RE: Appointment to the Onondaga County Industrial Development Agency

Submitted for your consideration is the appointment of Leslie English to the Onondaga County Industrial Development Agency. Ms. English will be replacing Janice Herzog.

This appointment requires confirmation by the full Legislature at its August 5, 2025 meeting.

APPOINTMENT:

Leslie English
217 Wilshire Road
Syracuse, New York 13209

TERM EXPIRES:

June 1, 2027

Ms. Leslie English

“Always strive towards perfection. It’s normal to come up short, that is to be expected. The good news is you will always land on a higher level than which you began.”

Leslie English began her career with Dale Carnegie® Training in 2000 as a worldwide award-winning Training Consultant from a long-standing career in Physical Therapy (patient care and administration). Transitioning into leadership within the Syracuse Dale Carnegie franchise in 2008, Leslie began her role as President and Managing Partner. Leslie purchased the Franchise in 2013 becoming sole owner and operator of L.J. English & Associates, Inc. dba Dale Carnegie of CNY. After a successful sale of the franchise in 2022, Leslie joined a long-term customer, United Radio, as their General Manager of the Communications Division in June of 2022.

“Development of Business Acumen, Technical expertise and People are the 3 most important pillars of any organization. In my experience, when those 3 pillars overlap, a “sweet spot” is created for the organization that delivers “a great place to work” and “want to do business with” experience.” -Leslie English

As a Franchise owner, Leslie and her team provided solutions to over 2500 businesses and individuals throughout 25 counties in CNY. Local clients include: SRC, Cryomech, Indium, Mohawk Global, United Radio, BSK Law, SU Whitman School of Management, Meier Supply, etc. As an Executive Coach to CEO’s, EVP’s, Partners, College Athletic Coaches and media professionals, Leslie’s approach is straightforward, insightful, and supportive. Insightfulness coupled with time-proved tools and techniques allowed her client base to achieve impactful change with strategy, presentation and sales skills, leadership and most importantly relationships. Further, her approach is to ensure the occurrence of timely change which elevates her clients to their highest level of performance, promotion, and effectiveness.

At United Radio, Leslie continues to lead and oversee an amazing team in areas of Operations, Customer Service, Marketing, Sales, and Strategy of two-way communication, security and surveillance products and services. In just six months, Leslie was able to move the division into a profitable status, in 12 months she and her team were able achieve the highest profitability the Division has achieved in 15 years.

DOUGLAS R. WICKMAN

Licensed Professional Engineer

7121 Totman Drive, Cicero N.Y. 13039

EXPERIENCE

Mr. Wickman has managed many public and private infrastructure-related projects for municipal, commercial, and industrial clients. Efforts typically involve planning, feasibility studies, design, cost estimating and construction services. Work on municipal projects has involved design and construction administration services for water distribution systems, sanitary sewers, storm sewers, and stormwater control facilities serving residential and commercial projects and industrial parks for the towns of Clay, Cicero, Tully, Fabius, Skaneateles, Salina and Onondaga, NY, the counties of Onondaga and Oswego, NY, the villages of North Syracuse, Central Square and Liverpool, NY., and the City of Syracuse.

For Onondaga County, work has included a Countywide Drainage Study to evaluate the condition of all inter-municipal water courses in the county. Drainage studies, master planning and design of drainage and flood control improvements for the Ley Creek, Meadowbrook and Bloody Brook watersheds. A drainage study of the Cold Brook watershed covering flooding problems in the City of Syracuse. Study, design, and construction administration of the Harbor Brook flood control facilities were also completed. For the City of Syracuse, work included analysis of the water transmission and distribution facilities. It also included computer modeling of the developing watersheds in the surrounding suburban towns. These models are used to help protect city residents from flooding due to increased rates and volumes of runoff resulting from land development.

Work for the Town of Clay involved general planning services, including masterplans for drainage and stormwater runoff for most of the developing portions of the town. As development has proceeded it has been consistent with the goals of the master plans, involving continual updates of the hydrological computer models that were used. General town board services included management of the repair and updates of all water, sewer, and drainage facilities, and environmental reviews of all significant commercial developments. These services for the Town of Clay spanned more than 35 years.

Work for the Town of Skaneateles primarily involved planning board engineering services. Experience has been primarily water quality related, assisting the town in efforts to protect the character of the community and the water quality of Skaneateles Lake. Skaneateles Lake is the water supply for the City of Syracuse and is unfiltered. These services for the Town of Skaneateles spanned almost twenty years.

Mr. Wickman was employed by C&S Engineers from 1970-2014, as staff engineer for the Town of Salina from 2017-2022 and is currently retired.

Education, BSCE, Syracuse University, 1970.

Registration, Professional Engineer in NY.

PROFESSIONAL OVERVIEW

Results-driven public infrastructure executive with over 15 years of progressive leadership experience across county, municipal, and private sectors. Proven ability to lead complex capital improvement programs, manage multi-disciplinary engineering teams, and deliver large scale environmental and transportation infrastructure projects on time and within budget. Demonstrated success in advancing sustainable water and wastewater systems, green infrastructure, and asset management strategies to enhance long term performance and environmental resilience. Skilled at aligning operational planning with policy, budgetary priorities, and regulatory mandates while fostering interagency collaboration and strong organizational leadership. Recognized for cultivating a high morale, team driven environment where individuals feel valued, supported, and motivated to perform at their best. Committed to delivering strategic, cost-effective solutions that protect public health and water quality across Onondaga County.

WORK EXPERIENCE

Deputy Commissioner

Onondaga County Department of Transportation 2019- Present

- Prioritize the department's goals by aligning the Budget, Capital Improvement Plan, and Work Plan to ensure efficient resource use and successful project delivery.
- Oversee large scale engineering projects, including the design and construction of the North Area Maintenance Facility, incorporating value engineering strategies that resulted in approximately \$3 million in County savings.
- Coordinate with legislators, state DOT, and municipal agencies on locally and federally funded infrastructure projects to secure funding, obtain approvals, and drive project completion.
- Promote a team oriented departmental culture while building strong, lasting relationships across county agencies to effectively leverage shared resources and support strategic operational goals.

Water Systems Construction Engineer

Onondaga County Water Environment Protection 2016- 2019

- Directed the design and renovation of essential water treatment systems, such as water mains, pump stations, and green infrastructure, with a focus on performance, sustainability, and long-term reliability.
- Oversaw the design and construction of county wide green infrastructure initiatives, implementing sustainable solutions such as rain gardens, bioswales, and retention ponds to sustainably reduce stormwater inflow & Infiltration (I&I) into the wastewater system and ensure compliance with the Amended Consent Judgement.

- Executed critical greywater infrastructure improvements across multiple treatment plants, including rehabilitation of primary clarifiers at Wetzel Road and Baldwinsville WWTPs, and aeration tanks at Meadowbrook-Limestone WWTP, improving system performance and reliability.
- Advanced asset management initiatives across treatment plants and pump stations by implementing a proactive, maintenance schedule to address infrastructure needs before failure.

Facilities Engineer

City of Syracuse

2013- 2016

- Oversee federally and locally funded infrastructure projects, including bridge rehabilitation, sewer line installation, and road reconstruction, ensuring alignment with scope, budget, and regulatory requirements.
- Review engineering drawings, submittals, and shop drawings throughout pre-construction and construction phases to ensure technical accuracy and compliance.
- Initiate and guide projects through design, bidding, and construction, coordinating with three prime contractors and inspection teams to support efficient, high quality execution.
- Spearhead on-site operations and field decision-making to maintain project schedules, control costs, and adapt to evolving site conditions while meeting all project objectives.

Construction Manager

C&S Companies

2010- 2013

- Successfully led the construction of the Central NY Community Foundation headquarters, coordinating multiple prime contractors and overseeing the LEED certification process to deliver a sustainable, efficient, and forward-looking facility aligned with industry standards and the customer's environmental goals.
- Lead and facilitate comprehensive project meetings at all stages, fostering collaboration among contractors, stakeholders, and internal teams to resolve issues promptly and maintain alignment with organizational objectives.
- Deliver clear, data-driven project status reports and presentations to governing boards and executive leadership, highlighting critical milestones, risk assessments, budgetary considerations, and strategic impacts.
- Provide strategic oversight and direction for diverse public and private sector construction projects, ensuring strict compliance with regulatory standards, policies, and project specifications.

RESOLUTION NO. 91

**AUTHORIZING AN INTERMUNICIPAL AGREEMENT BETWEEN ONONDAGA COUNTY AND
THE NATIONAL LIBRARY SERVICE FOR THE BLIND AND PRINT DISABLED**

WHEREAS, the County of Onondaga, by and through the Onondaga County Public Library (“OCPL”), seeks to expand services at its libraries for county residents who have permanent or temporary visual, physical, or reading disabilities that prevent them from using regular library print materials; and

WHEREAS, the National Library Service for the Blind and Print Disabled (“NLS”), upon application and approval, offers digital and physical equipment, materials, and products to institutions that serve individuals with visual, physical, or reading disabilities; and

WHEREAS, the OCPL has identified this NLS program as one that would expand reading and learning access in the community by allowing residents with visual, physical, or reading disabilities access to digital talking books, braille hard-copy books, media players, and other equipment; and

WHEREAS, the NLS lends its digital and physical equipment, materials, and products at no cost for as long as the recipient needs, after which the OCPL must return such federal property; and

WHEREAS, to be eligible to receive these NLS services, the OCPL must first obtain this legislative approval; now, therefore be it

RESOLVED, that the County Executive is hereby authorized to execute an inter-municipal agreement with NLS and such other documents as may be reasonably necessary to carry out the intent of this resolution.

RESOLUTION NO. 96

**AUTHORIZING THE ACCEPTANCE OF PROPERTY USED FOR HIGHWAY PURPOSES FROM
THE NEW YORK STATE DEPARTMENT OF TRANSPORTATION AND THE SUBSEQUENT
TRANSFER THEREOF TO 3-11 WEST GENESEE STREET LLC**

WHEREAS, the State of New York has jurisdiction of 0.012 ± acres of surplus real property used for highway purposes, and formerly a County road, located along West Genesee Street, State Highway No. 8356, in the Village of Skaneateles, as depicted in New York State Department of Transportation Abandonment Map, Map No. 1, Parcel No. 1, prepared by Paul J. Olszewski, P.L.S. and dated April 29, 2025 ("State Property"); and

WHEREAS, the State of New York, by and through its Department of Transportation, is desirous of abandoning said surplus State Property to the County of Onondaga pursuant to and in accordance with Highway Law § 10(32) to accommodate a subsequent transfer thereof to 3-11 West Genesee Street LLC; and

WHEREAS, Onondaga County is supportive of such abandonment and the subsequent transfer of the State Property to 3-11 West Genesee Street LLC for the purpose of putting such property into productive use; and

WHEREAS, an analysis of the potential environmental impacts of the proposed action has been undertaken pursuant to the New York State Environmental Quality Review Act (SEQRA); now, therefore be it

RESOLVED, that an Environmental Assessment Form (EAF) has been prepared and reviewed and is on file with the Clerk of the Legislature; and, be it further

RESOLVED, that the EAF prepared by the County and filed with this Legislature is satisfactory with respect to scope, content and adequacy in conformance with SEQRA, and is hereby accepted and adopted by the County; and, be it further

RESOLVED, that this Onondaga County Legislature does hereby accept and adopt the Negative Declaration, prepared in accordance with Article 8 of the Environmental Conservation Law, for the Unlisted Action and has determined that such will not have a significant adverse impact on the environment; and, be it further

RESOLVED, that the County Executive is hereby authorized to accept the State Property upon abandonment thereof by the State of New York pursuant to Highway Law § 10(32) and, thereafter, transfer to 3-11 West Genesee Street LLC said State Property for \$1.00, waived, and to execute deeds, agreements, and such other documents as may be necessary to implement the intent of this resolution.

Part 2 - Impact Assessment

Part 2 is to be completed by the Lead Agency.

Answer all of the following questions in Part 2 using the information contained in Part 1 and other materials submitted by the project sponsor or otherwise available to the reviewer. When answering the questions the reviewer should be guided by the concept “Have my responses been reasonable considering the scale and context of the proposed action?”

	No, or small impact may occur	Moderate to large impact may occur
1. Will the proposed action create a material conflict with an adopted land use plan or zoning regulations?		
2. Will the proposed action result in a change in the use or intensity of use of land?		
3. Will the proposed action impair the character or quality of the existing community?		
4. Will the proposed action have an impact on the environmental characteristics that caused the establishment of a Critical Environmental Area (CEA)?		
5. Will the proposed action result in an adverse change in the existing level of traffic or affect existing infrastructure for mass transit, biking or walkway?		
6. Will the proposed action cause an increase in the use of energy and it fails to incorporate reasonably available energy conservation or renewable energy opportunities?		
7. Will the proposed action impact existing:		
a. public / private water supplies?		
b. public / private wastewater treatment utilities?		
8. Will the proposed action impair the character or quality of important historic, archaeological, architectural or aesthetic resources?		
9. Will the proposed action result in an adverse change to natural resources (e.g., wetlands, waterbodies, groundwater, air quality, flora and fauna)?		
10. Will the proposed action result in an increase in the potential for erosion, flooding or drainage problems?		
11. Will the proposed action create a hazard to environmental resources or human health?

Part 3 Determination of Significance

For every question in Part 2 that was answered “moderate to large impact may occur”, or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.

Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.

June 12, 2025

To: Onondaga County Legislature
Onondaga County Courthouse
401 Montgomery Street, Room 407
Syracuse, New York 13202

Pursuant to Section 11.55 of the Onondaga County Administrative Code, a public Commissioner's Hearing was held on June 4, 2025, to receive public input on the proposed capital projects identified in the 2025–2030 Capital Improvement Plan. The hearing was properly noticed and open to the public.

The Map, Plans, and reports for the following projects were presented:

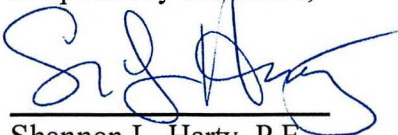

1. Wastewater Transportation Systems
2. Metro 78 Annex - Phase 1 - Substation Upgrades
3. West Entry Pump Station Upgrade
4. Department Wide - Mech, Electrical, HVAC
5. Department Wide - Buildings and Site Improvements
6. CAR - MBLs WWTP Aeration System Upgrades
7. Liverpool and Ley Creek Force Mains - Phase 1&2
8. Metro Thickener

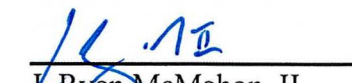

No members of the public appeared to offer comments, and no written submissions were received.

Recommendation:

Based on the proceedings and review, it is recommended that the Legislature schedule a formal public hearing to consider the authorization of the proposed projects.

Respectfully submitted,

Shannon L. Harty, P.E.
Commissioner

J. Ryan McMahon, II

Motion Made By Mr. Olson

RESOLUTION NO. 104

AUTHORIZING THE ONONDAGA COUNTY SHERIFF'S OFFICE TO ACCEPT
REIMBURSEMENT FOR EXPENSES INCURRED IN ASSISTING THE UNITED STATES CAPITOL
POLICE

WHEREAS, the Onondaga County Sheriff's Office has expended its time and equipment in assisting the United States Capitol Police on matters including, but not limited to, physical dignitary protection, physical site protection, perimeter security, and emergency response readiness; and

WHEREAS, the Onondaga County Sheriff's Office may be asked again in the future to perform such duties for the United States Capitol Police; and

WHEREAS, the United States Capitol Police are willing to defray the costs associated with the Onondaga County Sheriff's Office performing such duties from the Onondaga County taxpayers; now, therefore be it

RESOLVED, that the County Executive is authorized to execute agreements and such other documents as may be reasonably necessary to accept reimbursement funds from the United States Capitol Police and to implement the intent of this resolution.

RESOLUTION NO. 105

AUTHORIZING EXECUTION OF AN INTERMUNICIPAL AGREEMENT FOR COUNTY
MANAGEMENT OF THE GREATER BALDWINSVILLE LOCAL WATERFRONT
REVITALIZATION PROGRAM

WHEREAS, the County of Onondaga, by and through its Department of Planning, seeks to provide in-kind services amounting to \$36,940.00, or more at the County's discretion, for project management of the Greater Baldwinsville Local Waterfront Revitalization Program ("LWRP"); and

WHEREAS, the Town of Lysander applied for and received a \$120,000.00 planning grant from the New York State Department of State ("DOS") to prepare the LWRP for the Town of Lysander, Town of Van Buren, and the Village of Baldwinsville; and

WHEREAS, the DOS grant contract includes a provision which reflects \$36,940.00 of local in-kind match funds, consisting of administrative and planning services, to be provided by the Onondaga County Department of Planning; and

WHEREAS, the Department of Planning will provide project management for the administration of the grant by acting as liaison between the DOS, the municipalities, and the consultant, as well as facilitating coordination on completion of task items set forth in the funding award from the DOS; and

WHEREAS, the term of this agreement begins upon execution by all parties and will continue through completion of the program, unless otherwise terminated by either party upon forty-five (45) days' written notice; now, therefore be it

RESOLVED, that the County Executive is authorized to enter into agreements and execute such other documents as may be reasonably necessary to implement the intent of this resolution.

RESOLUTION NO. 107

AUTHORIZING EXECUTION OF AN INTERMUNICIPAL AGREEMENT WITH SUNY UPSTATE
MEDICAL UNIVERSITY TO ESTABLISH AN ACADEMIC HEALTH DEPARTMENT
PARTNERSHIP

WHEREAS, the County of Onondaga, by and through its Health Department, faces an expanding need to efficiently engage local experts to address priority community health concerns; and

WHEREAS, the County seeks to create an Academic Health Department partnership with SUNY Upstate Medical University ("Upstate") to allow the parties to collaborate both clinically and academically while exchanging resources and expertise; and

WHEREAS, the parties have identified initial clinical collaboration areas currently in process including immunizations, lead poisoning prevention, infectious disease control, and forensic pathology, with future expansion opportunities such as substance abuse treatment, medical and resident public health education and community exposure, and maternal-child health initiatives; and

WHEREAS, the parties have identified academic collaboration areas currently in process including trainee placements and observerships, data sharing, and basic research initiatives on tick-borne diseases and arboviral research, with future expansion opportunities including faculty exchange programs, advanced research initiatives, joint grant applications, and comprehensive professional development programs; and

WHEREAS, each party shall select three (3) individuals to serve on an advisory committee which will oversee the activities of the Academic Health Department, assist with collaboration between them, and hold at least an annual meeting to review the parties' activities and their consistency with the intent of the agreement; and

WHEREAS, annual Academic Health Department partnership expenditures, if any, shall be subject to and contingent upon the availability of State and County budgetary appropriations and/or approvals; now, therefore be it

RESOLVED, that the County Executive is authorized to enter into agreements and execute such other documents as may be reasonably necessary to implement the intent of this resolution.

LOCAL LAW NO. 14 - 2025

AMENDING THE ONONDAGA COUNTY CHARTER AND ADMINISTRATIVE CODE TO
INCREASE THE TERM OF OFFICE OF ONONDAGA COUNTY LEGISLATORS FROM TWO
YEARS TO FOUR YEARS AND TO LIMIT THE NUMBER OF TERMS THAT A PERSON IS
ELIGIBLE TO SERVE AS COUNTY LEGISLATOR TO THREE CONSECUTIVE FOUR-YEAR
TERMS

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF ONONDAGA,
AS FOLLOWS:

Section 1. Findings. This Legislature deems it important to change the term of Onondaga County Legislators from a two-year term to a four-year term, and to implement a term limit of three consecutive four-year terms, thereby requiring amendments to the Onondaga County Charter and Administrative Code. Extending the term of office for County Legislators to four years comports with the four-year terms of all countywide elected officials and permits such elected representatives to focus more of their time and attention on the needs of their constituents and county governance. Limiting the total number of terms that an official can serve ensures consistent turnover and encourages new individuals to seek elective office, while allowing for valuable tenured experience on the Onondaga County Legislature.

Section 2. Amendments.

(a) Term Lengths:

Section 202 of the Onondaga County Charter, entitled COUNTY LEGISLATORS; QUALIFICATIONS; TERM, is hereby amended such that the following language shall be added at the end of the third paragraph thereof:

Provided, however, that commencing with the first general election for Onondaga County Legislators held after January 1, 2026, the term of office of members of the County Legislature shall be four years. Elections for the County Legislators shall be conducted at general elections every fourth year thereafter.

Section 2.01 of the Onondaga County Administrative Code is hereby amended such that the following language shall be added after the second sentence of the fourth paragraph thereof:

Provided, however, that commencing with the first general election for Onondaga County Legislators held after January 1, 2026, each Legislator shall be elected at a general year election for a term of four years commencing the first day of January next following election.

Section 203 of the Onondaga County Charter, entitled ORGANIZATION; OFFICERS; COMMITTEES, is hereby amended to add the following seventh and final paragraph thereto:

Notwithstanding anything to the contrary in this Onondaga County Charter, commencing with the first general election for Onondaga County Legislators held after January 1, 2026, said organizational meeting shall be held every fourth year.

Section 2.07 of the Onondaga County Administrative Code is hereby amended to add the following second and final paragraph thereto:

Provided, however, that commencing with the first general election for Onondaga County Legislators held after January 1, 2026, said organizational meeting shall be held every fourth year.

Section 2.09 of the Onondaga County Administrative Code is hereby amended to add the following second and final paragraph thereto:

Provided, however, that commencing with the first general election for Onondaga County Legislators held after January 1, 2026, the Chairperson of the County Legislature shall serve for a term of four years or until a successor shall be elected.

Matters in italics are new.

(b) Term Limits:

Section 202 of the Onondaga County Charter is hereby further amended to add the following fourth and final paragraph thereto:

Notwithstanding any provision to the contrary in this Charter or Administrative Code, commencing with the first general election for Onondaga County Legislators held after January 1, 2026, no person shall be eligible to be elected to or serve as a member of the County Legislature for more than three (3) consecutive four-year terms. Years served prior to the first day of January next following the first general election for Onondaga County Legislators held after January 1, 2026 shall not be counted in calculating the number of consecutive terms a County Legislator has served. Service for a partial term as a County Legislator shall not be counted in calculating the three consecutive four-year terms.

Matters in italics are new.

Section 3. Proposition. The form of the proposition to be submitted to the electors of Onondaga County at the next general election occurring November 4, 2025 shall be as follows:

(a) Descriptive Title.

INCREASING COUNTY LEGISLATOR TERMS TO FOUR YEARS WITH A THREE CONSECUTIVE FOUR-YEAR TERM LIMIT

(b) Ballot Proposal Text Summary.

Increasing County Legislator terms from two to four years and imposing term limits of three consecutive four-year terms, effective the first general election for Legislators held after January 1, 2026.

(c) Voting.

Voting “Yes” increases County Legislator terms from two to four years and imposes term limits of three consecutive terms. Voting “No” leaves terms unchanged without term limits.

Section 4. Severability. If any clause, sentence, paragraph, section or part of this Charter and Code Amendment shall be adjudged by a court of competent jurisdiction to be invalid, the judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, section or part thereof directly involved in the controversy in which the judgment shall

have been rendered.

Section 5. Effective Date. This Charter and Code Amendment shall be submitted to the electors of Onondaga County at the next general election occurring November 4, 2025 pursuant to Municipal Home Rule Law Sections 33 and 34, and Onondaga County Charter Section 2202, and shall take effect immediately upon approval of the electors of Onondaga County.

ADOPTED 8/1/2025

I hereby certify that the foregoing is a true and exact copy of the legislation duly adopted by the County Legislature of Onondaga County on the 1st day of August 2025.

A handwritten signature in blue ink, appearing to be "Jm", is written over a faint, horizontal blue line that serves as a guide for the signature.

Clerk, County Legislature

Abstract of Proposition Number 1:
Terms and Term Limits for County Legislators

Onondaga County Legislators currently are elected to serve a two-year term, with no term limits. The proposed amendments to the Onondaga County Charter and Administrative Code will increase the length of the term for County Legislator from two years to four years. The proposed amendments also will impose term limits, restricting the total number of terms a County Legislator may serve to three consecutive four-year terms. Partial terms and prior years of service will not be included when calculating term limits. The organizational sessions of the County Legislature, where the Legislature Chairperson is elected, also will be changed from every two years to every four years. The amendments will be effective commencing with the first general election for County Legislators held after January 1, 2026.
