Sam Edelstein

Chief Data Officer at City of Syracuse
Syracuse, New York

Summary

Sam Edelstein serves as the City of Syracuse's first Chief Data Officer. During his time in the position, he has been responsible for the development and implementation of the City's first Open Data Policy, Data Privacy Policy, and Open Data Portal - DataCuse. Additionally, he spearheaded the creation of a Performance Management Office and dashboard that measures the effectiveness of the City's operations and creates transparency and accountability. Through efforts like these, and thanks to the leadership of Mayor Ben Walsh, the City of Syracuse uses data to inform decision making and engage the community - including predicting water main break risk, likelihood illegally parked cars will block snow plows and emergency vehicles, and several hackathons that aimed to resolve real challenges the City faced.

Prior to his work with the City of Syracuse, he was responsible for data analysis, communications, and marketing for the Office of Alumni Relations at Syracuse University. This included building processes for collecting and combining data, analyzing, and then making recommendations about effective ways to reach alumni and predicting registration and turnout at events.

Edelstein has also done marketing and communications work for Cultural Tourism DC, a non-profit in Washington, DC, where I ran social media accounts and published a weekly e-newsletter. He analyzed the data from all forms of communication to fine-tune messages and scheduling. He also worked for ICF International and consulted with federal government agencies, making recommendations about effective ways to train and manage employees.

Edelstein have a Masters Degree in Information Management from the School of Information Studies at Syracuse University and a Bachelors Degrees in Economics and Policy Studies from The Maxwell School at Syracuse University.

Skills: R, Python, Tableau, Microsoft Office Suite, SSIS, SQL

Experience

City of Syracuse - Mayor's Office

Chief Data Officer

March 2016 - Present

Syracuse, New York Area

- Serve as the City of Syracuse's first Chief Data Officer, responsible for helping the City use data as an asset for making better operational decisions.
- Wrote the City's first Open Data Policy, and launched its first Open Data Portal, DataCuse, available at data.syr.gov
- Spearheaded the creation of the City's Performance Management Dashboard, available at dashboards.syr.gov
- Created an internal data users group of staff members that meets monthly and shares best practices
- Managed the development of a risk model for water infrastructure that helps the Water, Public Works, and Engineering Departments plan their maintenance work based on where assets are most likely to fail, saving the city more than \$1.5 million
- Worked with the Fire and Water Departments to collect fire hydrant data and built a model to predict water flow rates for all fire hydrants in the city, allowing the department to choose the best hydrant when responding to a fire incident
- Developed programs to automate collection of data from workers in the field, including counting the number of potholes filled, which allows the city to track performance and identify trends
- Supervise the build out of a data warehouse that automated the extraction of data from various sources, transforms and loads the data into a central repository, and allows departments to have easy access to information
- Negotiate and supervise the sharing of data both internal to the city and externally to the public
- Consult on procurement of technical systems, especially regarding access to data that the systems will create or hold
- Build partnerships with Syracuse University and local non-profit organizations to solicit help on City projects, target larger grant opportunities, and ensure City data is being used by groups who need it

Museum of Science and Technology

Board Member

January 2019 - Present

Syracuse, New York

Syracuse University

Adjunct Professor

August 2017 - Present

Syracuse, New York Area

- Teach data science to students at the iSchool's Information Management and Advanced Analytics programs
- Make connections between real world application and technical data skills
- Teach students to build predictive analytic models to solve problems
- Offer guidance on best practices for visualizing data

City of Syracuse - Mayor's Office

Department of Innovation - Analytics

May 2015 - March 2016 (11 months)

- Built a data model designed to better apply maintenance to local streets in the City of Syracuse, which is now being used to determine where resources are spent when it comes to fixing roads in the city. This model was mentioned in the mayor's State of the City address, and should help to extend the lifespan of city roads by years, ultimately saving the city millions of dollars.
- Developed a road closure notification map that allows the public to see where upcoming road closures will occur.
- Collected, cleaned, analyzed, and visualized data both spatially and graphically to recommend parts of the City of Syracuse most in need of infrastructure rehabilitation.
- Analyzed personnel usage data to recommend optimal staffing levels for different city departments.

Syracuse University

Assistant Director of Alumni Relations

July 2012 - May 2015 (2 years 11 months)

Syracuse, NY

- Created models to analyze email effectiveness and made recommendations about how to better send emails, including through list segmentation and mobile-friendly design, resulting in higher open and click-through rates

- Use alumni data to determine who is most likely to attend future events and what characteristics are common among different alumni segments, including donors and volunteers
- Presented to senior staff on best practices for email metrics and post-event surveys which resulted in more strategic emails and increased information collected about alumni
- Supervised employee responsible for, and resulting in, improved accuracy in database records
- Managed potential vendors with IT and data solutions for alumni relations work and made recommendations for products worth pursuing based on the needs of the office

Cultural Tourism DC

Communications Associate - New Media

August 2011 - July 2012 (1 year)

- Served as the deputy project manager where I helped develop and track the scope and budget for a mobile website design that resulted in a successful, on time, project launch
- Acted as the online voice for the organization both using social media and email newsletters, using A/B tests to help create the most effective messaging
- Worked across business units to help fulfill respective goals, which ultimately helped the organization
- Developed a database for volunteers to remotely update an online event calendar on the organization's website

Sacandaga Consulting and Communications

Project and Operations Manager

January 2011 - July 2012 (1 year 7 months)

- Developed program evaluation tools and metrics to help client organizations better measure the impact of their work
- Created, through extensive research, a database of potential classroom and library contacts in developing countries for an education foundation to offer its free educational resources

- Assisted in writing proposals to solicit work, including brainstorming the organization's approach and developing the budget

- Managed project and organizational budgets and billing for work completed, and ensure smooth administrative operation of organization, including compliance with state and federal tax regulation

Ichung Middle School

English teacher

October 2009 - October 2010 (1 year 1 month)

- Taught English language skills to large classes of students as well as in individual settings

- Lived and worked in a new culture and learned to assimilate with many of its customs, especially in a professional setting

ICF International

Research Assistant

June 2007 - June 2009 (2 years 1 month)

- Developed a tool to match mentors and mentees based on their core competencies and career goals that resulted in mentoring relationships with positive feedback

- Served as one of the key contacts for federal government clients in the Bureau of Economic Analysis and Federal Aviation Administration

- Served as deputy project manager with the Bureau of Economic Analysis as a client, which included drafting project scope, coordinating with subject matter experts to ensure work could be done, and tracking budget expenditures

- Assisted in focus group design, facilitation, and data collection

- Designed surveys and wrote reports based on results that were delivered to functional managers at several federal government agencies where recommendations for future project changes were adopted

Esteban M. Gonzalez

Curriculum Vitae

OBJECTIVE

- To utilize my education, employment history, and life experiences to continue to have a positive and lasting impact on an expanding community.

STRENGTHS

- Outstanding interpersonal and public relations skills
- Highly motivated and future oriented with evolving vision and goals
- Excellent communication skills and academic background
- Extensive leadership experience at local, state, national and international levels

EXPERIENCE

- **Deputy Director of Strategic Initiatives** – January 2023 – present
Responsible for advising the County Executive on public safety issues where they effect the county population, as it increases with Amazon, JMA Wireless and Micron. Chairman of E9-PROC. Additional responsibilities include administrative support for the Director to develop, implement, manage, and report on various strategic and community leadership initiatives.
- **Chief Custody Deputy** – December 2012 – December 2022
Management of the Onondaga County Justice Center, a 665 bed Direct Supervision correctional facility with staff of approximately 280 and a 40M budget. Responsible for oversight of Security and Support Services Divisions, first facility infirmary. Facility accreditation through the American Correctional Association, the NYS Sheriff's Association, and the National Commission on Correctional Health Care. Reported directly to the Sheriff and Undersheriff.
- **Support Services Division Commander** – May 2006 – December 2012
Duties included oversight of the Custody Administration, Programs, Transport and Research & Development Sections. Daily coordination with the Chief, Assistant Chief, and the Security & Operations Captain, to ensure effective management of the Justice Center. Additional responsibilities included Custody Department recruitment and budget oversight.
- **Research & Development Division Commander** – October 2003- May 2006
Responsible for the management of the OCSO R&D Division. Duties included research for various OCSO projects, oversight of the Staff Development Section (Police and Custody Academies, In-Service Training), the Policy and Procedure Section, preparation of the Sheriff's Office Annual Reports and approval of all OCSO forms. Responsible for complete revision of FTO program and manual.

- **Custody Housing Unit Commander** – July 2003 – October 2003
Watch Commander/Lieutenant responsible for the overall management of the Justice Center on the C-Watch. Duties included scheduling of staff, direct supervision of supervisors/general supervision of all staff, overtime resource allocation, and coordination between all outside agencies/providers with Justice Center Staff.
- **Custody Training Supervisor**- May 2000- July 2003: Responsibilities included management of the CNY Regional Correctional Law Enforcement Academy, the Field Training Officer Program, creation of operational policies, oversight of overtime budget, in-service training, Correctional Supervision Schools, Field Training Officer Academies, Civil Service Test Preparation Classes, Civilian Orientation, scheduling outside training (AJA, NIC) and SERT Academy instruction.
- **Control Unit Supervisor**- June 1999 – May 2000: Reported to the Control Section Commander and the on-duty Watch Commander. Responsibilities included oversight of Control Section Staff, Segregation Housing Units, Central Control, Kitchen, Laundry, Contact Visitation, the Main Lobby, roll call coordination, facility schedules, coordination of leave time for employees, SERT supervision and facility emergencies.
- **General Housing Supervisor**- March 1999 – June 1999: Operational responsibilities included General Housing tours, facility and staff inspections, staff scheduling, inmate discipline and coordination with other Security/Operations Sections and the Support Services Division for facility safety and security.
- **Programs/Classification Deputy**- January 1996 – March 1999 Responsibilities included facility inmate classification, inmate educational/vocational program security and coordination of inmate work programs. Also served as a Spanish interpreter for Custody, Police and Civil Departments, health services and outside agencies. Assigned as an interpreter on 2 narcotics wire investigations for a CNY drug task force.
- **General Housing Deputy**- August 1994 – January 1996
Squad leader and salutatorian in academy class. Responsible for managing the inmate population in the linear Public Safety Building Jail and then the Direct Supervision housing pods in the Justice Center beginning in May 1995. Assigned to provide safety and security, monitor and address inmate daily needs, activities, and behavior, while reinforcing positive behavior and disciplining negative behavior.

Esteban M. Gonzalez

Biography

Esteban M. Gonzalez is the Deputy Director of Strategic Initiatives for Onondaga County, appointed in January 2023 by County Executive McMahon. Previously, he was a Certified Jail Manager (CJM), Certified Correctional Trainer (CCT), Certified Correctional Health Professional (CCHP), serving as the Chief Custody Deputy for the Onondaga County Sheriff's Office in Syracuse, New York where he was employed from August 1994 to December 2022. He was appointed Chief Deputy in December 2012 and was responsible for the management of the Justice Center, a 665 bed Direct Supervision correctional facility with a staff of approximately 280. During his tenure, the facility opened an infirmary, was awarded ACA accreditation for the first time, and implemented a safe cell program in 2016 which resulted in millions of dollars saved for the County. Additionally, he is a Past President of the American Jail Association (AJA) and is also a lifetime, certified Master Instructor for the NYS Division of Criminal Justice Services. He has traveled nationally as a corrections training consultant, delivering training on jail management and operations, executive leadership and succession planning, religious programming in jails, field training programs, direct supervision and transition training for AJA and various private consulting firms. He has provided curriculum review for the National Institute of Corrections, is the author of numerous articles published in the Corrections Managers Report, American Jails magazine and appeared in the Wall Street Journal and on Fox News in 2013 regarding U.S. jails becoming the largest mental health institutions in the nation. In January 2014, he testified before the Congressional Prison Rape Elimination Act (PREA) Review Panel, to provide a national perspective on sexual victimization in jails. He was invited to address the first Canadian Direct Supervision Symposium in Toronto, Ontario during April 2014. Gonzalez is a Bachelor of Arts graduate in General Studies and a past guest lecturer at Columbia College. Beyond the world of corrections, he was a certified trainer for Dale Carnegie of Central New York, a franchise of Dale Carnegie and Associates, Inc., a global training, and development corporation with over 111 years in business and international offices in over 80 countries worldwide. He has instructed hundreds of students from more than 80 CNY organizations, representing all employment fields. He has served as a member of the Board of Directors of the American Jail Association, Leadership Greater Syracuse, Access CNY and the District Attorney's Advisory Council. He has sung the national anthem at the NYS Special Olympics Winter Games, at dozens of academy graduations and promotion ceremonies, the DAAC Luncheon, the NYS Association of Chiefs of Police, the NYS Police, the NYS Fair for Law Enforcement Day and opening day for the Syracuse Mets at NBT stadium. From 1987 to 1993, he served in the US Army National Guard, assigned to a mechanized infantry unit in Cortland, NY.

Esteban has been married for 30 years and has a 29-year-old son and a 27-year-old daughter. He and his wife live in Baldwinsville with their adult son. He is an avid, lifelong reader and he won gold at the 1998 Law Enforcement Games in the Bench Press (420 lbs., 202 lb. bodyweight). He has personal bests of 24:27 in a 5K, 48:43 in a 10K and 1:46:49 in a ½ marathon. In 2012, at the age of 44, he completed the Empire State Marathon.

EXPERIENCE:

2018 - Present

Housing Visions Unlimited – Syracuse, New York

Director of Community & Government Relations

Responsible for providing strategic leadership while executing a multifaceted approach to increasing the visibility and revenues of Housing Visions; development and implementation of a coordinated and comprehensive marketing, public relations and communications strategy that positions the agency as a valued community partner; plan and organize fundraising events to support the organizations overall mission, strategic plan and provide for continued organizational growth; Manage grant writing and ensure oversight of grant compliance. Oversight of all commercial leasing as well as facilitating and education on legislative advocacy issues across 15 municipalities in New York and Pennsylvania.

2013 - 2018

Northeast Hawley Development Association, Inc. (NEHDA) – Syracuse, New York

Executive Director

As Executive Director my responsibilities included the development and monitoring of program (Community, Economic and Housing Development) and organizational budgets including protocols/procedures resulting in approximately 30% operational cost savings. Well versed in strategic planning and facilitation by translating mission and goals into operating plans with clear benchmarks and objectives. This has allowed us to refocus our efforts with tangible results. My experience with development and grants management allowed us to respond to municipal request in minimal time. Restructured organizational development and capacity building for staffing, volunteers and BOD members. This enabled all stakeholders to be a part of the rebuilding process more efficiently in the expanded census tracts service area. Extensive advocacy work and constituency building by articulating issues on behalf of residents and stakeholders as they relate to community, economic and social development. This led to a greater awareness of the NEHDA brand and allowed us to be recognized as the “go to” agency on the North side for any community engagement situation. In addition, it allowed us to leverage our work resulting in a 95% increase in funding and further revenue producing agreements.

2011 - 2013

Onondaga County – Syracuse, New York

Comptroller’s Office – Special Assistant to the Comptroller

As part of the Consolidation, Shared Services and Integration tax force, I assisted local government officials in managing resources efficiently and effectively and help provide accountability for tax dollars spent to support government operations. I supervised fellow employees and project partners in auditing financial reports/statements, edit reports/studies, and review contractual and financial relationships among municipalities, quasi-government entities and not-for-profits. I also assisted and participated with these same groups in the preparation of Grant applications and public presentations.

Administrative Intern – Metropolitan Water Board

I performed duties that were normally overseen by the Fiscal Officer; assisting in planning & directing financial & accounting activities, providing accurate & timely information on fiscal, forecasting, budgetary and all other financial reports fully reconciled with the Comptroller’s Office, the Executive Director and BOD including a \$9 mil. Operating Budget and

Capital Projects exceeding \$34 mil. Recording and analyzing of all departmental A/R and A/P. I reestablished internal processes for inventory, purchasing & budgetary accounting with programs utilized through QuickBooks.

2008 - 2010

Housing Visions Unlimited – Syracuse, New York

Development Project Manager

Responsible for applying and securing funding through federal, state and local agencies, as well as private banks to develop quality affordable housing projects ranging from \$7 million to \$12 million. Coordinated and interacted with project partners including other key Housing Visions staff, state and local government officials, architects, general contractor, financial institutions and investing members; developed and strengthened partnerships with local communities to solidify collaborative relationships to ensure success of multi-million dollar capital projects. I supervised and managed project partners to meet construction timeline, budget parameters and compliance with government regulations and investor requirements. Primary lead on projects totaling \$29.7 mil. yielding 108 rental units & an office bldg./garage, as well as secondary lead on projects totaling \$50 mil. yielding 232 rental units.

2006 - 2008

The Bank of New York Mellon – East Syracuse, New York

Senior Investment Manager Liaison/Assistant Team Leader - PIMCO Team

Originally hired to work with domestic clients, I was promoted to a team dedicated to a single client – PIMCO. Responsible for Global portfolios; executing foreign exchanges, lines of credit and income collection, securities lending and corporate actions. Daily monitoring of STIF investments, overdrafts, sale-fails and credit exceptions, timely and accurate settlements of stocks, bonds, currencies, credit default Swaps, futures and option transactions. Answer all customer inquiries and maintain all records. A member of the initial team that was instrumental in the migration of the Investment Support Services Group to Syracuse.

2005

Fresno's Southwest Restaurant & Bar – N. Syracuse, New York

General Manager

Responsible for the managing of a \$2 million/63 employee restaurant including the development and growth of people, sales and profits. Managed the restaurant in accordance with established company standards, policies and procedures. Optimized profits by controlling food, beverage and labor cost by an average decrease of 2.3%. Increased sales by 8.7% through ensuring guest satisfaction and prompt problem resolution. Staffed, trained and developed restaurant managers and hourly employees through orientations, ongoing feedback, establishment of performance expectations and by conducting performance reviews.

EXPERIENCE

LORETTO MANAGEMENT CORPORATION (<http://www.loretto-cny.org>)

2004-Present

Founded in 1926 as the first Diocesan home for the aged in North America, Loretto is a non-profit post-acute care health system which employs 2,500 caregivers who serve 10,000 individuals at 19 sites. Loretto spans the continuum of care: skilled nursing, assisted living and affordable housing, home health, rehabilitation, PACE (dual eligible managed care) and specialized programs for complex medical care, specialized rehabilitation, behavioral and mental health, palliative care, and Alzheimer's disease and other dementias. An organization with \$200 million in gross revenue in 2018.

President and Chief Executive Officer

2014-Present

Responsible for providing overall organizational leadership and direction to ensure the achievement of Loretto's mission, vision, and strategy. Represents the organization to the health care industry and is responsible for developing high value partnerships to enhance existing business unit service lines. Oversees the planning, development and execution of partnerships, programs and policies to achieve successful financial performance as set by the Board, while ensuring compliance with all legal and third party regulatory agencies.

- Expanded skilled nursing beds by 25 percent over a 15 month timeframe, while expanding housing and service footprints, creating greater access to needed housing and services in the community.
- Led efforts to reactivate an abandoned \$14.4 million HEAL grant to close an aged, urban skilled nursing facility and to replace it with a person-centered, small homes care model which will serve the frailest elders in a community-like setting.
- At the request of New York State, led efforts to execute a \$19.9 million HEAL grant to merge two failing facilities, renovate a 240 bed skilled nursing tower, and build a new 60 bed rehabilitation wing.
- Grew revenue by 33 percent over 4 years, while improving the cash position and profitability.

Chair, Board of Trustees

2011-2014

Leading the organization through a time of great change by focused attention on operational excellence, expansion of the organization's care portfolio, and development of collaborations across the continuum of care, thus enabling financial and strategic sustainability well into the future.

- Led efforts to engage Healthcare Management Partners to provide restructuring assistance, resulting in \$14 million cash on hand at the end of 2012, versus a \$7 million loss in 2011.
- Facilitated a community-wide health care, housing and service dialogue with St. Joseph's Hospital Health Center, Catholic Charities and Christopher Communities regarding the creation of an integrated, comprehensive system of care for frail individuals and elders in the Central New York region.

WELCH ALLYN, Skaneateles, NY (<http://www.welchallyn.com/>)

2000-2013

A privately-held, leading global provider of medical diagnostic devices, software and systems solutions used by caregivers in doctors' offices, hospitals, and emergency response settings. A \$700 million in sales company in 2014 with sales in over 100 countries.

Associate General Counsel and Senior Director, Government Affairs

Progression of responsibility from Attorney to Associate General Counsel and Senior Director. Responsible for all legal matters for a \$90 million subsidiary operating in the highly regulated defense and nuclear industries until its sale to General Electric in 2005. Then led global legal affairs, advising on all facets of the international commercial business, which included closing two of the most successful acquisitions in the company's history. Currently responsible for driving global policy and strategy through market identification, sales facilitation, and customer and partner development. Appointee to the CEO's Program Management Office as one of seven global leads who will guide and direct global corporate restructuring activities through 2013.

- Identified and facilitated growth of Community Health Center market, achieving 40% sales growth over nine month period and creating company's fastest growing US emerging market segment.
- Negotiated multi-agency agreements with a state government resulting in 25% grant support of a multimillion dollar company project.
- Coordinated large sales opportunities with public and private buyers in Mexico (Seguro Popular, Instituto de Carlos Slim); India (Nova Health Systems); China (Sichuan and Shenzhen Provincial and District Health Authorities); South Africa (Momentum Group); Nigeria (Ministry of Health); the United States; and the United Kingdom (Anchor Trust).
- Brokered collaborations with industry, foundation and academic partners to develop advanced technologies, including Cisco (China); Qualcomm; Instituto de Carlos Slim; State University of New York; West Wireless; Soliton, Intellimed and Oregon State University.

SYRACUSE UNIVERSITY, Syracuse, NY Adjunct Professor 2001-2011

Taught international business and law courses at both undergraduate and graduate levels in university's Whitman School of Management and College of Law.

2 April 2024

Statement by Judith A. Jerome to the Onondaga County Legislature

Good afternoon, Honorable members of the Legislature. My name is Judy Jerome. Thank you for providing the opportunity for me to speak to you today.

I live in the City of Syracuse and raised my family on Fellows Avenue in the Westcott area neighborhood. I was away from Syracuse for several years but moved back two years ago. I am now retired and have the time and energy to devote to public service, and there is no greater service than serving on a library's Board of Trustees.

I have been an information professional all of my life. Sometimes as a librarian, other times as a knowledge manager. I have worked as a librarian in the beautiful Carnegie Library adjacent to this building, in many of the city branches, as the Director of public libraries and for 10 years Director of the School Library System at OCM BOCES. I was also awarded a Fulbright Fellowship and represented our country in libraries in England and was also elected President of the New York Library Association.

Equally important, I have been an advocate for and user of libraries of all types all of my life. Libraries are essential for an educated citizenry and a working democracy.

The effective trustee must be well versed in good governance practices that will enable them to meet the challenges presented by a rapidly changing political, social and cultural environment. Public libraries are faced with an increasingly complex regulatory environment, contradictory laws and regulations, new technologies and emerging competitors for the library's customers. At the same time they have never been more vital to the well-being of our society.

I was more than willing to work collaboratively with other Board members and the Library Director and to maintain and reinforce the mission of our Onondaga County libraries to "prepare our community for a bright future by creating opportunities, empowering people, and inspiring ideas."

So it was with hopeful anticipation last October that I mentioned to the Library Board President that I would like to serve and he was very encouraging. I updated my resume, completed the online application and contacted a few colleagues for letters of support. As someone who has dedicated their life to libraries, I was very surprised when I discovered that I wasn't one of the four people recommended to serve.

I am here today to reinforce and reiterate my willingness to serve and to request that you reconsider your choices for the Board. Please vote to table this slate of proposed Board members.

Thank you.

Kindest regards,

Judith A. Jerome

Judith A. Jerome

Profile

I am a highly experienced knowledge manager and have worked with information and information users in many contexts. I value the importance of an organization's information assets, and equally how people use information to improve their lives. I love the written word, am an avid reader and enjoy all aspects of the visual and performing arts.

Since my retirement in 2013, I have been politically active and motivated by civic engagement which reflects my core values.

Experience

2008-2013: Director, Dunham Public Library.

All areas of public library management and administration;
Budget preparation and financial management;
Human resource supervision and management;
Financial management and fiduciary responsibility;
Marketing and presentation;
Media management;
Lobbying and library advocacy;
Library materials selection and administration;
Library programming;
Technological and cyber implementations;
Knowledgeable of all areas of legal requirements pertaining to public libraries and public library systems.

Company name: Information Management Associates Ltd. Company No.: 5782581 September, 2007.

Consultancy Project: University of Edinburgh, EDINA the JISC national academic data centre.

Evaluation of the GoGeo! metadata portal for the national funding agency (JISC)

Government security clearance: SC level until 7 October, 2014

November, 2006 to February, 2007: Consultancy Project: Harvey Maps; www.harveymaps.co.uk via The LOCUS Association.

Advisement on use of public sector information and access to mapping data under crown copyright.

February – August, 2006: Consultancy Project: Intelligent Addressing plc

Consultation and preparation on appeals under the Office of Public Sector Information's Information Fair Trader Scheme: Consultation and preparation on appeals under the EU Directive on the Re-Use of Public Sector Information;

Consultation and preparation of a response to the Department for Constitutional Affairs (DCA) Consultation Paper on the Co-ordinated Online Record of Electors (CORE) Project.

2004-2005: Geographic Information and Information Policy Specialist: Cabinet Office, e-Government Unit, Technology Policy Team.

Created and administered a survey to ascertain the extent and use of geographic information systems and the creation of geographic data, specifically as it relates to interoperability and information sharing. 207 responses from all areas of the public this culminated in a final analysis and Cabinet Office report;

Representing the Cabinet Office on central government committees having to do with geographic information and geographic metadata in particular;

Finalised and launched the UK application profile of the ISO 19115 for geographic metadata (UK GEMINI);

Met with Ordnance Survey and the Office of the Deputy Prime Minister for the purposes of future collaborations relative to issues of interoperability. Attending meetings of the Maps on Tap Project Board;
Working with the Office of Public Sector Information (OPSI formerly HMSO) in the area of geographic information, crown copyright and licensing;
Member of the interviewing panel for the re-verification process of Ordnance Survey under The Information Fair Trader Scheme;
Assisting the newly development e-Government Office of Professionalism in the area of GIS professionalism;

Managed and developed the following projects for the Technology Policy team of the e-Government Unit:

Integrated Public Sector Vocabulary (IPSV);
E-Government Interoperability Framework;
E-Government Metadata Standard;
Government Schema (XML) Working Group;
Project manager for the standards creation model for the Home Information Pack program from the Office of the Deputy Prime Minister;
Participated in European Parliament Expert Working Group in the area of Semantic Interoperability.

Writings:

Interoperability: A UK Cabinet Office e-Government Unit Perspective, GIS Professional, January/February, 2005.

Presentations:

Is GIS Accessible?
E-Government Restructured for Kable Conferences;
On the Map: GIS in the Public Sector for Headstar conferences;

Member:

Public Policy Special Interest Group, Association for Geographic Information

2002-2004: Information Services Manager, Association for Geographic Information

Managed an information services team of four people for the purposes of delivering a 'joined up' geographical information to all clients. This included IT services, website development, service marketing, program planning and budget development.

Managed a de-centralised information access network for the delivering of metadata within a knowledge based environment;

Identified and developed strategic partnerships for information sharing and services expansion;

Active participant on the Office of the eEnvoy's Metadata Working Group;

Member of the Central Government Intra-governmental Group on Geographic Information (IGGI) Metadata Working Group;

Initiated a national programme of work leading to the adoption of a UK Metadata Application;

Profile of the international geo metadata standard, ISO 19115;

Co-authored the widely distributed Position Paper for this programme called: *UK GEMINI: Geo-spatial Metadata Interoperability Initiative*;

Managed the transference of the operative gateway to a new setting. No downtime was experienced;

Commissioned and authored the specs for a fully xml schema-driven metadata creation tool, called MetaGenie;

Authored and provided management reports for the funding group within the Office of the Deputy Prime Minister;

Co-ordinated and managed the funding contract within the NIMSA (National Interest Mapping Service Agreement) Review Group;

Led a highly successful re-branding/marketing initiative of the metadata information service, leading up to a launch at the AGI conference;

Nationally respected authority on geospatial metadata standards, specifically ISO 19115 and ISO 19139.

Presentations:

Thinking Beyond the Data: Creating Knowledge from Geospatial Chaos, GeoSolutions 2003, Paper selected for submission and presentation. Peer reviewed.

Publications:

UK GEMINI: Towards Standards-based Metadata Access, GeoConnexion, March, 2004;
Ggateway: Opening the Door to Geographic Information: The GI Metadata Service in the United Kingdom, in: A Compendium of European SDI Best Practice, January, 2004, Published by GINIE: Geographic Information Network in Europe;
Rowing or Rowing: Partnership Approaches to Sharing Geographic Information Ggateway, Reclaiming the Roadmap: A Vision and Plan for 2003-2006: Pub date: June, 2003;
Beyond Postal Codes: Geographic Information for a Knowledge World, Local Government Executive, September, 2002.

2000–2002: Senior IT Information Analyst, Bloor Research, Bletchley, Milton Keynes, England.

Within the Bloor environment, developed information based methodologies and infrastructures that make best use of existing best practice;
Enhanced the organisation and acquisition of raw materials for IT industry research and for knowledge creation, transmission and management;
Primary researcher at Bloor Research;
Implemented formalised aggregated database search services at Bloor;
Carried out background research into IT markets and IT vendors.

1998-1999: Elected President of the New York Library Association

1998-2000: Fulbright Scholar, 2nd Air Division Memorial Library, Norwich, Norfolk, England

I was the recipient of a Fulbright Fellowship which brought me to England, initially for a single year. My employer in the US granted me a leave of absence. Fulbright requested that I stay an additional year and my US employers, the OCM BOCES, agreed to extend my leave an additional year.

1989-2000: Director, Onondaga-Cortland-Madison BOCES School Library

Administered and implemented resource sharing program within 23 member districts (113 schools);
Responsible for staff development in all areas of library technology and library services;
Administered and implemented comprehensive program of library automation;
Advised school districts on information technology and implementation;
Responsible for all areas of strategic planning, administration and evaluation;
Successfully implemented electronic interlibrary loan program that provided internet connections to member library media specialists;
Created and maintained a fully searchable Union Catalogue of 113 schools on the internet.

1985-89: School Library Media Specialist, Chestnut Hill Elementary School, Liverpool, New York.

Responsible for all areas library media programming and instruction.

Public Library Experience

1983-85: Film and Video Librarian, part time, Onondaga County Public Library.
1973-75: Director, Dunham Public Library, Whitesboro, New York.
1972-73: Adult Services Librarian, Betts Branch, Onondaga County Public Library.

Education

Bachelors of Arts: Syracuse University, College of Arts and Sciences. Major: Religion, Minor: Fine Arts. 1972

Masters of Science: Syracuse University, School of Information Studies (formerly School of Library Science). 1973. GPA 3.92

Certificate of Advanced Studies: Syracuse University, School of Education. Educational Administration: Information and Media Specialization. 1989. GPA 4.0.

Ryan McMahon,
Onondaga County Executive
John H. Mulroy Civic Center, 14th floor
Syracuse, New York 13202

Dear Mr. McMahon,

It is with great pleasure that I write in support of Judith A. Jerome's appointment to the Onondaga County Library Board. I have known Ms. Jerome since 2008 when as an elected member of the Dunham Public Library Board in Whitesboro, NY, I was part of the search committee that resulted in her hire as Director. The Board and the community were fortunate to retain her services, and she left Dunham Public Library in significantly better shape than she found it.

In addition to her formidable organizational skills, which facilitated detailed revisions of the Library's policy and procedures manual and by-laws (including a clear and well-defined performance review process), Ms. Jerome had the vision to spearhead capital campaigns to improve the Library's infrastructure and expand library programming, including more public use of our Community Room.

There were also significant tensions with some erstwhile supporters of Dunham Public Library, which had to be addressed for the good of the Library (unfortunately, in public at times). Ms. Jerome's leadership was instrumental to a necessary revocation of the Friends of Dunham Public Library's charter that restored the community's confidence in Dunham's fiscal and legal management. Despite this "controversy," all but one of the Library's budget proposals were approved during her tenure, including a sorely-needed expansion of the parking area that allowed greater public access to the increasingly popular programming at the Library. The successful implementation of the New York State and Mid-York Library Construction Grants for these capital improvements have led to community support for years of other projects to bring Dunham Public Library into the 21st century, a master plan that begun during Ms. Jerome's tenure and has been embraced and expanded upon since. As a Whitesboro school district resident whose children always made use of this library, and as an academic, I am very proud of this highly professional Board and the exceptional work we accomplished with Ms. Jerome to support this essential community resource.

In short, Judith A. Jerome would be an asset to the Onondaga Public Library Board, and I urge you to take advantage of her expertise and passion for public service. Should you have any further questions, I can be reached at rsmith@utica.edu.

Sincerely,

R. Scott Smith, Ph.D.
Adjunct Psychologist,
Colgate University
Counseling & Psychological Services;
Professor Emeritus of Psychology, Utica University

Syracuse NY 13202

December 16, 2023

To the Board,

I am writing to you in enthusiastic support of Judy Jerome's candidacy to fill a vacancy on the OCPL Board.

I am a retired public library administrator, author, and Internet pioneer. I was inducted into the Internet Hall of Fame in 2019, largely for my early 1990s efforts in evangelizing public Internet access in libraries.

I have known Judy for decades, starting with her tenure as an OCPL media librarian, through her years of School Library Media Specialist work, then as Director of the Onondaga-Cortland-Madison BOCES School Library. I know her to be trustworthy, capable, and nimble in navigating the many layers of library administration, from serving the public, to working within a government and taxpayer framework.

Her many and varied accomplishments, in so many library fields, led members of the New York Library Association to elect her their President in 1998.

Additionally, her years of service as Director of the Dunham Public Library broadened her experience and knowledge of library administration, financial management, lobbying and advocacy, and legal requirements pertaining to NY libraries and library systems.

Truly, Judy has seen it all: public, school, even government, special, and international library work. OCPL has an opportunity to leverage her extensive experience to the benefit of the System. I can't think of a more admirable candidate.

Best wishes,

Jean Armour Polly

To the Onondaga County Library Board of Trustees:

I am writing a letter of character reference for Judy Jerome. Judy is a long time member of my congregation, the May Memorial Unitarian Universalist Society dating back to the 1970's, she took a brief time away when she moved abroad and since she has returned to Syracuse she has been an active member.

Judy would be an excellent voice on your board, most importantly because she is a fierce advocate for those who are marginalized in our society, constantly fighting for the inherent worth and dignity of every person to be honored in our world. Judy is an active member of the community in which she lives, as well as in our church, and in many other organizations around Onondaga County and the larger community.

Judy is educated both formally and informally and always pays attention to language, especially in delicate situations. Committed to the values of social justice and advocacy, she will be a champion for the right of every individual to read whatever they choose from multiple perspectives in order to learn as much as they can about the life that surrounds them. Judy is an avid reader herself, always recommending something to our small groups, and she is generous with her time and talents. She will be a board member who knows that her responsibility is not contained only to the formal board meetings.

I hope that you will strongly consider Judy to become a part of your board especially as more and more states continue to take away the rights of individuals and banning books. Judy will always be a champion of the library and of the freedom to read. Please contact me if you have any questions.

Sincerely,

Rev. Jo VonRue

Reverend Jo VonRue
Minister
May Memorial Unitarian Universalist Society

Good Afternoon,

I am here to express my disappointment in learning that the Onondaga County Public Library Board of Trustees, which should have eleven members, has not been full for years.

The purpose of OCPL is “to assure, expand and improve library service...” Now when we have an opportunity to fill this board, I learn that an experienced candidate has been passed over for a friend of the County Executive. Judy Jerome applied to be on the Library Board of Trustees in 2023, when there were two vacancies. But her name is not listed on today’s agenda even though Judy Jerome has led a life dedicated to her community with a passion for the written word. As a retired librarian, a Fulbright Scholar, a former president of the New York Library Association and more. Judy is uniquely qualified for the Onondaga County Library Board. It will be a great loss to our community if her skills and knowledge were not put to use for improving and expanding our library system.

Currently the library board of trustees includes a data officer, a lawyer, a retired deputy county executive, an educator, a CPA, a certified dietician and a realtor. This board needs Judy’s experience especially since libraries and books across the country have been under threat and the budget of Onondaga County Public Libraries has been at a standstill for the past 11 years.

The current library board of trustees already includes an employee of Onondaga County and a special advisor to the County Executive. The County Executive now wants to appoint to this board, not one but two more employees of Onondaga County including Esteban Gonzalez, the losing sheriff candidate who McMahon appointed to a brand new \$110,000 position. By the way, does anyone here know what this position is responsible for yet?

Let’s not add the Library Board of Trustees to his resume. Not when we have an experienced and qualified community member who wants to volunteer for this board. The County Executive may make these appointments but the county legislature has to confirm them. If there are better candidates for these boards the county legislature should stand up to the County Executive and refuse to vote on political appointments.

I ask the Legislature & County Executive to appoint Judy Jerome to the Onondaga County Public Library Board of Trustees. I also ask the county legislators to learn more about how these appointments are being decided on and that they ask to see all resumes of who applied before confirming these appointments.

Thank you.

Elaine Denton
Manlius, NY

For the record - April 2, 2024 Onondaga County Legislature meeting

NOTICE: This email originated from **outside** of Onondaga County's email system. **Use caution** with links and attachments.

Members of the Onondaga County Legislature:

As a resident of Onondaga County District 16 and a lifelong user of the public library system, I'm writing to voice my dismay that the County Legislature is today voting to confirm a list of appointments to the Onondaga County Public Library Board of Trustees that does not include Judy Jerome, a highly-qualified candidate with years of relevant experience. As a retired librarian and former president of the New York Library Association, Judy knows well how libraries work and how the board of trustees can best use the limited OCPL budget dollars to serve the directors, staff and diverse users of the library system.

This omission appears to be a blatant display of politics over the best interests of the residents of Onondaga County.

Sincerely,

Deborah Rose

NOTICE: This email originated from **outside** of Onondaga County's email system. **Use caution** with links and attachments.

A member of our community, Judy Jerome, has been passed over for a seat on the **Onondaga County Library Board of Trustees** which she applied for in October of 2023. Ms. Jerome is a highly qualified candidate for this board. She is a retired librarian, a Fullbright Scholar, and former president of the New York Library Association.

What is difficult to understand is that Ms. Jerome was passed over while Esteban Gonzalez was appointed to the Library Board. Mr. Gonzalez does not appear to have any qualifications for the position of Trustee of the Library Board. He unsuccessfully ran for Sheriff in 2022 and was rewarded by County Executive Ryan McMahon with a specially created position for \$110,000 paid for with federal pandemic funds. How does that qualify him to serve on the Library Board of Trustees?

Why is Onondaga County overlooking someone with extensive experience, an interest in public service and volunteering for their community? We need people like Judy Jerome on our Onondaga County Library Board of Trustees!

To my county executive, J.Ryan McMahan,
and the Onondaga County Legislature,

My name is Jane Tretler and I have lived for over 36 years in the village of Fayetteville.
I was employed by the East Syracuse- Minoa School District as a school librarian from 1988-2018, thirty years.

It has come to my attention that the Onondaga County Public Library has had openings on their Board of Trustees for a number of years.

Can you please explain why this is when our county public libraries should be of utmost priority.

I am also aware that one of our leading area fellow librarians and colleagues, Judy Jerome, who is extremely well respected and experienced in the field of librarianship, had applied to be on the OCPL Board of Trustees in 2023. Judy was not given an appointment to the board despite the fact that there are no other professional librarians on the Board of Trustees. This is truly unfortunate as Judy Jerome has been a true inspiration to many of us in the field of librarianship.

Among the leadership roles Judy executed during her long career was as the former director of the BOCES School Library Systems organization which provides support, training, guidance and assistance to the public school librarians of Onondaga County. This alone assures that Judy would bring a singular expertise, vision, understanding and insight to her role as a OCPL library trustee.

I hope in the near future that I hear that you have created a place for this accomplished library professional on the OCPL Board of Trustees. As professional librarians we feel having librarians on the board is critical and invaluable.

Sincerely,
Jane Tretler, MLIS, Simmons College, Boston

2 April 2024

Statement by Judith A. Jerome to the Onondaga County Legislature

Good afternoon, Honorable members of the Legislature. My name is Judy Jerome. Thank you for providing the opportunity for me to speak to you today.

I live in the City of Syracuse and raised my family on Fellows Avenue in the Westcott area neighborhood. I was away from Syracuse for several years but moved back two years ago. I am now retired and have the time and energy to devote to public service, and there is no greater service than serving on a library's Board of Trustees.

I have been an information professional all of my life. Sometimes as a librarian, other times as a knowledge manager. I have worked as a librarian in the beautiful Carnegie Library adjacent to this building, in many of the city branches, as the Director of public libraries and for 10 years Director of the School Library System at OCM BOCES. I was also awarded a Fulbright Fellowship and represented our country in libraries in England and was also elected President of the New York Library Association.

Equally important, I have been an advocate for and user of libraries of all types all of my life. Libraries are essential for an educated citizenry and a working democracy.

The effective trustee must be well versed in good governance practices that will enable them to meet the challenges presented by a rapidly changing political, social and cultural environment. Public libraries are faced with an increasingly complex regulatory environment, contradictory laws and regulations, new technologies and emerging competitors for the library's customers. At the same time they have never been more vital to the well-being of our society.

I was more than willing to work collaboratively with other Board members and the Library Director and to maintain and reinforce the mission of our Onondaga County libraries to "prepare our community for a bright future by creating opportunities, empowering people, and inspiring ideas."

So it was with hopeful anticipation last October that I mentioned to the Library Board President that I would like to serve and he was very encouraging. I updated my resume, completed the online application and contacted a few colleagues for letters of support. As someone who has dedicated their life to libraries, I was very surprised when I discovered that I wasn't one of the four people recommended to serve.

I am here today to reinforce and reiterate my willingness to serve and to request that you reconsider your choices for the Board. Please vote to table this slate of proposed Board members.

Thank you.

Kindest regards,

Judith A. Jerome

Judith A. Jerome

Profile

I am a highly experienced knowledge manager and have worked with information and information users in many contexts. I value the importance of an organization's information assets, and equally how people use information to improve their lives. I love the written word, am an avid reader and enjoy all aspects of the visual and performing arts.

Since my retirement in 2013, I have been politically active and motivated by civic engagement which reflects my core values.

Experience

2008-2013: Director, Dunham Public Library.

All areas of public library management and administration;
Budget preparation and financial management;
Human resource supervision and management;
Financial management and fiduciary responsibility;
Marketing and presentation;
Media management;
Lobbying and library advocacy;
Library materials selection and administration;
Library programming;
Technological and cyber implementations;
Knowledgeable of all areas of legal requirements pertaining to public libraries and public library systems.

Company name: Information Management Associates ltd. Company No.: 5782581 September, 2007.

Consultancy Project: University of Edinburgh, EDINA the JISC national academic data centre.

Evaluation of the GoGeo! metadata portal for the national funding agency (JISC)

Government security clearance: SC level until 7 October, 2014

November, 2006 to February, 2007: Consultancy Project: Harvey Maps; www.harveymaps.co.uk via The LOCUS Association.

Advisement on use of public sector information and access to mapping data under crown copyright.

February - August, 2006: Consultancy Project: Intelligent Addressing plc

Consultation and preparation on appeals under the Office of Public Sector Information's Information Fair Trader Scheme; Consultation and preparation on appeals under the EU Directive on the Re-Use of Public Sector Information;

Consultation and preparation of a response to the Department for Constitutional Affairs (DCA) Consultation Paper on the Co-ordinated Online Record of Electors (CORE) Project.

2004-2005: Geographic Information and Information Policy Specialist: Cabinet Office, e-Government Unit, Technology Policy Team.

Created and administered a survey to ascertain the extent and use of geographic information systems and the creation of geographic data, specifically as it relates to interoperability and information sharing. 207 responses from all areas of the public this culminated in a final analysis and Cabinet Office report;

Representing the Cabinet Office on central government committees having to do with geographic information and geographic metadata in particular;

Finalised and launched the UK application profile of the ISO 19115 for geographic metadata (UK GEMINI);

Met with Ordnance Survey and the Office of the Deputy Prime Minister for the purposes of future collaborations relative to issues of interoperability. Attending meetings of the Maps on Tap Project Board;
Working with the Office of Public Sector Information (OPSI formerly HMSO) in the area of geographic information, crown copyright and licensing;
Member of the interviewing panel for the re-verification process of Ordnance Survey under The Information Fair Trader Scheme;
Assisting the newly development e-Government Office of Professionalism in the area of GIS professionalism;

Managed and developed the following projects for the Technology Policy team of the e-Government Unit:

Integrated Public Sector Vocabulary (IPSV);
E-Government Interoperability Framework;
E-Government Metadata Standard;
Government Schema (XML) Working Group;
Project manager for the standards creation model for the Home Information Pack program from the Office of the Deputy Prime Minister;
Participated in European Parliament Expert Working Group in the area of Semantic Interoperability.

Writings:

Interoperability: A UK Cabinet Office e-Government Unit Perspective, GIS Professional, January/February, 2005.

Presentations:

Is GIS Accessible?
E-Government Restructured for Kable Conferences;
On the Map: GIS in the Public Sector for Headstar conferences;

Member:

Public Policy Special Interest Group, Association for Geographic Information

2002-2004: Information Services Manager, Association for Geographic Information

Managed an information services team of four people for the purposes of delivering a 'joined up' geographical information to all clients. This included IT services, website development, service marketing, program planning and budget development.

Managed a de-centralised information access network for the delivering of metadata within a knowledge based environment;

Identified and developed strategic partnerships for information sharing and services expansion;

Active participant on the Office of the eEnvoy's Metadata Working Group;

Member of the Central Government Intra-governmental Group on Geographic Information (IGGI) Metadata Working Group;

Initiated a national programme of work leading to the adoption of a UK Metadata Application;

Profile of the international geo metadata standard, ISO 19115;

Co-authored the widely distributed Position Paper for this programme called: *UK GEMINI: Geo-spatial Metadata Interoperability Initiative*;

Managed the transference of the operative gateway to a new setting. No downtime was experienced;

Commissioned and authored the specs for a fully xml schema-driven metadata creation tool, called MetaGenie;

Authored and provided management reports for the funding group within the Office of the Deputy Prime Minister;

Co-ordinated and managed the funding contract within the NIMSA (National Interest Mapping Service Agreement) Review Group;

Led a highly successful re-branding/marketing initiative of the metadata information service, leading up to a launch at the AGI conference;

Nationally respected authority on geospatial metadata standards, specifically ISO 19115 and ISO 19139.

Presentations:

Thinking Beyond the Data: Creating Knowledge from Geospatial Chaos, GeoSolutions 2003, Paper selected for submission and presentation. Peer reviewed.

Publications:

UK GEMINI: Towards Standards-based Metadata Access, GeoConnexion, March, 2004;
Glgateway: Opening the Door to Geographic Information: The GI Metadata Service in the United Kingdom, in: *A Compendium of European SDI Best Practice*, January, 2004, Published by GINIE: Geographic Information Network in Europe;
Rowing or Rowing: Partnership Approaches to Sharing Geographic Information Glgateway, Reclaiming the Roadmap: A Vision and Plan for 2003-2006; Pub date: June, 2003;
Beyond Postal Codes: Geographic Information for a Knowledge World, Local Government Executive, September, 2002.

2000-2002: Senior IT Information Analyst, Bloor Research, Bletchley, Milton Keynes, England.

Within the Bloor environment, developed information based methodologies and infrastructures that make best use of existing best practice;
Enhanced the organisation and acquisition of raw materials for IT industry research and for knowledge creation, transmission and management;
Primary researcher at Bloor Research;
Implemented formalised aggregated database search services at Bloor;
Carried out background research into IT markets and IT vendors.

1998-1999: Elected President of the New York Library Association

1998-2000: Fulbright Scholar, 2nd Air Division Memorial Library, Norwich, Norfolk, England

I was the recipient of a Fulbright Fellowship which brought me to England, initially for a single year. My employer in the US granted me a leave of absence. Fulbright requested that I stay an additional year and my US employers, the OCM BOCES, agreed to extend my leave an additional year.

1989-2000: Director, Onondaga-Cortland-Madison BOCES School Library

Administered and implemented resource sharing program within 23 member districts (113 schools);
Responsible for staff development in all areas of library technology and library services;
Administered and implemented comprehensive program of library automation;
Advised school districts on information technology and implementation;
Responsible for all areas of strategic planning, administration and evaluation;
Successfully implemented electronic interlibrary loan program that provided internet connections to member library media specialists;
Created and maintained a fully searchable Union Catalogue of 113 schools on the internet.

1985-89: School Library Media Specialist, Chestnut Hill Elementary School, Liverpool, New York.

Responsible for all areas library media programming and instruction.

Public Library Experience

1983-85: Film and Video Librarian, part time, Onondaga County Public Library.
1973-75: Director, Dunham Public Library, Whitesboro, New York.
1972-73: Adult Services Librarian, Betts Branch, Onondaga County Public Library.

Education

Bachelors of Arts: Syracuse University, College of Arts and Sciences. Major: Religion, Minor: Fine Arts. 1972

Masters of Science: Syracuse University, School of Information Studies (formerly School of Library Science). 1973.
GPA 3.92

Certificate of Advanced Studies: Syracuse University, School of Education. Educational Administration: Information and Media Specialization. 1989. GPA 4.0.

Ryan McMahan,
Onondaga County Executive
John H. Mulroy Civic Center, 14th floor
Syracuse, New York 13202

Dear Mr. McMahan,

It is with great pleasure that I write in support of Judith A. Jerome's appointment to the Onondaga County Library Board. I have known Ms. Jerome since 2008 when as an elected member of the Dunham Public Library Board in Whitesboro, NY, I was part of the search committee that resulted in her hire as Director. The Board and the community were fortunate to retain her services, and she left Dunham Public Library in significantly better shape than she found it.

In addition to her formidable organizational skills, which facilitated detailed revisions of the Library's policy and procedures manual and by-laws (including a clear and well-defined performance review process), Ms. Jerome had the vision to spearhead capital campaigns to improve the Library's infrastructure and expand library programming, including more public use of our Community Room.

There were also significant tensions with some erstwhile supporters of Dunham Public Library, which had to be addressed for the good of the Library (unfortunately, in public at times). Ms. Jerome's leadership was instrumental to a necessary revocation of the Friends of Dunham Public Library's charter that restored the community's confidence in Dunham's fiscal and legal management. Despite this "controversy," all but one of the Library's budget proposals were approved during her tenure, including a sorely-needed expansion of the parking area that allowed greater public access to the increasingly popular programming at the Library. The successful implementation of the New York State and Mid-York Library Construction Grants for these capital improvements have led to community support for years of other projects to bring Dunham Public Library into the 21st century, a master plan that begun during Ms. Jerome's tenure and has been embraced and expanded upon since. As a Whitesboro school district resident whose children always made use of this library, and as an academic, I am very proud of this highly professional Board and the exceptional work we accomplished with Ms. Jerome to support this essential community resource.

In short, Judith A. Jerome would be an asset to the Onondaga Public Library Board, and I urge you to take advantage of her expertise and passion for public service. Should you have any further questions, I can be reached at rsmith@utica.edu.

Sincerely,

R. Scott Smith, Ph.D.
Adjunct Psychologist,

December 16, 2023

To the Board,

I am writing to you in enthusiastic support of Judy Jerome's candidacy to fill a vacancy on the OCPL Board.

I am a retired public library administrator, author, and Internet pioneer. I was inducted into the Internet Hall of Fame in 2019, largely for my early 1990s efforts in evangelizing public Internet access in libraries.

I have known Judy for decades, starting with her tenure as an OCPL media librarian, through her years of School Library Media Specialist work, then as Director of the Onondaga-Cortland-Madison BOCES School Library. I know her to be trustworthy, capable, and nimble in navigating the many layers of library administration, from serving the public, to working within a government and taxpayer framework.

Her many and varied accomplishments, in so many library fields, led members of the New York Library Association to elect her their President in 1998.

Additionally, her years of service as Director of the Dunham Public Library broadened her experience and knowledge of library administration, financial management, lobbying and advocacy, and legal requirements pertaining to NY libraries and library systems.

Truly, Judy has seen it all: public, school, even government, special, and international library work. OCPL has an opportunity to leverage her extensive experience to the benefit of the System. I can't think of a more admirable candidate.

Best wishes,

Jean Armour Polly

To the Onondaga County Library Board of Trustees:

I am writing a letter of character reference for Judy Jerome. Judy is a long time member of my congregation, the May Memorial Unitarian Universalist Society dating back to the 1970's, she took a brief time away when she moved abroad and since she has returned to Syracuse she has been an active member.

Judy would be an excellent voice on your board, most importantly because she is a fierce advocate for those who are marginalized in our society, constantly fighting for the inherent worth and dignity of every person to be honored in our world. Judy is an active member of the community in which she lives, as well as in our church, and in many other organizations around Onondaga County and the larger community.

Judy is educated both formally and informally and always pays attention to language, especially in delicate situations. Committed to the values of social justice and advocacy, she will be a champion for the right of every individual to read whatever they choose from multiple perspectives in order to learn as much as they can about the life that surrounds them. Judy is an avid reader herself, always recommending something to our small groups, and she is generous with her time and talents. She will be a board member who knows that her responsibility is not contained only to the formal board meetings.

I hope that you will strongly consider Judy to become a part of your board especially as more and more states continue to take away the rights of individuals and banning books. Judy will always be a champion of the library and of the freedom to read. Please contact me if you have any questions.

Sincerely,

Rev. Jo VonRue

Reverend Jo VonRue

May Memorial Unitarian Universalist Society

Onondaga County Public Library Board of Trustees

Margaret Clark <meclark812@gmail.com>

Mon 4/1/2024 9:20 PM

To:Office of the Onondaga County Legislature <onondagacountylegislature@ongov.net>

NOTICE: This email originated from outside of Onondaga County's email system. Use caution with links and attachments.

To the County Legislators,

I am writing to ask that you appoint Judy Jerome to the OCPL Board of Trustees. She is a retired librarian, a Fulbright scholar, the former President of the New York State Library Association among other credentials. Judy Jerome applied for the job in 2023 when there were two vacancies. Now, she is being passed over for a friend of the County Executive who has no library experience at all.

OCPL is a vital resource in our community used by all ages. The library system is particularly important for people who would not have access to the print and electronic resources offered by OCPL, for the free Internet, for children who need space to do homework or for tutoring or to relax, for community organizations, etc. As a retired librarian and heavy library user, I can attest to the value of libraries. The budget of the OCPL has been at a standstill for 11 years. We need the experience of Judy Jerome on the Board of Trustees to support and nurture OCPL.

While the County Executive may make these appointments but the County Legislature has to confirm them. Since there is a qualified candidate in Judy Jerome, I implore the County Legislature to stand up to the County Executive and refuse to vote for the political appointee, Esteban Gonzalez. Vote for the qualified candidate, Judy Jerome.

Thank you,
Margaret Clark

To:Office of the Onondaga County Legislature <onondagacountylegislature@ongov.net>

NOTICE: This email originated from **outside** of Onondaga County's email system. **Use caution** with links and attachments.

I'm writing as a concerned citizen to support the appointment of Judy Jerome to the Public Library Board of Trustees. Ms. Jerome is extremely well qualified for this particular position in ways that are simply not true of other candidates favored by the County executive. If the legislature is serious about promoting our library system and its public services, rather than rewarding the County Executives cronies, you must insure that Ms Jerome and other similarly qualified candidates are appointed to the OCPL board.

Motion Made By Ms. Abbott

RESOLUTION NO. 58

APPROVING AN AMENDMENT TO THE CURRENTLY EFFECTIVE SCHEDULE OF RATES TO
BE CHARGED FOR WATER AND WATER SERVICE PROVIDED BY THE ONONDAGA
COUNTY WATER DISTRICT

WHEREAS, by Resolution No. 215 adopted June 6, 1966, the Board of Supervisors confirmed, ratified and approved, pursuant to the provisions of Section 266 of the County Law, a Schedule of Rates to be Charged for Water and Water Service to be Provided by the Onondaga County Water District, as recommended by the Metropolitan Water Board, the administrative head for said District, which Schedule of Rates was thereafter amended by the following resolutions: No. 158-1969, 163-1970, 614-1974, 625-1980, 172-1984, 187-1993, 105-2002, 230-2003, 261-2004, 245-2005, 288-2006, 289-2008, 293-2010, 501-2011, 217-2013, 238-2014, and 169-2016, and, as thus amended, such Schedule of Rates is currently in full force and effect; and

WHEREAS, said Metropolitan Water Board has advised by letter dated December 8, 2023, that it has adopted an amendment to said Schedule of Rates and Charges, as hereinafter more fully set forth, and requests confirmation of the proposed amendment in the manner required by law; and

WHEREAS, pursuant to Resolution No. 41-2024, a public hearing has been conducted this day in compliance with the rules for conducting such a hearing, as set forth in the Order of the Board of Supervisors, contained in Resolution No. 174, adopted May 2, 1966, to consider the amended Schedule of Rates, at which public hearing the Metropolitan Water Board appeared through its authorized representatives and offered testimony in support of the amended Schedule of Rates and all persons desiring to be heard on the subject were, in fact, heard; and

WHEREAS, the Onondaga County Legislature has given due consideration to the amended Schedule of Rates and the evidence and testimony submitted during legislative program committees and at the public hearing, and now desires to approve the Schedule of Rates and Charges as provided herein; now, therefore be it

RESOLVED, that the Onondaga County Legislature does hereby approve, pursuant to the provisions of Section 266 of the County Law, the amendment of the currently effective Schedule of Rates to be Charged for Water and Water Service Provided by the Onondaga County Water District, as provided herein, to the end that, effective May 1, 2024, the Schedule of Rates to be Charged for Water and Water Service Provided by the Onondaga County Water District shall read as follows:

SCHEDULE NO. 2: For the City of Syracuse the charge for water and water service will be at the rate of \$3.63 per thousand gallons actually consumed as measured by the meter at the point of connection to the District system (meter to be read and bill to be rendered monthly); PROVIDED, however, that the City will pay a minimum annual charge (calendar year) of \$50,000 in equal monthly installments, for which the City may take 13,774,105 gallons of water in that year; for any water consumed in excess of this quantity during such year an additional charge will be made at the rate of \$3.63 per thousand gallons of excess. The rate shall be automatically adjusted annually to remain equivalent to the rate charged by the City for water it provides to the Southern Branch system.

and, be it further

RESOLVED, that, except as herein and hereby amended, the currently effective Schedule of Rates to be Charged for Water and Water Service Provided by the Onondaga County Water District, as heretofore confirmed, ratified, amended, and approved by action of this County Legislature shall remain in full force and effect.

ADOPTED 4/2/2024

I hereby certify that the foregoing is a true and exact copy of the legislation duly adopted by the County Legislature of Onondaga County on the 2nd day of April 2024.

A handwritten signature in blue ink, appearing to be "Jm", written over a horizontal line.

RESOLUTION NO. 61

AUTHORIZING EXECUTION OF AN INTERGOVERNMENTAL AGREEMENT WITH THE UNITED STATES POSTAL INSPECTION SERVICE CONCERNING THE CENTRAL NEW YORK CONTRABAND INTERDICTION TEAM

WHEREAS, the United States Postal Inspection Service (USPIS) and Onondaga County Sheriff’s Office desire to engage in a joint cooperative law enforcement effort, referred to as the Central New York Contraband Interdiction Team (CNYCIT), for the purpose of facilitating cooperation and coordination with federal, state, and local law enforcement agencies to assist in investigative and prosecutorial efforts concerning criminal offenses involving the trafficking of controlled substances and money laundering; and

WHEREAS, in exchange for the services to be provided by the Sheriff’s Office to the CNYCIT, USPIS has agreed to reimburse certain Sheriff’s Office overtime expenses and provide a monthly vehicle stipend; and

WHEREAS, it is in the best interest of Onondaga County to establish such collaborative law enforcement partnership with USPIS for purposes of public safety and protection; now, therefore be it

RESOLVED, that the County Executive is authorized to enter into agreements and execute such other documents as may be reasonably necessary to implement the intent of this resolution; and, be it further

RESOLVED that the 2024 County budget be amended as follows:

RESOLUTION NO. 62

BOND RESOLUTION

A RESOLUTION AUTHORIZING THE ISSUANCE OF AN ADDITIONAL \$15,500,000 BONDS OF THE COUNTY OF ONONDAGA, NEW YORK, TO PAY COSTS RELATED TO THE RENOVATION OF THE FORMER CENTRAL HIGH SCHOOL FOR USE AS A STEAM HIGH SCHOOL IN AND FOR SAID COUNTY

THEREFORE, BE IT RESOLVED, by the affirmative vote of not less than two-thirds of the total voting strength of the County Legislature of the County of Onondaga, New York, as follows:

Section 1. For the specific object or purpose of paying the increased costs related to the renovation of the former central high school for use as a STEAM high school, as authorized pursuant to Chapter 56 of the Laws of the State of New York for 2020, including incidental costs in connection therewith, in and for said County, there are hereby authorized to be issued an additional \$15,500,000 bonds of said County pursuant to the provisions of the Local Finance Law.

Section 2. The plan for the financing of the \$89,500,000 maximum estimated cost thereof shall be as follows:

- (i) By the issuance of the \$74,000,000 bonds of said County authorized by a bond resolution dated May 5, 2020; and
- (ii) By the issuance of \$15,500,000 bonds of said County herein authorized.

Section 3. It is hereby determined that the period of probable usefulness of the aforesaid specific objects or purposes is twenty-five years pursuant to subdivision 12(a)(1) of paragraph a of Section 11.00 of the Local Finance Law.

Section 4. The faith and credit of said County of Onondaga, New York, are hereby irrevocable pledged for the payment of the principal of and interest on such bonds as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such obligations becoming due and payable in such year. There shall annually be levied on all the taxable real property of said County a tax sufficient to pay the principal of and interest on such obligations as the same become due and payable.

Section 5. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell bond anticipation notes in anticipation of the issuance and sale of the bonds herein authorized, including renewals of such notes, is hereby delegated to the Chief Fiscal Officer of such County. Such notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Chief Fiscal Officer, consistent with the provisions of the Local Finance Law.

Section 6. All other matters except as provided herein relating to the serial bonds herein authorized including the date, denominations, maturities and interest payment dates, within the limitations prescribed herein and the manner of execution of the same, including the consolidation with other issues, and also the ability to issue serial bonds with substantially level or declining annual debt service, shall be determined by the Chief Fiscal Officer, the chief fiscal officer of such County. Such bonds shall contain

substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law, and shall otherwise be in such form and contain such recitals, in addition to those required by Section 51.00 of the Local Finance Law, as the Chief Fiscal Officer shall determine consistent with the provisions of the Local Finance Law.

Section 7. The validity of such bonds and bond anticipation notes may be contested only if:

- 1) Such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or
- 2) The provisions of law which should be complied with the date of publication of this resolution are not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication, or
- 3) Such obligations are authorized in violation of the provisions of the Constitution.

Section 8. The County Executive is authorized to enter into contracts to implement the intent of this resolution. In the event that General Fund Operating Surplus Funds are available at the end of the fiscal year, and if the Chief Fiscal Officer of Onondaga County deems it fiscally advantageous to use surplus funds rather than borrowing, all or a portion of the cost of the improvements authorized herein shall be paid using such surplus funds. Further, in the event that General Fund Operating Surplus Funds are so utilized, then the authorization to issue bonds provided within this resolution is hereby rescinded accordingly, reduced by the amount of funds utilized.

Section 9. This resolution shall constitute a statement of official intent for purposes of Treasury Regulations Section 1.150-2. Other than as specified in this resolution, no monies are, or are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside with respect to the permanent funding of the object or purpose described herein.

Section 10. This resolution, which takes effect immediately, shall be published in summary form in the *Syracuse Post Standard*, the official newspaper of said County, together with a notice of the Clerk of the County Legislature in substantially the form provided in Section 81.00 of the Local Finance Law.

RESOLUTION NO. 67

RECOMMENDING APPOINTMENTS TO THE CENTRAL NEW YORK REGIONAL
TRANSPORTATION AUTHORITY

WHEREAS, pursuant to Public Authorities Law Section 1328, the Central New York Regional Transportation Authority was created by the State of New York; and

WHEREAS, pursuant to said law, the Onondaga County Legislature is required to submit a list of names of persons recommended for appointment by the Governor of the State of New York, with advice and consent of the Senate, where such list must recommend two individuals for each appointment to said authority; and

WHEREAS, currently there exists one vacancy on the Central New York Regional Transportation Authority due to Brain M. Schultz, whose term expires July 31, 2024, becoming Executive Director; and

WHEREAS, the terms of appointment for Louella Williams and Tina M. Fitzgerald expired on July 31, 2018, and the terms of appointment for Robert F. Cuculich and Joseph A. Hardick expired on July 31, 2019; now, therefore be it

RESOLVED, that this County Legislature does hereby recommend for reappointment and appointment to the Central New York Regional Transportation Authority the following individuals:

Theresa Wheatley
2335 Milton Avenue, Syracuse, New York 13209

Mike Becallo
6161 Diffin Road, Cicero, New York 13039

WAIVER

Motion Made By Mr. Burtis

RESOLUTION NO. 69

AUTHORIZING THE COUNTY EXECUTIVE TO ENTER INTO AN INTERMUNICIPAL AGREEMENT WITH THE CITY OF SYRACUSE FOR USE OF AND ACCESS TO A PORTION OF SOUTH WARREN STREET DURING STEAM SCHOOL CONSTRUCTION

WHEREAS, the STEAM School Construction Project requires the closure of the portion of South Warren Street between South Salina Street to East Adams Street and Billings Park, and a temporary use and access agreement is needed from the City of Syracuse with respect thereto; and

WHEREAS, the City of Syracuse, by Ordinance No. 718-2023, has authorized the execution of a temporary use and access agreement with the County for such property during the STEAM School Construction Project; now, therefore be it

RESOLVED, that the County Executive is hereby authorized to execute an intermunicipal agreement with the City of Syracuse and such other documents as may be reasonably necessary to carry out the intent of this resolution.

ADOPTED 4/2/2024

I hereby certify that the foregoing is a true and exact copy of the legislation duly adopted by the County Legislature of Onondaga County on the 2nd day of April 2024.

A handwritten signature in blue ink, appearing to be "Jm", followed by a long horizontal line extending to the right.

Clerk, County Legislature
