

Plumbing Control Supervisor

A senior role overseeing plumbing code enforcement, licensing, and inspection programs.

The Department of Water Environment Protection (WEP) delivers wastewater treatment services that protect public health and local waterways across Onondaga County, supported by a skilled and dedicated workforce.

WHY YOU?

This position offers experienced plumbing professionals the opportunity to move into a supervisory role focused on program oversight, coordination, and technical review. It allows extensive trade experience to be applied beyond daily field inspections while supporting plumbing code administration and public health.

WHAT EXACTLY DOES A PLUMBING CONTROL SUPERVISOR DO?

A Plumbing Control Supervisor is responsible for administering plumbing code enforcement and licensing programs, establishing inspection procedures, and supervising plumbing inspection staff to ensure compliance with applicable laws and regulations. Does related work as required.

- ❖ Coordinates programs with all municipalities within the County to aid in building construction as it relates to plumbing projects such as sewer cross connection and reinspection programs.
- ❖ Establishes office and field procedures for the inspection of construction plans, specifications and installations so that construction performed conforms to established plumbing codes.
- ❖ Supervises the inspection of building construction projects that are regulated by local government to ensure conformance with established plumbing codes.
- ❖ Advises plumbers, architects, engineers and homeowners on acceptable methods and materials.
- ❖ Issues permits, licenses, registrations and other necessary documents that may be required in the administration of the plumbing trade in Onondaga County.

This list is not exhaustive. Additional duties are outlined in the official job description.

MINIMUM QUALIFICATIONS

Promotion:

Two (2) years of permanent competitive class status in the title of Plumbing Inspector II.

Open Competitive:

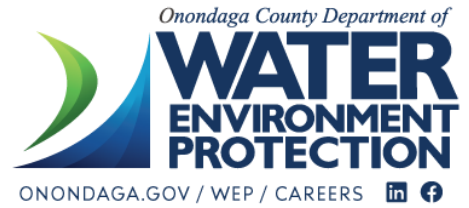

Ten (10) years of skilled work experience, or its part time equivalent, in the plumbing trade, Plumbing related code enforcement, or mechanical/plumbing engineering; two (2) years of which must have been in a supervisory capacity.

SPECIAL NECESSARY REQUIREMENT

Certification of Competency as a Master Plumber issued by the Onondaga County Examining Board of Plumbers at time of appointment.

Must initiate training to obtain certification as a New York State Code Enforcement Official within first eighteen (12) months of appointment.

Onondaga County is an Affirmative Action (AA) employer committed to Equal Employment Opportunities (EEO) for all persons.
