Dear Ms. Rooney,

I am writing to commend one of your Onondaga County employees, Ms. Anne-Marie Mancilla, Veteran Services Director. Ms. Mancilla has been unrelenting in her efforts to help me with my application for VA Disability Benefits. This has been time consuming; but, she was always ready with a different appeal and her amazing energy at every VA administrative roadblock. Since my experience with her talents, I have referred several Veterans, known from various Veteran Groups, to her services. I have also found out that other counties are not so blessed as we are in our County.

I wanted to thank you for Managing such a useful group and Ms. Mancilla in particular.

Many thanks.

Partnered with the New York Food Policy Council on the behalf of the New York State Academy of Nutrition and Dietetics (NYSAND) to introduce opportunities for NYSAND and the Council of Food Policy to collaborate on how NYSAND can be a resource in assisting New York State in developing food policy that will ensure safe, fresh, nutritious and affordable food for all New Yorkers, especially to low income residents, senior citizens and children; and how to modify state agriculture policy that will promote increase sales of New York agricultural products to New York customers.

Organized community leaders in Onondaga County to create the *Farm Fresh Mobile Market* to deliver locally grown fruits and vegetables (from area farmers) to low income, minority neighborhoods located in food deserts.

Collaborated with The Maxwell School of Citizenship and Public Affairs of Syracuse University by working with Maxwell geographers to bring a geographic understanding to questions of poverty and malnutrition in the city of Syracuse, NY. The information was used to conduct a food-stamps enrollment drive in neighborhoods where the maps showed such needs to be especially high and to raise awareness to hunger in the local community.

Restructured the delivery of nutrition/wellness services for hospital-discharged seniors through the Administration on Aging demonstration grant *Community Connections: Moving Seniors toward Wellness Grant*.

Partnered with Vietnamese Community Elders – successfully created the Vietnamese Community Center for elders. The center provides senior services funded by the Older Americans Act. The center originally served 25; the center now serves 50 seniors.

Dear Ms. McNamara:

Enclosed please find a certified copy of Special Ordinance No. 287-2022, adopted by a unanimous vote of the Syracuse Common Council on Monday, May 23, 2022 and signed by the Mayor on May 26, 2022.

This legislation authorized the Mayor, on behalf of the City of Syracuse, to opt out of the recently imposed Onondaga County gas tax cap, to allow the City to be compensated for any negative financial impact that the County's gas tax cap may have on the City sales tax revenue. Under the opt-out provisions, City residents will still benefit from the County's cap but the City itself may be made whole on revenue loss.

RESOLVED, that the above referenced actions shall not preclude a municipality, at its discretion, from submitting any such action for referral to the County Planning Board pursuant to the provisions of General Municipal Law Sections 239-m and -n, in which case such referral shall comply with and be bounded by all requirements and time frames associated with said action; and, be it further

RESOLVED, that a municipality may at any time request assistance of the Syracuse-Onondaga County Planning Agency in making a determination of the applicability of these provisions; and, be it further
