A LOCAL LAW RELATING TO THE ESTABLISHMENT OF FEES COLLECTED BY THE
ONONDAGA COUNTY DEPARTMENT OF HEALTH AND EXEMPTIONS THEREFROM FOR
CHARITABLE ORGANIZATIONS, AND AMENDING LOCAL LAW NO. 16 - 2002, AS
PREVIOUSLY AMENDED

BE IT ENACTED BY THE COUNTY LEGISLATURE OF ONONDAGA COUNTY AS FOLLOWS:

Section 1. Findings/Purpose: The Onondaga County Health Department collects various fees for services it renders, including fees to cover administrative costs related to the issuance of permits for food operations. Historically, Onondaga County has exempted certain classes of not-for-profit entities from the payment of such fees. It is now necessary to expand the classes of not-for-profit entities, as the imposition of the permit fees on such entities may create a financial hardship and could potentially hinder fund raising activities needed to support charitable activities in the community.

Section 2. Local Law No. 16 - 2002, as previously amended by Local Law No. 19 - 2010, is hereby further amended in Section 2 thereof with respect to the exemption language at the end of the portion labeled "Food Service Establishments & Machinery Issuance" to insert the language "Section 501(c)(8) not-for-profit corporations" immediately after the language: "Section 501(c)(3) not-for-profit corporations, Section 501(c)(10) not-for-profit corporations".

Section 3. Local Law No. 16 - 2002, as previously amended, shall continue in effect, except as amended herein.

Section 4. This local law shall take effect immediately upon filing in the Office of the Secretary of State pursuant to section 27 of the Municipal Home Rule Law.

LOCAL LAW NO. 2 - 2016

A LOCAL LAW AUTHORIZING PROGRAMS FOR MANAGEMENT AND REDUCTION OF DEER
AND TICK POPULATIONS WITHIN ONONDAGA COUNTY

BE IT ENACTED BY THE COUNTY LEGISLATURE OF ONONDAGA COUNTY AS FOLLOWS:

Section 1. Purpose/Intent.

Persons and property within Onondaga County are at risk of harm from the rising populations of deer and ticks. It is necessary for the County to develop programs for management and reduction of deer and tick populations and for public education around the potential harm. This local law is adopted pursuant to subsections (11) and (12) of Municipal Home Rule Law Section 10(1)(ii)(a), whereby the County is empowered to adopt local laws for the protection and enhancement of its physical and visual environment and the government, protection, order, conduct, safety, health and well-being of persons or property therein to advance these programs.

Ticks are potential carriers of various disease-causing pathogens. Deer are hosts for ticks, carrying them, thereby making the tick population more mobile and likely to have interactions with humans and pets. Further, a larger deer population presents a greater possibility of vehicular accidents. In greater concentrations, deer have a significant impact on plants through foraging, where such plants may include native plants and installed landscaping features.

Section 2. Establishment.

This local law hereby authorizes programs through which the populations of deer and ticks may be managed and reduced within Onondaga County.

Section 3. Administration; Form of Assistance.

Programs authorized by this local law shall be administered by the appropriate division or office within the Office of the County Executive. Assistance under the programs authorized by this local law may be in the form of grants.

The administration of such programs may include contracts for professional services; provided, however, that any activities occurring on privately-owned properties within Onondaga County produce a documented public benefit and otherwise further the goals of this local law. Any such contracts shall be subject to annual appropriations made within the Onondaga County Budget.

An advisory committee shall be formed by the Onondaga County Legislature to assist with the development of programs, participate in the review of grant applications, and recommend awards.

The programs shall be administered in a way that provides for a documented application process and a set of written criteria governing the way in which grants will be received, reviewed, and awarded. Such process and criteria shall be made publicly known.

Section 4. SEQR.

Documentation shall be retained showing that activities undertaken in connection with this local law are in compliance with the State Environmental Quality Review Act and have been subjected to the appropriate programmatic reviews.

Section 5. Effective Date.

This local law shall take effect upon filing in accordance with the Municipal Home Rule Law.

A LOCAL LAW AUTHORIZING A LEASE OF SPACE LOCATED WITHIN THE CITY OF SYRACUSE AND KNOWN AS THE TROLLEY LOT TO 400 SOUTH SALINA STREET, LLC, FOR PARKING PURPOSES

BE IT ENACTED BY THE COUNTY LEGISLATURE OF ONONDAGA COUNTY AS FOLLOWS:

Section 1. Findings/Purpose. Onondaga County is the owner of a surface parking lot located at 102 Dickerson Street, Syracuse, New York 13202, between the elevated rail tracks and Onondaga Creek just south of the Armory Square area of downtown Syracuse, New York, and such parking lot is known as the "Trolley Lot". 400 South Salina Street, LLC, ("Lessee") has expressed an interest in leasing said property for parking purposes. Lessee would use such parking spaces to advance its redevelopment project within the downtown area of the City of Syracuse, in close proximity to the Trolley Lot. As such, this lease agreement would generate additional economic development for the benefit of the County's residents and also generate revenue to offset costs associated with the parking lot. The Clinton CSO Storage Facility has equipment and fixtures located adjacent to and underneath the lot. However, the surface of the lot is not presently needed for public purposes. The parking rates provided within the lease agreement are reasonable under the circumstances.

Section 2. Material Terms and Conditions of the Lease Agreement. The initial term of the lease agreement is for a twelve year period, and the lease agreement may be renewed for not more than two renewal terms, with each renewal term being for a five year period. Lessee may make the parking spaces available for use by its occupants for parking purposes, where such occupants shall be known as Authorized Users. The County will hold at least one hundred and not more than two hundred fifty parking spaces within the Trolley Lot each month for use by Lessee and its Authorized Users during the term of the Lease Agreement.

Parking rates to be paid to the County by Lessee for use of the spaces shall be based on the number of spaces held available for use, consistent with the following schedule.

Years within term of Lease Agreement:	Amount to be paid by Lessee per monthly parking pass held for use by Authorized Users:	
	<u>100-200 passes held</u>	<u>Greater than 200 passes held</u>
1 – 5	\$30.00 (per pass)	\$25.00 (per pass)
6 – 12	\$35.00 (per pass)	\$30.00 (per pass)

The amounts to be paid within the renewal terms shall be subject to mutual agreement by the parties.

Section 3. SEQRA. Documentation shall be retained showing that activities undertaken in connection with this local law are in compliance with the State Environmental Quality Review Act and have been subjected to the appropriate programmatic reviews.

Section 4. Lease Authorized. The County Executive is hereby authorized to lease such property to 400 South Salina Street, LLC, and to enter into any and all agreements and execute documents for the lease of the above described premises upon the terms provided for herein and to implement the intent of this local

law.

Section 5. Effective Date. This Local Law shall be subject to permissive referendum and take effect upon filing in accordance with the Municipal Home Rule Law.

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF ONONDAGA,
AS FOLLOWS:

The County of Onondaga is the owner of property, both real and personal, constituting water district assets for the Onondaga County Water District, the Southwood-Jamesville Water District, and the Warners Water District (collectively "Districts"). This local law sets forth the details by which Onondaga County cooperates with the Onondaga County Water Authority (OCWA), a public water authority, to consolidate the parties' respective network of public water supply systems for the benefit of all users.

Section 2. Agreement Authorized. The County Executive is hereby authorized to execute agreements and such other documents as may be reasonably needed granting use and access to the property of the Districts, both real and personal, for a period not to exceed a period of thirty (30) years, where the intent of such agreements is to effectuate the consolidation of the public water supply system between the County and OCWA. The consideration for such use and access shall be the continued benefit to the public of a long-term, strong and sustainable water supply and the anticipated efficiencies and cost savings to be gained from the consolidated administration and operation of the Districts' assets. OCWA shall be engaged to provide operations and maintenance services in connection with the use and access to the Districts' assets.

A LOCAL LAW REGARDING FEES COLLECTED BY THE ONONDAGA COUNTY
DEPARTMENT OF EMERGENCY MANAGEMENT IN CONNECTION WITH USE OF THE
MOBILE COMMAND VEHICLE FOR COORDINATION OF SPECIAL EVENTS

BE IT ENACTED BY THE COUNTY LEGISLATURE OF ONONDAGA COUNTY AS
FOLLOWS:

Section 1. Findings/Purpose. The Department of Emergency Management acquired a mobile command vehicle to assist emergency responders, support organizations and governments with response to large scale incidents. Due to the capabilities of the unit, it has become popular to utilize for special event coordination. This local law establishes a schedule of fees related to the use of the vehicle and authorizes the execution of agreements with municipal entities as appropriate.

Section 2. Collection of Fees Authorized. The Onondaga County Commissioner of the Department of Emergency Management is hereby empowered to collect fees in connection with the use of the mobile command vehicle ("Unit") for coordination of special events, as stated herein.

Special Events: This schedule of fees applies to the use of the mobile command vehicle for special events, not emergency events. It is anticipated that such special events may include, but are not limited to: marathons, auto/boat races, fairs, festivals, civic functions, parades, concerts, sporting events, and public firework displays.

Unit Fees: Rental of the Unit shall be billed in hour increments. For an initial period of four hours, the cost shall be five hundred dollars (\$500.00), where such cost excludes the cost for Unit Operators, as specified herein below. Each additional hour shall cost one hundred dollars (\$100.00). The rental period begins at the time the Unit is requested to be operational and is made available for use.

Rentals in connection with special events promoted and/or sponsored by not-For-Profit organizations classified as being tax exempt under Internal Revenue Code Section 501(c)(3) shall be entitled to rent the Unit at the rate of four hundred dollars (\$400.00) for the initial four hour period and at a rate of eighty dollars (\$80.00) for each additional hour.

Unit Operators: The Unit requires a minimum of two (2) personnel to deliver, set-up and staff the unit during an event. The cost for each Unit Operator is twenty-five dollars (\$25.00) per hour.

Damages: Contracts for the use of the Unit shall provide a clause whereby the County is to be held harmless for damages. Any damage to the Unit, including the equipment contained therein, will be billed back to the event sponsor or promoter as a fee.

The procedures for the collection of such fees shall be as prescribed by the appropriate laws of the State of New York and any amendments thereto, or as determined by the Onondaga County Commissioner of Emergency Management where the State has not enacted procedures. For good cause shown, the Commissioner of Emergency Management may waive any and all fees prior to the time of deployment.

Compensation to be paid for use of the vehicle in providing aid during emergency events, including assisting emergency responders at the request of law enforcement, EMS agencies, fire departments or city, towns or villages, shall continue to be at the discretion of the Commissioner of Emergency Management.

Section 3. Contracts Authorized. The County Executive is hereby authorized to enter into contracts and execute such other documents as may be needed to implement the intent of this local law.

LOCAL LAW NO. 11 - 2016

A LOCAL LAW AMENDING THE ADMINISTRATIVE CODE REGARDING MAINTAINING
INVENTORIES OF THE COUNTY'S PROPERTY

BE IT ENACTED BY THE COUNTY LEGISLATURE OF ONONDAGA COUNTY AS FOLLOWS:

Section 1. Findings/Purpose. To protect the public's investment in the County's property and resources, it is necessary to maintain accurate and current inventories. The Division of Purchase presently bears this responsibility. However, with the implementation of enterprise technology and controls, the Finance Department, headed by the Chief Fiscal Officer is better suited to track property and its use across and within departments and units of County government. This local law amends the Administrative Code to shift these executive duties.

Section 2. Amendment. The Onondaga County Administrative Code, being Local Law No. 1-1975, as previously amended, is hereby further amended as follows:

From within Section 3.06, powers and duties of the Purchasing Director, strike subsections (d), (e), and (h) in their entirety, consecutively renumbering the remaining subsections such that they become subsection (a) through (g).

To Section 4.02, powers and duties of the Chief Fiscal Officer, add three new paragraphs to subsection (a), as follows below, then renumber such section in a way that eliminates the present reference to subsection (a), as there is no coordinate subsection (b). Thereafter, all enumerated powers and duties shall be renumbered such that they are to become subsections (a) through (i).

The additional language is to be new subsections (e), (f), and (g):

(e) be responsible, except as may otherwise specifically be provided in this Code, whether directly or by providing direction and assistance to departments and other units of County government, for the maintenance of all records pertaining to materials, supplies and equipment owned by or otherwise within the jurisdiction of the County government;

(f) be responsible, whether directly or by providing direction and assistance to departments and other units of County government, for the transfer of materials, supplies and equipment among such departments and units as required, subject to the approval of the County Executive;
