all Purchasers. In return for such Non-Disturbance Agreement, LESSEE will execute an agreement for Lender's benefit in which LESSEE (1) confirms that the Agreement is subject to and subordinate to the Mortgage or other real property interest in favor of Lender, (2) agrees to attorn to Lender if Lender becomes the owner of the Tower or Property. In the event LESSOR defaults in the payment and/or other performance of any mortgage or other real property interest encumbering the Property, LESSEE, may, at its sole option and without obligation, cure or correct LESSOR's default and upon doing so, LESSEE shall be subrogated to any and all rights, titles, liens and equities of the holders of such mortgage or other real property interest and LESSEE shall be entitled to deduct and setoff against all rents that may otherwise become due under this Agreement the sums paid by LESSEE to cure or correct such defaults.

28. RECORDING. LESSOR agrees to execute a Memorandum of this Agreement which LESSEE may record with the appropriate recording officer. The date set forth in the Memorandum of Lease is for recording purposes only and bears no reference to commencement of either the Term or rent payments.

29. DEFAULT.

a. In the event there is a breach by LESSEE with respect to any of the provisions of this Agreement or its obligations under it, including the payment of rent, LESSOR shall give LESSEE written notice of such breach. After receipt of such written notice, LESSEE shall have fifteen (15) days in which to cure any monetary breach and thirty (30) days in which to cure any non-monetary breach, provided LESSEE shall have such extended period as may be required beyond the thirty (30) days if the nature of the cure is such that it reasonably requires more than thirty (30) days and LESSEE commences the cure within the thirty (30) day period and thereafter continuously and diligently pursues the cure to completion. LESSOR may not maintain any action or effect any remedies for default against LESSEE unless and until LESSEE has failed to cure the breach within the time periods provided in this Paragraph.

After receipt of such written notice, LESSOR shall have thirty (30) days in which to cure any such breach, provided LESSOR shall have such extended period as may be required beyond the thirty (30) days if the nature of the cure is such that it reasonably requires more than thirty (30) days and LESSOR commences the cure within the thirty (30) day period and thereafter continuously and diligently pursues the cure to completion. LESSEE may not maintain any action or effect any remedies for default against LESSOR unless and until LESSOR has failed to cure the breach within the time periods provided in this Paragraph.

30. REMEDIES. Upon a default, the non-defaulting Party may at its option (but without obligation to do so), perform the defaulting Party's duty or obligation on the defaulting Party's behalf, including but not limited to the obtaining of reasonably required insurance policies. The costs and expenses of any such performance by the non-defaulting Party shall be due and payable by the defaulting Party upon invoice therefor. In the event of a default by either Party with respect to a material provision of this Agreement, without limiting the non-defaulting Party in the exercise of any right or remedy which the non-defaulting Party may have by reason of such default, the non-defaulting Party may terminate the Agreement, but only after the expiration of the applicable cure period, and/or pursue any remedy now or hereafter available to the non-defaulting Party under the Laws or judicial decisions of the state in which the Premises are located; provided, however, the non-defaulting Party shall use reasonable efforts to mitigate its damages in connection with a default by the other Party. If either Party so performs any of the other Party's obligations hereunder, the full amount of the reasonable and actual cost and expense incurred by such Party shall immediately be owing to the other Party, and such Party shall pay to the other Party upon demand the full undisputed amount thereof. Notwithstanding the foregoing, in the event of a LESSOR default, and LESSOR does not pay LESSEE the full undisputed amount within thirty (30) days of its receipt of an invoice setting forth the amount due from LESSOR, LESSEE may offset the full undisputed amount, including all accrued interest, due against all fees due and owing to LESSOR until the full undisputed amount, including all accrued interest, is fully reimbursed to LESSEE.

31. ENVIRONMENTAL.

a. LESSOR will be responsible for all obligations of compliance with any and all environmental and industrial hygiene laws, including any regulations, guidelines, standards, or policies of any governmental authorities regulating or imposing standards of liability or standards of conduct with regard to any environmental or industrial hygiene conditions or concerns as may now or at any time hereafter be in effect, that are or were in any way related to activity now conducted in, on, or in any way related to the Tower or Property, unless such conditions or concerns are caused by the specific activities of LESSEE in the Premises.

b. LESSOR shall hold LESSEE harmless and indemnify LESSEE from and assume all duties, responsibility and liability at LESSOR's sole cost and expense, for all duties, responsibilities, and liability (for payment of penalties, sanctions, forfeitures, losses, costs, or damages) and for responding to any action, notice, claim, order, summons, citation, directive, litigation, investigation or proceeding which is in any way related to: a) failure to comply with any environmental or industrial hygiene law, including without limitation any regulations, guidelines, standards, or policies of any governmental authorities regulating or imposing standards of liability

or standards of conduct with regard to any environmental or industrial hygiene concerns or conditions as may now or at any time hereafter be in effect, unless such non-compliance results from conditions caused by LESSEE; and b) any environmental or industrial hygiene conditions arising out of or in any way related to the condition of the Tower or Property or activities conducted thereon, unless such environmental conditions are caused by LESSEE.

32. CASUALTY. In the event of damage by fire or other casualty to the Tower or Premises that cannot reasonably be expected to be repaired within forty-five (45) days following same or, if the Property is damaged by fire or other casualty so that such damage may reasonably be expected to disrupt LESSEE's operations at the Premises for more than forty-five (45) days, then LESSEE may, at any time following such fire or other casualty, provided LESSOR has not completed the restoration required to permit LESSEE to resume its operation at the Premises, terminate this Agreement upon fifteen (15) days prior written notice to LESSOR. Any such notice of termination shall cause this Agreement to expire with the same force and effect as though the date set forth in such notice were the date originally set as the expiration date of this Agreement and the Parties shall make an appropriate adjustment, as of such termination date, with respect to payments due to the other under this Agreement. Notwithstanding the foregoing, the rent shall abate during the period of repair following such fire or other casualty in proportion to the degree to which LESSEE's use of the Premises is impaired.

33. CONDEMNATION. In the event of any condemnation of all or any portion of the Property, this Agreement shall terminate as to the part so taken as of the date the condemning authority takes title or possession, whichever occurs first. If as a result of a partial condemnation of the Premises or Tower, LESSEE, in LESSEE's sole discretion, is unable to use the Premises for the purposes intended hereunder, or if such condemnation may reasonably be expected to disrupt LESSEE's operations at the Premises for more than forty-five (45) days, LESSEE may, at LESSEE's option, to be exercised in writing within fifteen (15) days after LESSOR shall have given LESSEE written notice of such taking (or in the absence of such notice, within fifteen (15) days after the condemning authority shall have taken possession) terminate this Agreement as of the date the condemning authority takes such possession. LESSEE may on its own behalf make a claim in any condemnation proceeding involving the Premises for losses related to the equipment, conduits, fixtures, its relocation costs and its damages and losses (but not for the loss of its leasehold interest). Any such notice of termination shall cause this Agreement to expire with the same force and effect as though the date set forth in such notice were the date originally set as the expiration date of this Agreement and the Parties shall make an appropriate adjustment as of such termination date with respect to payments due to the other under this Agreement. If LESSEE does not terminate this Agreement in accordance with the foregoing, this Agreement shall remain in full force and effect as to the portion of the Premises remaining, except that the rent shall be reduced in the same proportion as the rentable area of the Premises taken bears to the total rentable area of the Premises. In the event that this Agreement is not terminated by reason of such condemnation, LESSOR shall promptly repair any damage to the Premises caused by such condemning authority.

34. SUBMISSION OF AGREEMENT/PARTIAL INVALIDITY/AUTHORITY. The submission of this Agreement for examination does not constitute an offer to lease the Premises and this Agreement becomes effective only upon the full execution of this Agreement by the Parties. If any provision herein is invalid, it shall be considered deleted from this Agreement and shall not invalidate the remaining provisions of this Agreement. Each of the Parties hereto warrants to the

other than the person or persons executing this Agreement on behalf of such Party has the full right, power and authority to enter into and execute this Agreement on such Party's behalf and that no consent from any other person or entity is necessary as a condition precedent to the legal effect of this Agreement.

35. APPLICABLE LAWS. During the Term, LESSOR shall maintain the Property and all structural elements of the Premises in compliance with all applicable laws, rules, regulations, ordinances, directives, covenants, easements, zoning and land use regulations, and restrictions of record, permits, building codes, and the requirements of any applicable fire insurance underwriter or rating bureau, now in effect or which may hereafter come into effect (including, without limitation, the Americans with Disabilities Act and laws regulating hazardous substances) (collectively "Laws"). LESSEE shall, in respect to the condition of the Premises and at LESSEE's sole cost and expense, comply with (a) all Laws relating solely to LESSEE's specific and unique nature of use of the Premises (other than general office use); and (b) all building codes requiring modifications to the Premises due to the improvements being made by LESSEE in the Premises.

36. SURVIVAL. The provisions of the Agreement relating to indemnification from one Party to the other Party shall survive any termination or expiration of this Agreement. Additionally, any provisions of this Agreement which require performance subsequent to the termination or expiration of this Agreement shall also survive such termination or expiration.

37. CAPTIONS. The captions contained in this Agreement are inserted for convenience only and are not intended to be part of the Agreement. They shall not affect or be utilized in the construction or interpretation of the Agreement.

38. TEMPORARY EASEMENT. LESSOR hereby grants LESSEE a temporary easement (the "Temporary Easement") to encumber a twenty foot (20') wide portion on each side of the Right of Way described in Paragraph 1 above, all as shown on Exhibit A hereto (the "Temporary Easement Area"). LESSOR and LESSEE acknowledge and agree that the Temporary Easement shall be for the purpose of clearing any rocks, dirt, brush, trees or other vegetation, grading, excavation, and storing materials (including, without limitation, excavated soil and equipment) in order to allow for the construction and installation of LESSEE's telecommunications facility as described herein. The Temporary Easement granted hereunder shall terminate upon the completion of the construction and installation of LESSEE's telecommunications facility and LESSEE shall return the Temporary Easement Area to as good a condition as is reasonably practicable considering the clearing and grading that is to be performed by LESSEE. Said Temporary Easement shall expire no later than one (1) year following Commencement Date.
