Subject: Re: Agricultural District 1 Eight-Year Review Public Hearing

NOTICE: This email originated from **outside** of Onondaga County's email system. **Use caution** with links and attachments.

To whom it may concern,

When the agricultural review form was sent out that areas with homes are still considered agricultural in the area/town. I mistakenly filled out the form wrong to have my property removed from the agricultural area list. I would like to keep my property at 1402 NY route 80, Tully NY to be kept in the list of agricultural properties. Thanks for your time.

Sincerely,
Scott Edinger.
