LOCAL LAW NO. 2 - 2013

A LOCAL LAW AMENDING THE ONONDAGA COUNTY ADMINISTRATIVE CODE
REGARDING THE DEPARTMENT OF LONG TERM CARE SERVICES

BE IT ENACTED BY THE ONONDAGA COUNTY LEGISLATURE OF THE COUNTY OF
ONONDAGA, NEW YORK, AS FOLLOWS:

Section 1. Findings. The County of Onondaga has provided residential nursing home services to area residents for over 100 years and, prior to that, residential care for indigent and disabled residents. Over the years, the respective roles of government and the private sector have evolved and the County has ceased participation in providing direct residential care for the indigent and disabled as various charitable and proprietary organizations have become the standard means of delivering these services to community members in need of such services. Currently, the County cannot provide residential skilled nursing services in an economically feasible manner. Therefore, this Legislature finds that it is in the interests of the County to divest itself of the Van Duyn Home and Hospital and cease participation in the business of providing such residential skilled nursing services. Demographic trends point toward an aging general population. This fact, coupled together with federal and state public policy directed at maintaining frail and older adults in the community and out of institutions, causing this Legislature to further find that a need exists to more effectively plan, coordinate, and deliver community-based health, mental health, and social services.

Section 2. Intent. Based upon the findings set forth in Section 1 above, it is the desire and the intent of the County Legislature to better coordinate the various health, mental health, and social services provided to frail and older adults within Onondaga County. As such, the local law provides for the expansion of the powers and duties of the Commissioner of Long Term Care Services, requiring the addition of some new responsibilities and transferring over some functions and duties from the Department of Social Services.

Section 3. The Onondaga County Administrative Code, being Local Law No. 1 of 1975, as previously amended, hereby is further amended in Article 11 thereof to amend Section 11.02 to add the following powers and duties to the Commissioner of Long Term Care Services:

(h) Inventory the health, mental health and social services provided to frail and older adults residing within Onondaga County, including services administered directly by Onondaga County and services provided at the direction of the County under contract, and use such inventory to provide periodic analysis and reports to the County Executive and other government officials regarding such services.

(i) Initiate and develop, under the direction of the County Executive, strategies for the maximum integration of these services, toward the goal of developing a comprehensive and efficient system of residential and community-based care.

(j) Make recommendations and proposals to the County Executive for improving residential and community-based care provided to frail and older adults residing within Onondaga County.

(k) Maintain close liaison with third-party entities providing health, mental health and social services provided to frail and older adults residing within Onondaga County.

Section 4. The Onondaga County Administrative Code hereby is further amended in Article 11 to strike Section 11.03 and 11.04 regarding the Deputy Commissioner of Residential Services.

Section 5. The Onondaga County Administrative Code is further amended to provide for the Division of Long Term Care Services and adding the following new sections 11.09 and 11.10.

Section 11.09. DIVISION OF LONG TERM CARE SERVICES; DEPUTY COMMISSIONER OF LONG TERM CARE SERVICES.

There shall be within the Department of Long Term Care Services a Division of Long Term Care Services under the direction of a Deputy Commissioner. The Deputy Commissioner shall be appointed by the Commissioner and, unless otherwise required by law, serve at the pleasure of the Commissioner. Appointments and revocations of appointments pursuant to this section shall be made by the Commissioner in writing and shall be filed with the Commissioner of Personnel. The Deputy Commissioner shall be in the exempt class of service unless otherwise provided by law.

Section 11.10. DEPUTY COMMISSIONER OF LONG TERM CARE SERVICES; POWERS AND DUTIES.

The powers and duties of the Deputy Commissioner of Long Term Care Services shall be to:

(a) Encourage the development of residential long term care programs in the County of Onondaga.

(b) Assist and advise the Commissioner of Long Term Care Services in the performance of the powers and duties of such office.

(c) Develop a system of results-based accountability for all services provided, either directly or under contract, to ensure effectiveness/efficiency of service provision.

(d) Develop and maintain relationships with organizations/systems outside of the County domain to ensure maximum coordination among service efforts.

(e) Maintain financial oversight of county-funded services, toward the goals of maximizing funding opportunities and ensuring cost-effective service delivery.

(f) Make recommendations and proposals for improving residential long term care services in Onondaga County.

(g) Assist the Commissioner in the preparation and administration of the budget for the Department.

(h) Provide oversight, management, and consultative services to other employees within the Department.

(i) Perform such other and related duties as may be required by the Commissioner.

(j) Develop agreements and contracts, subject to the approval of the County Executive, to provide services and to secure services needed by the division.

Section 6. The Administrative Code is hereby further amended to provide for a transfer of duties from the Department of Social Services into the Department of Long Term Care Services with respect to the Division of Community Services. Article 14 is amended to strike therefrom Sections 14.04A and 14.04B. The Administrative Code is hereby further amended to add the following language into Article 11 as Sections 11.11 and 11.12:

Section 11.11. DIVISION OF COMMUNITY SERVICES; DEPUTY COMMISSIONER OF COMMUNITY SERVICES.

There shall be within the Department of Long Term Care Services a Division of Community Services under the direction of a Deputy Commissioner. The Deputy Commissioner shall be appointed by the Commissioner and, unless otherwise required by law, serve at the pleasure of the Commissioner. Appointments and revocations of appointments pursuant to this section shall be made by the Commissioner in writing and shall be filed with the Commissioner of Personnel. - (e) Ensure that the management and the services delivered by the division provided hereunder are in compliance with applicable laws and regulations.
- (f) Initiate, implement and update written policies and procedures for the operation of Community Services as may be required by law or regulation and as may be required for the efficient operation of programs.
- (g) Develop agreements and contracts, subject to the approval of the Commissioner, to provide services and to secure services needed by the division.
- (h) Administer certain adult welfare programs throughout the County, including but not limited to old age assistance programs and other related programs.
- (i) Make recommendations to the Commissioner, whenever appropriate, regarding all matters relating to delivery of community services.

Section 7. Except as specifically amended herein, the Onondaga County Administrative Code, as previously amended, shall remain in full force and effect.

Section 8. If any clause, sentence, paragraph, section or part of this local law shall be adjudged by a court of competent jurisdiction to be invalid, the judgment shall not effect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, section or part thereof directly involved in the controversy in which the judgment shall have been rendered.

A LOCAL LAW AUTHORIZING PAYMENT OUT OF THE 2013 COUNTY BUDGET FOR THE RELOCATION OF THE PATHOLOGIST FOR THE MEDICAL EXAMINER'S OFFICE IN THE CENTER FOR FORENSIC SCIENCES UP TO A MAXIMUM AMOUNT OF \$2,000

BE IT ENACTED BY THE COUNTY LEGISLATURE OF ONONDAGA COUNTY AS FOLLOWS:

Section 1. Findings/Purpose.

This Legislature hereby finds that pathology services are critical to the Medical Examiner's Office in the Center for Forensic Sciences. To perform these services, Onondaga County is actively recruiting to fill the position of Pathologist. However, prior searches to fill this position have revealed that qualified candidates were not always available locally. It may be necessary to pay for the successful candidate's actual and reasonable relocation expenses in order to attract him or her to Onondaga County. Therefore, this Legislature deems it appropriate to approve payment for the reasonable, actual, and necessary relocation expenses for the Pathologist position.

Section 2. This Legislature does hereby authorize payment up to a maximum amount of \$2,000 from the Onondaga County Budget for 2013 for the reasonable, actual, and necessary relocation expenses for the position of Pathologist; provided, however, that the newly-hired Pathologist agrees to repay the relocation expenses if he or she vacates that position within a period of one year from the date of hire.

A LOCAL LAW PROVIDING FOR PROPERTY TRANSACTIONS FOR THE ONONDAGA
COUNTY CENTRAL LIBRARY RECONFIGURATION PROJECT IN THE GALLERIES OF
SYRACUSE

BE IT ENACTED BY THE COUNTY LEGISLATURE OF ONONDAGA COUNTY AS FOLLOWS:

Section 1. Onondaga County, through the Onondaga County Public Library (OCPL), seeks to reconstruct the Robert P. Kinchen Central Library, located in The Galleries of Syracuse, to consolidate public service areas, improve access and visibility, maximize public services, and increase overall operational efficiency. This project will enlarge the library's footprint within the street level of the Galleries; create a new entrance from Salina Street; install an open stairway from the first to the second floor; and expand the second floor from the amount presently owned by the County.

To accomplish this project, the County needs to acquire rights to space on the first and second floors, and, after the reconfiguration is complete, there will be space on the third and fourth floors that will be no longer needed for County purposes. It is the intent of this Onondaga County Legislature to authorize the lease and execution of contracts for the lease of property located within The Galleries of Syracuse.

Section 2. Lease of County space to Galleries. The County hereby leases to The Onondaga Galleries Limited Liability Company approximately 63,061 square feet of space located on the third and fourth floors of the "Library Unit" of a condominium known as The Galleries of Syracuse, located within the 400 block of South Salina Street, Syracuse, New York.

The term of the lease agreement shall be from the date of execution and continue through December 31, 2038, with three optional renewal terms of five years each.

Consideration shall be the mutual rights of the County and The Onondaga Galleries Limited Liability Company to lease and occupy the respective spaces within the condominium.

Section 3. Lease of space by the County from Galleries. The County is hereby authorized to lease from The Onondaga Galleries Limited Liability Company approximately 27,000 square feet of space located within the first and second floors of the aforementioned condominium.

The term of the lease shall be from the date of execution and continue through December 31, 2038, with three optional renewal terms of five years each.

During the period of time that the County occupies both the first/second floor space and the third/fourth floor space ("period of double occupancy") rent paid by the County for the lease of the first/second floor space shall be in the amount of \$8 per square foot annually for the period of double occupancy. Thereafter, consideration shall be the mutual rights of the County and The Onondaga Galleries Limited Liability Company to lease and occupy the respective spaces within the condominium.

Section 4. The County Executive is authorized to take steps necessary to implement this local law, including entering into contracts regarding the lease of property located within The Galleries of Syracuse as provided for in this local law, and for the erection, demolition, and construction of county facilities within leased space within such building.

Section 5. This local law shall be subject to permissive referendum and shall take effect upon filing, pursuant to the provisions of the New York State Municipal Home Rule Law.

LOCAL LAW NO. 9 - 2013

A LOCAL LAW AMENDING THE ONONDAGA COUNTY CHARTER AND ADMINISTRATIVE
CODE FOR THE PURPOSES OF REORGANIZING CERTAIN HUMAN SERVICES
DEPARTMENTS

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF ONONDAGA, AS
FOLLOWS:

Section 1. Findings.

The County of Onondaga provides area residents with various human and financial services, including those services provided by the Department of Social Services, Department of Health, Department of Mental Health, Department of Aging and Youth, Department of Probation, and the Veterans' Services Office.

The departments tasked with delivering such services are established through the Onondaga County Charter and Administrative Code. These organizational documents were first established in the 1960s and 1970s. In the past few decades, the nature, scope, and depth of services provided by these departments have greatly changed. This Legislature hereby finds that a reorganization of these departments will better enable County officials to more effectively plan, coordinate, and deliver human services to Onondaga County residents, and such changes would likely result in higher quality services and a better allocation of resources. Specifically, the departments will be rearranged to focus on services addressing needs common to members of certain populations within the county.

Historically, counties have received some amount of state and federal funding to support service delivery at the local level. As a condition of receiving such funding, counties may be required to form and operate discrete programmatic districts or agencies and to engage in long-term planning, developing strategies to effectively use the funding to meet local community needs and goals and further the overarching policy set by the funding entity. To maintain eligibility for such funding, this Legislature finds that the reorganization structure established within this local law must provide a mechanism whereby an official may be designated as the chief executive official tasked with planning and implementing strategies for delivering certain local services within a discrete district and promoting identifiable programmatic goals in conformity with the various statutory and regulatory requirements for aid.

Section 2. Intent.

Based upon the findings set forth herein above, it is the desire and the intent of this Legislature to amend the Onondaga County Charter and Administrative Code to effect the reorganization of departments and allow for better coordination of certain human services provided to Onondaga County residents.

As such, this local law provides for a redistribution of powers and duties among departments and officials within the Executive branch. This local law creates the following new department: Department of Children and Family Services. This local law further amends the scope of the Department of Social Services, Department of Long Term Care Services, and Department of Probation. A new Division of Financial Operations is established within the Department of Finance. Finally, this local law abolishes the Department of Mental Health and the Department of Aging and Youth.

Section 3. Amendments to Charter and Administrative Code.

This Legislature hereby makes the following changes to the Onondaga County Charter (Local Law No. 1-1961, as previously amended, hereinafter referred to as "Charter") and the Onondaga County Administrative Code (being Local Law No. 1-1975, as previously amended, hereinafter referred to as "Administrative Code"), where such changes are to become effective on January 1, 2014.

LOCAL LAW NO. 13 - 2013

A LOCAL LAW AUTHORIZING FINANCIAL SUPPORT FOR THE PURPOSE OF MAKING
VARIOUS SANITARY IMPROVEMENTS FOR PRIVATE RESIDENCES LOCATED ON OR
ABOUT WHEDON ROAD WITHIN THE TOWN OF ONONDAGA

BE IT ENACTED BY THE COUNTY LEGISLATURE OF ONONDAGA COUNTY AS FOLLOWS:

Section 1. Purpose/Findings.

It is hereby determined to be in the interests of Onondaga County to provide financial support to defray the costs of constructing sewer improvements in the vicinity of Whedon Road, within the Town of Onondaga (the "Project"). The purpose of the Project is to abate a failed septic system serving approximately 34½ residential units located along Whedon Road. The Onondaga County Health Department advises that the existing septic system discharges sewage above ground, that sewage flows onto adjoining properties, and that the problem is exacerbated during periods of heavy rain. The Project would resolve these issues impacting the public health, and would resolve issues affecting the public welfare by avoiding blight in this area of the County. The projected costs of the Project are prohibitive to the property owners, and sewage discharges are expected to continue unless public financial support is provided for the Project.

Article 11-A of the Administrative Code further empowers the County to coordinate with the Town regarding financing certain public improvements that promote the public health, welfare, convenience and/or safety to prevent the costs incurred with such improvements from becoming an undue burden upon the improved properties.

This Onondaga County Legislature finds and determines that there are issues of public health and public welfare, and that contributing financial support to defray the costs of the Project and abate such problems is in the best interests of the County's residents and constitutes a county purpose.

Section 2. Authorization of Support.

Onondaga County is authorized to provide financial support to defray the costs of the Project. The amount of such support shall be subject to appropriations within the annual County Budget. The County Executive is authorized to enter into agreements to implement the intent of this local law.

Section 3. Effective Date.

This local law shall take effect immediately and shall be filed pursuant to the Municipal Home Rule Law.
