A RESOLUTION ADOPTING AN AMENDED SCHEDULE OF SEWER RENTS FOR THE ONONDAGA COUNTY SANITARY DISTRICT

WHEREAS, by Resolution No. 563-1978 and pursuant to the Onondaga County Administrative Code Section 11.79, this County Legislature established and imposed a schedule of sewer rents for the Onondaga County Sanitary District (“District”), and such schedule imposed sewer rents upon property owners within the District on the basis of a “unit”, using an estimate of 146,000 gallons per year for each such unit; and

WHEREAS, by Resolution No. 160-2019, this County Legislature provided for a new schedule of sewer rents, redefining a unit using an estimate of 125,000 gallons per year for each such unit; and

WHEREAS, by adopting this resolution, such unit will be redefined using an estimate of 120,000 gallons per year for each such unit, and the schedule of proposed sewer rents provided herein will become effective on and after January 1, 2021; and

WHEREAS, the proposed schedule was filed with the Clerk of the County Legislature and with the clerks of the various towns, villages and the City of Syracuse, all within or partly within the District wherein such proposed sewer rents will be effective; and

WHEREAS, pursuant to the Onondaga County Administrative Code, the Commissioner of Water Environment Protection held a hearing on October 13, 2020 to consider the modification of sewer rents and has prepared and submitted a Report dated October 13, 2020, as approved by the County Executive and filed with the Clerk of the Onondaga County Legislature, recommending modification to the existing schedule of sewer rents; and

WHEREAS, a public hearing was held by this Onondaga County Legislature on December 1, 2020; now, therefore be it

RESOLVED, that this Onondaga County Legislature hereby modifies sewer rents for the District to be allocated on the basis of “units” as defined in the following schedule, where one unit is based on the estimate of 120,000 gallons to be used per year for each such unit:

- a. Single family structure, mobile home, townhouse, condominium – one unit each.
- b. All other multi-family residential structures – three-fourths unit per family.
- c. Mixed use properties having both residential and commercial use – three-fourths unit per family plus 1 unit assigned for the total commercial space, or, alternatively, in the event that the actual water usage exceeds the calculation of gallons per unit within this subsection (c) for the residential and commercial portions of the property, the number of units to be assigned to such property shall be based on water bills, as follows:
 - 1. Up to 120,000 gallons per year – one unit;
 - 2. One unit and fraction thereof for each 120,000 gallons per year.

- d. Commercial, industrial and institutional properties – units to be assigned based on water bills, or, where property is metered, or sufficient verification exists of wastewater discharged, as follows:
1. Up to 120,000 gallons per year – one unit;
 2. One unit and fraction thereof for each 120,000 gallons per year.

and, be it further

RESOLVED, that this Legislature does hereby establish and impose the above schedule of sewer rents to be effective January 1, 2021, and said sewer rents shall be levied, collected and enforced from the several lots and parcels of land within the District served by the sewer system for use of the same, in the same manner and at the same time as other County charges, and shall constitute a lien pursuant to law upon the real properties served by the sewer system; and, be it further

RESOLVED, that the Clerk of the Onondaga County Legislature hereby is directed to record a certified copy of this Resolution in the Office of the County Clerk of Onondaga County and thereafter to publish this Resolution in the official newspaper of the County at least once, where publication shall be at least thirty (30) days before the effective date hereof.

LOCAL LAW NO. _____ - 2020

A LOCAL LAW AUTHORIZING THE SALE OF COUNTY PROPERTY KNOWN AS SHOPPINGTOWN PURSUANT TO THE COURT ORDERED REQUEST FOR PROPOSALS

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF ONONDAGA, AS FOLLOWS:

Section 1. The County is the owner of tax delinquent property commonly referred to as Shoppingtown (the "Property") located within the Town of Dewitt.

Section 2. Pursuant to proceedings and orders of the United States Bankruptcy Court for the Western District of Pennsylvania, and pursuant further to proceedings and orders of the New York State Supreme Court for the Fifth Judicial District, the County and the Debtor (as defined within the Bankruptcy proceedings), together with the Town of Dewitt and the Jamesville-Dewitt Central School District, are resolving all tax and bankruptcy matters and proceedings before the courts regarding the Property. The court proceedings include the requirement for the County or its designee to issue a Request for Proposals for the purchase and sale of the Property, excluding the Chili's property which will be subdivided pursuant to the Bankruptcy proceedings.

Section 3. The interests of the County and of the wider public are served by the marketing and sale of Shoppingtown, with the goal of redevelopment and generation of greater revenues through real property taxes and sales taxes from the ultimate transfer of the property to a subsequent buyer.

Section 4. To that end, the County Executive and the Chief Fiscal Officer hereby are authorized to execute deeds and documents for the purchase and sale of the Property, in whole or in part, to the successful proposer of the Request for Proposals, for good and valuable consideration, pursuant to the order and proceedings of the U.S. Bankruptcy Court for the Western District of Pennsylvania. The property is surplus property within New York State County Law Section 215 and is not needed for a county purpose.

Section 5. This local law shall be filed and take effect in accordance with the provisions of the Municipal Home Rule Law, subject to a permissive referendum.
