LOCAL LAW NO. 2 2009

A LOCAL LAW PROHIBITING THE SALE OF TOBACCO PRODUCTS OR HERBAL CIGARETTES, ROLLING PAPERS OR PIPES TO ANYONE UNDER THE AGE OF 19 EXCEPT PERSONS SERVING IN THE UNITED STATES MILITARY, INCLUDING NATIONAL GUARD AND RESERVES

BE IT ENACTED BY THE COUNTY LEGISLATURE OF ONONDAGA COUNTY AS FOLLOWS:

Section 1. Findings/Purpose.

This Legislature hereby finds and determines that primary tobacco use is a major cause of mortality and morbidity, directly causing an estimated 434,000 deaths per year in the United States; more deaths than are caused by the use of any other legal or illegal substance or drug. This Legislature also finds and determines that every eight seconds someone in the world dies due to tobacco. This Legislature further finds that over 80% of adult smokers began smoking before the age of 18 and tobacco companies make \$1.8 billion from under age sales.

This Legislature determines that the effects of smoking generated by the smoking of cigars, cigarettes, pipes, and similar articles pose a threat to the health, safety and well-being of youth within Onondaga County. The purpose of this local law is to make tobacco products inaccessible to Onondaga County high school age youth to reduce the chances that they will become addicted to cigarettes at any age.

Section 2. Definitions.

As used in this local law:

(a) "Person" means a person, firm, company, corporation, partnership, sole proprietor, limited partnership or association.

(b) "Tobacco products" means one or more cigarettes or cigars, bidis, chewing tobacco, powdered tobacco, nicotine water or any other tobacco products.

(c) "Herbal cigarette" means any product made primarily of an herb or combination of herbs, and intended to be smoked in any of the methods that tobacco is smoked, including but not limited to, as a cigarette, cigar or pipe filler.

(d) "Bidis" means a product containing tobacco that is wrapped in temburni leaf (*diospyros melanoxylon*) or tendra leaf (*diospyros exculpra*), or any other product offered to consumers as "beedies" or "bidis".

(e) "Tobacco business" means a sole proprietorship, corporation, limited liability company, partnership or other enterprise in which the primary activity is the sale, manufacture or promotion of tobacco, tobacco products and accessories, licensed by the State of New York to sell, either at wholesale or retail, and in which the sale, manufacture or promotion of other products is merely incidental.

(f) "Nicotine water" means bottled water that is laced with nicotine.

Section 3. Prohibitions.

Any person operating a place of business wherein tobacco products or herbal cigarettes are sold or offered for sale is prohibited from selling such products, herbal cigarettes, rolling papers or pipes to individuals under 19 years of age, except for all persons who are 18 years of age and are serving in the United States military, including National Guard and Reserves and shall post in a conspicuous place, a sign upon which there shall be imprinted the following statement:

“SALE OF CIGARETTES, CIGARS, CHEWING TOBACCO, POWDERED TOBACCO, OR OTHER TOBACCO PRODUCTS, HERBAL CIGARETTES, ROLLING PAPERS OR PIPES, TO PERSONS UNDER NINETEEN (19) YEARS OF AGE, IS PROHIBITED UNDER PENALTY OF LAW. THIS PROHIBITION SHALL NOT APPLY TO SALES TO PERSONS EIGHTEEN (18) YEARS OF AGE SERVING IN THE UNITED STATES MILITARY, INCLUDING NATIONAL GUARD AND RESERVES.”

Such sign shall be printed on a white card in red capital letters at least three quarters of an inch (3/4) in height.

Sale of tobacco products or herbal cigarettes in such places, other than by a vending machine, shall be made only to an individual who demonstrates that such individual is at least 19 years of age, or is 18 years of age and serving in the United States military, including National Guard and Reserves through:

(a) a valid driver's license or non-driver's identification card issued by the Commissioner of Motor Vehicles, the federal government, any United States territory, commonwealth or possession, the District of Columbia, a state government within the United States or a provincial government of the dominion of Canada; or

(b) a valid passport issued by the United States government or any other country; or

(c) an identification card issued by the armed forces of the United States.

Such identification need not be required of any individual who reasonably appears to be at least twenty-five (25) years of age, provided, however, that such appearance shall not constitute a defense in any proceeding alleging the sale of a tobacco product or herbal cigarettes in violation of this Local Law.

Section 4. Storage for Sale.

No person operating a place of business wherein tobacco products or herbal cigarettes are sold or offered for sale shall sell, permit to be sold, offer for sale or display for sale any tobacco product or herbal cigarettes in any manner, unless such products and cigarettes are stored for sale:

(a) behind a counter in an area accessible only to the personnel of such business; or

(b) in a locked container, provided, however, such restriction shall not apply to tobacco businesses and to places to which admission is restricted to persons 19 years of age or older.

Section 5. Inspection and Enforcement.

The Onondaga County Department of Health shall enforce this law in accordance with the procedures set forth in Article 1-B of the Onondaga County Sanitary Code. The Onondaga County Health Commissioner or his/her designee shall be authorized to serve a Notice of Violation of this law. Any such Notice of Violation will also serve as notice of a hearing and shall include the following information: charges and violations complained of with specific reference to this local law; the time and place of the hearing; the purpose of the hearing; the right to present evidence; the right to examine and cross examine witnesses; and the right to be represented by counsel.

Section 6. Penalties.

(a) Any person who violates any provision of section 3 or 4 of this local law shall be subject to the imposition of a civil penalty by the Commissioner of the Department of Health of a minimum of three hundred dollars, but not to exceed one thousand dollars for a first violation, and a minimum of five hundred dollars, but not to exceed one thousand five hundred dollars for each subsequent violation. Provided, however, that such penalties shall not be imposed in any case where such person shall have been found to have sold tobacco products in violation of Article 13-F of the New York State Public Health Law, known as the Adolescent Tobacco Use Prevention Act (ATUPA).

(b) For purposes of enforcing the ban on the sale of any tobacco products and/or herbal cigarettes to minors, other than by a vending machine, a sale of any tobacco products and/or herbal cigarette shall be made only to an individual who demonstrates that he/she is at least 19 years of age, or is 18 years of age and serving in the United States military, including National Guard and Reserves, and has demonstrated such in accordance with the guidelines set forth hereinabove in Section 3(a), (b) and (c).

Such identification need not be required of any individual who reasonably appears to be at least 25 years of age; provided, however, that such appearance shall not constitute a defense in any proceeding alleging the sale of any tobacco product and/or herbal cigarette in violation of this Local Law.

Section 7. Applicability.

This law shall apply to all sales of products prohibited on or after the effective date of this Local Law.

Section 8. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

A LOCAL LAW AUTHORIZING PAYMENT OUT OF THE 2009 COUNTY BUDGET FOR THE RELOCATION OF EITHER THE DEPUTY MEDICAL EXAMINER OR THE PATHOLOGIST FOR THE MEDICAL EXAMINER'S OFFICE IN THE CENTER FOR FORENSIC SCIENCES UP TO A MAXIMUM AMOUNT OF \$2,000

BE IT ENACTED BY THE COUNTY LEGISLATURE OF ONONDAGA COUNTY AS FOLLOWS:

Section 1. Findings/Purpose.

This Legislature hereby finds that pathology services are critical to the Medical Examiner's Office in the Center for Forensic Sciences. To perform these services, Onondaga County is actively recruiting to fill either the position of Deputy Medical Examiner or Pathologist. However, prior searches to fill these positions have revealed that qualified candidates were not always available locally. It may be necessary to pay for the successful candidate's actual and reasonable relocation expenses in order to attract him or her to Onondaga County. Therefore, this Legislature deems it appropriate to approve payment for the reasonable, actual, and necessary relocation expenses for either the Deputy Medical Examiner or the Pathologist position.

Section 2. This Legislature does hereby authorize payment up to a maximum amount of \$2,000 from the Onondaga County Budget for 2009 for the reasonable, actual, and necessary relocation expenses for the position of either Deputy Medical Examiner or Pathologist; provided, however, that the newly-hired Deputy Medical Examiner or Pathologist agrees to repay the relocation expenses if he or she vacates that position within a period of one year from the date of hire.

Section 3. This local law shall take effect immediately upon filing in the Office of the Secretary of State pursuant to section 27 of the Municipal Home Rule Law.

- b. - g. "Stopped" shall mean not in motion.

Section 3. Prohibited Uses of Electronic Devices While Operating A Motor Vehicle.

- a. No person shall use a wireless handset to compose, read or send text messages while operating a

motor vehicle on any public street or public highway within the County of Onondaga.

 - (i) A person using a wireless handset to contact law enforcement, public safety or police officers, emergency services officials, first aid, emergency medical technicians and personnel, and fire safety officials; or
 - (ii) A person using a wireless handset inside a motor vehicle while such motor vehicle is parked, standing or stopped and is removed from the flow of traffic, in accordance with applicable laws, rules or ordinances, or is stopped due to the inoperability of such motor vehicle.
- c. This Local Law shall apply to law enforcement, public safety or police officers, emergency personnel, first aid, emergency medical technicians and personnel, and fire safety officials except:
 - (i) When such officials are using government issued wireless handset, communication devices, computers, and electronic or computing devices in the performance their duties and in the course of their employment; or
 - (ii) When an emergency situation requires such officials to use their personal wireless handset in the performance of their duties and in the course of their employment.
- d. The prohibition contained in Section 3 shall not be construed to prohibit a person operating a motor vehicle from utilizing a hands-free wireless handset.

Section 4. Enforcement and Penalties.

- a. A violation of any provision of Section 3 of this local law shall constitute an offense and be punishable by a fine not to exceed \$150.00 for each violation. Each such violation shall constitute a separate and distinct offense.
- b. Any law enforcement agency having jurisdiction within the geographic boundaries of the County of Onondaga shall have authority to enforce the provisions of this local law.

Section 5. Applicability.

This law shall apply to all actions occurring on or after the effective date of this law.

Section 6. Reverse Preemption.

This law shall be null and void on the day that statewide or federal legislation goes into effect, incorporating either the same or substantially similar provisions as are contained in this law, or in the event that a pertinent State or Federal administrative agency issues and promulgates regulations preempting such action by the County of Onondaga. The Onondaga County Legislature may determine via resolution whether or not identical or substantially similar statewide legislation has been enacted for the purposes of triggering the provisions of this section.

Section 7. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this Local Law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 1. Onondaga County has authorized the development of a fully interoperable emergency communications system serving police, fire and EMT agencies in Onondaga County. Such emergency communications system will become operational June 30, 2010. To help fund this project, the State of New York has enacted S2861 and A5013 being Chapter 264 of the Laws of 2009, which adds a new Section 334 of the County Law, authorizing Onondaga County to impose an additional surcharge per access line per month.

Section 2. Pursuant to County Law Section 334, there is hereby imposed a surcharge, in addition to the surcharge established and imposed under Section 303 of the County Law, in the amount of sixty-five cents per access line per month on the customers of every service supplier within Onondaga County, subject to the restrictions provided for herein, to pay for the costs associated with obtaining, operating and maintaining the telecommunication equipment and telephone services needed to provide an enhanced 911 emergency telephone system to serve Onondaga County. All service suppliers shall begin to add the additional sixty-five cent surcharge as provided for herein to the billings of its customers as of December 1, 2009. The surcharge established and imposed herein shall be imposed on a per access line basis on all current bills rendered for local exchange access service within the 911 service area. No such surcharge shall be imposed upon more than seventy-five exchange access lines per customer per location. Lifeline customers, a public safety agency and Onondaga County are exempt from any surcharge imposed herein.

Section 3. When the County Executive has signed this local law into effect, the Department of Emergency Communications shall then be directed to provide written notice of this local law and the surcharge to any service supplier who provides local access service to customers within Onondaga County. The service suppliers shall receive such notice at least forty-five days in advance of December 1, 2009, the date on which the service suppliers are to impose the surcharge.

**A LOCAL LAW PROHIBITING SMOKING WITHIN 100 FEET OF THE PERIMETER OF
PROPERTY OPERATING AS A GENERAL HOSPITAL**

**BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF ONONDAGA,
AS FOLLOWS:**

Section 1. This Legislature hereby finds and determines that tobacco use is one of the leading causes of death and that exposure to second hand smoke is detrimental to human health. While Article 13E of the New York State Public Health law prohibits smoking in all general hospitals, the law does not prohibit smoking in the area surrounding hospitals, oftentimes requiring the sick and infirm to traverse areas in which smokers congregate when entering or exiting hospital property. The New York State Clean Indoor Air Act provides at Section 1399-r that municipalities are not restricted from adopting additional legislation that complies with at least the minimum applicable state standards, and this Legislature deems it necessary to further protect the public from exposure to second hand smoke by prohibiting smoking in areas surrounding general hospitals, where those who are suffering from health problems and are among our most vulnerable citizens, would be, but for this legislation, forced to encounter second hand smoke.

Section 2. No person shall smoke in any area open to the public that is within one hundred feet of the perimeter of the building or the property on which a general hospital is located, as that term is defined in New York State Public Health Law §2801(10), provided that any such general hospital has voluntarily elected to post a sign at either its building or property line perimeter, at its election, notifying the public that smoking is prohibited, within 100 feet of such sign. Such sign shall be at least a minimum of a 2' x2' in size, contain the International No Smoking symbol, and state that smoking is prohibited as provided for herein. Hospitals may erect signage that exceeds these minimum standards based on individual circumstances and judgment. Such signs shall be placed at regular intervals and shall contain lettering sufficient in size to be visible and legible to persons standing within 100 feet of said sign so as to afford reasonable notice to the public regarding the area in which smoking is prohibited. For purposes of this Local Law "area open to the public" shall mean any public street, sidewalk, parking lot, or parking facility. Nothing contained herein shall be deemed to constitute a regulation or standard for a general hospital under Public Health Law §2812 or to regulate state owned buildings and grounds. Nothing contained herein shall be construed to prohibit smoking in a private automobile, private home or residence, hotel or motel room rented to guests, retail tobacco business, or in any other location where smoking is otherwise permitted pursuant to federal, state or local law, ordinance or regulation. Any hospital that voluntarily participates in this local law shall, at the inception of a violation, use its best efforts to enforce this local law using hospital personnel.

Section 3. Violation. It shall be unlawful for any person to smoke in any area where smoking is prohibited under this local law and violation of this local law shall constitute an offense.

Section 4. Penalty. Any person who violates any term or provision of this local law shall be liable for a civil penalty not to exceed \$50.00 for every such violation.

Section 5. Limitation of causes of action. No person who complies or fails to comply with the provisions of this local law shall be subject to any legal liability or action solely as a result of such compliance or noncompliance, except as specifically provided for herein. Nothing in any other section of

this local law shall be construed to create, impair, alter, limit, modify, enlarge, abrogate or restrict any theory of liability upon which any person may be held liable to any other person for exposure to smoke.

Section 6. Reverse Preemption. This law shall be null and void on the day that statewide or federal legislation goes into effect, incorporating either the same or substantially similar provisions as are contained in this law, or in the event that a pertinent State or Federal administrative agency issues and promulgates regulations preempting such action by the County of Onondaga. The Onondaga County Legislature may determine via resolution whether or not identical or substantially similar statewide legislation has been enacted for the purposes of triggering the provisions of this section.

Section 7. Severability. If any clause, sentence, paragraph, or section of this local law shall be held invalid by any court of competent jurisdiction, or the application of this local law to any person or set of circumstances shall be held invalid, such invalidity or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, section, or operation of this local law directly involved in the controversy in which the judgment shall have been rendered. To further this end, the provisions of this local law are hereby declared to be severable.

Section 8. Effective Date. This local law shall take effect November 1, 2009 and shall be filed pursuant to the provisions of the New York State Municipal Home Rule Law.
